there's a truth beyond illusion,
I've come to believe that there's

Truth Beyond the Illusion Tommy Hawksblood,2011-06-01 The connection of Religion spiritualism Government Aliens and UFO s How to find truth among the false teaching and schooling Learning to understand what life is really and the things that will be affecting it **The Psychic Wisdom Seeker Handbook** Wise Wolf,2012-08-12 The Guide To Discover True Spiritual Wisdom Living A Natural Spirituality The True Nature Of Spiritual Abilities ESP How To Sense And Over Come Spirit Intrusions Explore Beyond The Physical Realm Through Meditation And Out Of Body Exploration And Much Much More *Embrace The Darkness* Dean Dedman Jr.,2019 This is the story of a mystical magical drone pilot It is the year following the Standing Rock Movement and many water protectors have found themselves in many kinds of struggles Follow Shiye s journey as he processes transitions and tries to help himself and others Our drone pilot shares his highs and lows his chaotic and peaceful adventures Travel through the darkness and the lightness and find out why both are important Shiye takes us down his path in this beautiful tale of spirituality consciousness and Indigenous wisdom **The Lord's Prayer: Take a Closer Look** Jim Webb,2014-05-13 The Lords Prayer has been called a model prayer by many good theologians But it is also true that it is among the least scrutinized of all teachings in the Bible and therefore one of the least studied and understood We need to remind ourselves that when Jesus gave this teaching to us it was for the express purpose of establishing a good communication with God out in the joys and scuffles of daily life This book is offered to take the reader back to that purpose We need to put ourselves back in the shoes of those who heard this teaching on prayer for the first time When we do we find our identity our destiny and our purpose for living at the very foundation of what Jesus told us here along with the corollaries too We discover that this and this alone is the foundational teaching on communicating with God in the New Testament and when all else is stripped away it is the one understanding we cannot do without it becomes our anchor point It not only focuses our understanding on the truth behind all things it exposes a great deal of falsehood as a consequence How could it not When the road we walk is rock solid at its base the quicksand is easy to spot and avoid This book takes each element of this prayer and discusses it in depth and each element reveals more than what first meets the eye Of course this prayer teaching by Jesus of Nazareth is of necessity coupled with a great deal of related New Testament teaching throughout the book *Everybody for Everybody: Truth, Oneness, Good, and Beauty for Everyone's Life, Liberty, and Pursuit of Happiness Volume Ii* Samuel A. Nigro,2011-01-10 EVERYONE FOR EVERYONEthe book volumes I then a few pages or a chapter daily and problem solve as needed by index and perusal You will be better The world will be better You will learn to be a real human being for everyone And you will have your soul back by embracing the universal Mass mantra life sacrifice virtue lovehumanity peace freedom death *Beyond Illusion* David R. Hawkins, MD/PHD,2025-04-29 Best selling author and spiritual pioneer Dr David R Hawkins offers insights into the illusory nature of existence and how to realize a state of higher consciousness In this new book derived from Dr David Hawkins s popular Way to God lecture series

he explores perception and illusion how the truth becomes distorted and ultimately the root of consciousness In Part One Dr Hawkins explains how the ego functions in society and that the world out there is a projection of what is within us He confirms that everything is happening on its own and everything is perfect right now He also discusses quantum mechanics and how what you hold in mind tends to manifest In addition he talks about why people don't change even after hearing spiritual truths and how to alleviate this problem In Part Two Dr Hawkins discusses the time honored tradition of meditation which he informs us is our natural state Instead of covering the numerous styles of meditation he delves into the essence of the meditation process itself He talks about how we can obtain the benefits of meditation without going through formal renunciation Dr Hawkins explains two valuable ways of meditating which he experienced himself He also tells us of the various ways to transcend the mind to become aware of the presence of God *Truth Seeker* ,1925 **Illuminati Bible of Divine Light** Sorin Cerin, The present book entitled the Illuminati Bible of Divine Light is a work of philosophy that deepens both ontological and gnoseological themes regarding the Existence of God and implicitly ours I have said many times so far that philosophy is the religion of the future At the base of the Illuminati Bible of Divine Light is the philosophical religious system called Coaxialism published in its final form in the book entitled Coaxialism Final Edition but also the Collection of Wisdom consisting of 16 777 aphorisms structured according to certain themes published in its final form in the book entitled The Wisdom Collection 16 777 Philosophical Aphorisms 2020 Edition The God of the Illuminati Bible of Divine Light is not a dictatorial God who demands total submission from Man so that Man can benefit from a Paradise after Death but is a God of Man's rediscovery in his own Self The God of this World is the Creator Factor and Unique Incidentally who is defined through a Meaning that forms a Word In the Parallel Universes there are an infinity of Creator Factors and Unique Incidentally where each one in part is a Meaning that in turn determines a Word in the respective Universe Word from which the respective Universe was formed as well as our Universe in turn was formed from the Word of our own Creator Factor and Unique Incidentally The totality of the Creator Factors and Unique Incidentally that is the totality of the Meanings which determine in their turn each in part a Word from the Universal Pure Language which in its totality determines the Consciousness Unique and Incidentally of the Universal Unique Expression which is the Supreme God the Supreme Intelligence of all Universes whose number is infinite as is infinite and the number of the Words defined in turn each in part by the Creator Factors and Unique Incidentally The Unique Incidentally Consciousness of the Universal Unique Expression always KNOWS where it is and what namely it does each atom in part each elementary particle in part from each Universe which in turn together with all the other Universes makes up the infinity of Universes I have always said that we are from before us that is we are a reflection of what was and from here comes the Destiny that cannot be changed and the Free Will is an Illusion from the great range of the Illusions of Life Everything that will Happen in our Future has Happened and has been in our Past before it was Time Thus the spiritual Energy of our Soul is allowed to pass through the Happenings that the Illusion of our

