Where Does it Hurt? Max Pemberton, 2009-08-20 Treats a grim subject with warmth and self deprecating good humour equally enlightening sequel Daily Mail The sequel to the bestselling Trust Me I'm a Junior Doctor The junior doctor is back but working on the streets for the Phoenix Outreach Project Unfortunately his first year in a hospital hasn't quite prepared him for it He's into his second year of medicine but this time Max is out of the wards and onto the streets working for the

Phoenix Outreach Project Fuelled by tea and more enthusiasm than experience he attempts to locate and treat a wide and colourful range of patients that somehow his first year on the wards didn't prepare him for from Molly the 80 year old drugs mule and God in a Tesco car park to middle class mums addicted to appearances and pain killers in equal measure His friends don't approve of the turn his career is taking his mother is worried and the public spit at him but Max is determined to make a difference Despite warnings that miracles are rare and that not everyone's life can be turned around Max is still surprised by those that can be saved Funny touching and uplifting Max goes from innocence to experience via dustbin shopping trips without ever losing his humanity Spoon-Fed Tim Spector,2020-08-27 THE 1 SUNDAY TIMES
