Truth About Me A Hijra Life Story:

The Truth about Me Rēvati, 2010 Autobiography of an eunuch from Tamil Nadu *Amalgamation- 'AN INSIGHT INTO THE LGBTQ+ COMMUNITY AND THEIR LITERATURE'* Dr Pinki Chugh, 2022-03-01 The scope of the edited book *An Insight into the LGBTQ Community and their Literature* is to discuss a comprehensive overview of various aspects of LGBTQ community Our society is full of different types of people and different types of love but we are still far behind when it comes to our knowledge of the various types of love that prevails sometimes with acceptance and sometimes breaking the shackles of the societal customs Who made these customs Who decided the wrong and the right And who gave them the right to decide These all questions hover our minds when we come across the maltreatment of LGBTQ Community in the hands of the straight Our literature is full of such writers and characters who belong to this community This book is aimed to bring to front such opinions and ideologies which represent a different scenario and through this book we will try to get a deeper insight into the rainbow of LGBTQ community and their literature *Querying Childhood* Mary E. John, Barbara

Lotz, Elisabeth Schömbucher, 2024-09-26 This book critically examines assumptions about age women and gender Amidst all the attention that has been granted to difference and inequality however uneven and unsatisfactory in terms of class and caste race and ethnicity sexuality and gender disability religion and nation questions of age and its importance for feminism have been less well defined Drawing on recent literature on childhood the chapters in this volume cover a range of fresh perspectives These include What kinds of biological legal chronological histories age has and the fundamental ways in which these links are being recast How gender differences occupy a prominent place in historical constructions of identities especially the frequent infantilisation of women who are never seen as adults in the full sense of the term nor equally allowed to be children beyond the first years of life Ways in which class caste gender and ethnicity shaped classrooms and opportunities for education in the colonial period and the 20th century to produce new ideas of childhood Gendered outcomes for children in the context of a long entanglement of law with labour transformations in practices of parenting over time and how the concept of care emerged in both Western and non Western societies An incisive study on how childhoods have come to be understood this book will be of great interest to scholars and researchers of gender studies childhood studies family studies modern history legal history social policy social psychology education and sociology This volume will also interest parents paediatricians family health providers teachers and educators and anyone who works with children