own Life renders to us as being something new even though they were long before us We are a quantum of energy which flows through a reflection of the World that was before Time a World through whose reflection we flow in the so called Present with our own spiritual energies of the Soul having the false sensation of Time Past Present and Future From this flowing of ours through the reflection of that World in the Mirror of Knowledge we have the feeling that we are living our own Life even though in reality we are living our own Illusion of Life In conclusion we are only a quantum of energy which flows through the reflected images of the World that was somewhere sometime from before Time As those images of the World in whose reflection we have the Illusion that we live cannot be changed so neither our Destiny cannot be changed because it flows once with the spiritual energies of our Souls through the images of that World which cannot be changed by us because that World was before us Thus precisely the Illusion of Life that gives us the so called Free Will he which in reality does not exist she the Illusion of Life is the one that can help us to improve or worsen the spiritual energy of our Soul Hence results the necessity of the Illusion of Life in this World Thus once we travel through this World with Happenings that were long Before we believed that it Happens accompanied by the Illusion of Life that makes us believe in the existence of Free Will we go through all sorts of Trials that are the spiritual relief forms of this World which is a reflection of what was somewhere sometime and from here comes the ineffable Destiny Destiny is ineffable because it cannot be changed because neither the World through whose reflection we pass can never be changed Thus the religions that have developed in this World did not appear Incidentally but they existed in the Initial World that was reflected in the Mirror of our Knowledge a World that was long Before us In that World was also Jesus Christ and the other Great Prophets such as the Prophet Muhammad the Buddha Moses etc What Happened on Earth that is in our World was that some Souls who were so spiritually perfect had the approval of God to travel through this World in the bodies of these Great Prophets just as each of us have the acceptance of God to travel through this World in our own bodies which are some vehicles that take us from the destination of Birth to the destination of Death These vehicles which are our bodies they too are in turn a reflection of a World that was long Before us Due to these things every Man is born under the specter of a certain Religion which has been left so by God through Destiny to Happen The appearance of the Great Prophets was due to the Destiny Jesus Christ did not appear from Nothingness Incidentally in our World but was left namely to Happen in this way by God because God is the one who let the Mirror of Knowledge through which we to can become Aware of this World That s exactly why every Man is good to follow the Religion existing in the area where he was born and to respect the Religions of other People born in other areas where there are other kinds of Religions until these will be replaced or not by other Religions or philosophical and religious systems with the Will of God that is on the understanding of some in a natural way and not forced by anyone Even Atheism is in itself a Religion precisely through the fact that it is based on a certain Faith where God is represented through the Laws of the Universe It has been speculated about me that in the book The Evil I do not make a clear distinction between the Evil

