Trusting Thomas Collars And Cuffs Book 2:

Before You Break K.C. Wells, Parker Williams, 2017-05-26 Secrets Book One Six years ago Ellis walked into his first briefing as the newest member of London's Specialist Firearms unit. He was partnered with Wayne and they became fast friends. When Wayne begins to notice changes in Ellis's erratic temper, the effects of sleep deprivation, he knows he has to act before Ellis reaches his breaking point. He invites Ellis to the opening of the new BDSM club Secrets, where Wayne has a membership. His purpose? He wants Ellis to glimpse the lifestyle before Wayne approaches him with a proposition. He wants to take Ellis in hand to control his life because he wants his friend back and he figures this is the only way to do it. There are a few issues, however: Ellis is straight, stubborn, and sexy. Wayne knows he has to put his own feelings aside to be what Ellis needs. What surprises the hell out of him is finding out what Ellis actually requires. **Collars & Cuffs Vol. 1** K.C.

Wells, Parker Williams, 2016-07-22 When Leo Hart and Thomas Williams opened a BDSM club in Manchester back in 2002, they had no idea what they were creating. Because Collars & Cuffs has grown into more than a club, it's become a family. Most men who join do so hoping to find a connection, though even those who aren't looking are surprised when the connection finds them. Collars & Cuffs men come from all walks of life: from a Dom who thought he would never find love again to men whose past hurts still linger to a young man who desperately needs someone to understand him. But there is one thing that will always be true: together, they are stronger, and some bonds cannot be broken. **First** K.C. Wells, 2015-09-21 It's taken Tommy Newsome a while to get his head around being gay. Growing up in a small town in Georgia hasn't prepared him for the more liberal life of a student at the university in Athens. Add to that the teachings of his parents and his church, and you have one shy young man who feels out of his depth. Working on his daddy's farm hasn't given him any chance of a social life, certainly not one like the clubs of Atlanta have on offer. Not that Tommy feels comfortable when he gets to sample it. Momma's lectures still ring loudly inside his head. All that changes when he goes to his first gay bar and sets eyes on Mike Scott. When Mike's not behind the bar at Woofs, he's busy with his life as adult entertainer. Scott Masters: twenty years in the industry, and the times they are a-changing. Mike's not had much luck in the relationship department, but as his mom is fond of telling him, you keep fishing in the same pond, you're gonna reel in the same kind of fish. Maybe it's time for a change. And then a beautiful young man asks Mike to be his first.

Perspectives on Natural History Mary Orr, 2024-09-17 History from below uncovers overlooked protagonists contributing to international endeavour, often against considerable odds. Mrs T. Edward Bowdich, then Mrs R. Lee, 1791-1856, is indicative. When women allegedly cannot participate in early nineteenth-century scientific exploration, discovery, and publication, Sarah's multiple specialist contributions to French and British natural history have attracted no book-length study. This first appraisal of Sarah's unbroken production of discipline-changing scientific work over three decades in modern ichthyology in historical

geography of West Africa and in the next generational dissemination of expert scientific knowledge does more than fill this gap The book also pivotally investigates the intercultural interdisciplinary and multi genre reach of Sarah s pioneering perspectives and contributions and how she could achieve her work independently in her own name s over three decades Sarah s larger significance is then to provide a very different narrative for women at work in expert nineteenth century natural history making By everywhere challenging the secondary minor and domestic frames for women s contributions of the period the pioneering perspectives of Sarah s story also provide alternative paradigms to the leaky pipeline model still informing women s careers and work in STEM M today The Sword of Ardil Matt Thomas, 2016-02-22 After millennia of peace the Mirror Planes have collided and the Furies have returned Caught in the onslaught of these forces Luc Viamar Ellandor and the nation of Penthar have withstood the first skirmish if barely Now the nation of Penthar must weigh rumors of the Legion of the Earthbound to the north and south Eldin Viamar King considers abdicating The Warden of Ardil and the White Rose of Alingdor return to find the son they left behind considerably changed and no longer the young man he had been News the Fallen and the Earthbound have seized the Ancaidan capital leave the lords of Penthar in doubt over whether to risk war to stop the Furies and save the neighboring nation or see it destroyed in an attempt to recover the Sword of Ardil and end the threat of one of their most dangerous foes Knowledge that to the far east in the Mountains of Memory a rising darkness is stirring leaves Luc with little choice He must announce his ancestry and hidden identity in the hopes he will be able to muster the armies of Penthar and unite the west against the gathering menace With his memories clouded and images of a ruined city and conflict predating the rise of men pursuing him Luc must learn to control newfound abilities knowing even a victory to the south might not see them survive the rise of the Unmaker Keywords Fantasy War of the Furies Adventure Romance Magic Sorcery Mythology Fiction **Catalog of Copyright Entries.