necessary for the existence of Good and the Devil Evil is necessary for the existence of Good just as Good is necessary for the existence of Evil Evil can often be a far greater Good than Good and vice versa Good can sometimes be a far greater Evil than Evil Instead with what I do not agree and can really be considered an Evil that can be Devilish is for example Wickedness About wickedness I have developed an entire chapter in the book entitled The Far Future of Mankind Philosophical Aphorisms the Chapter of Wickedness aphorisms 1 227 a book which in turn is part of The Wisdom Collection 16 777 Philosophical Aphorisms which in turn is part from this book entitled The Illuminati Bible of Divine Light Thus Wickedness is something demonic which must be combated because the Evil it brings does not serve the Good than in a much lesser extent than the Good could serve the Evil from this Wickedness If we are to attribute Wickedness to the Devil then we must certainly avoid him as much as we can In conclusion Evil and Good are the attributes of God when Evil can help the Good and of the Devil when Evil can not help the Good than an even greater Evil There is all sorts of speculation concerning the fact that I would have stated in Coaxialism that Man thinks only with a tiny percentage of the brain I even said that Man does not think than with 2 percent from his brain I stated this in the context in which I wanted to express that only a tiny percentage of the cognitive total we use would have any connection with the Absolute Truth through this interweaving of Illusions of the Life through which we travel during our own Life In reality I think that that two percent percentage is very high and in reality it would not be not even that much And the brain in turn is also an Illusion from the arsenal of the Illusions of Life so the so called ability of the human brain to process data is an Illusion as great as our own Illusion of Life is It is irrelevant whether or not Man uses his entire brain in the thought process once his entire thought process is subjected to the Illusion of Life and due to this fact the Man s thinking is not anchored by even two percent to the Absolute Truth With the appearance of my first philosophical studies but also of aphorisms I initially published the book entitled Bible of the Light and then a more complete form of the book Bible of the Light was the book entitled The Illuminati Bible so that in present to publish the full form of the Bible which I felt that it will be perfected with the help of God and which I decided to call the Illuminati Bible of Divine Light Some will wonder why I chose this name of The Illuminati Bible starting with that book published in 2014 the content of which is also in this book called the Illuminati Bible of Divine Light which in turn contains many other parts Simple Firstly because I wanted to help in Good the Karma of this World because Illuminati and Enlightenment are spoken of in negative terms and secondly because Illuminati comes from Enlightenment and true Enlightenment cannot bring the Evil nor can it be the Evil vile True Enlightenment must be based only on Good and never on bringing the Evil as the supreme Wickedness Therefore in order to improve the Karma of Mankind I show that Enlightenment does not consist in Wickedness but in combating Wickedness The enlightened ones cannot be a hidden group of people who lead humanity out of the shadows committing all sorts of evils and abuses to maintain power These people are by no means Enlightened but Dark If there really are some in such a situation then they use the term Illuminati or Enlightened falsely How just as Dark are those

who dirtyly attack on the true Illuminati or Enlightened only out of obscure interests of a religious nature for fear that the Enlightened ones might open the souls of the People and show them the Way to the Truth from which some high prelates that are at the head of certain churches flee who are afraid that if the Truth would be found they will lose both their financial and their decision making power I believe that the future will belong to those truly Enlightened the true Illuminati A thing is to use Evil to bring through it Good and another is to use Evil to bring through it the Wickedness The true Enlightened and not Dark are those who understand that the Evil can only be used for Good when he can do it and the Good only for the Evil less Evil when the Good itself can lead to destruction disaster or pain The real Bad People the Dark Ones are the ones who use both Good and Evil to do as much as possible Evil and not Good Mankind must understand that the Evil and Good the God and the Devil are an Entity with two distinct characteristics an Entity that defines our True God that is our Creator Factor and Unique Incidentally Therefore in order to improve the Karma of this World we will have to pray to the Universal Consciousness formed by the Universal Pure Language That is to pray to the Divine Light of all the Worlds the Supreme God of Intelligence which to inspire our thoughts so that to use in moderation both Good and Evil for the ultimate purpose of doing and bringing through us as much as possible Good Why didn t I let in continuation the name of the Illuminati Bible and to this new much deeper work of the Bible and call it the Illuminati Bible of Divine Light Because compared to the other book called the Illuminati Bible the Illuminati Bible of Divine Light contains in addition to the content of that book many other new chapters that appeared with the new Wisdom Collections or with the final form of the Coaxialism In the last edition of the Wisdom Collection I published six other new books of philosophical aphorisms bringing the Collection of Wisdom to a total of 16 777 philosophical aphorisms The last books refer to topics such as those related to Justice to the World after Death to the philosophy of Artificial Intelligence to the far Future of Mankind etc All this highlights not only a Bible with concepts like the one I called the Illuminati Bible but also one that fully reflects my thinking and faith as a whole which is based on my philosophical religious system called Coaxialism and therefore the book could not be called otherwise than the Illuminati Bible of Divine Light Especially since in this book entitled the Illuminati Bible of Divine Light there is also the final form of my philosophical religious system called Coaxialism where I refer to Transcendental Coaxiological Mathematics but also to Mathematical Psychology I am convinced that philosophy Coaxialism will become part of the Religion of the Future a Religion whose churches will be the souls of the People Yes I want that the soul of every Man to be a Temple of worship Enlightened by the Divine Light of Absolute Truth whose Thought is reflected by the Universal Consciousness of the Universal Pure Language A Language whose Words are infinite and of all these Words one of them is our God that is our Creator Factor and Unique Incidentally who gave birth to this World Sorin Cerin July 7 2021 *Praying Dangerously* Regina Ryan,2012-07-23 Praying Dangerously instructs us that we can grow up spiritually leaving behind a childish relationship to prayer as a superstitious ritual or mere plea for favors It encourages readers to recognize the difference between prayer that asks only

for reassurance and prayer that asks for the Ultimate and stands for transformation We can cease being victims of God's Will while at the same time embracing genuine surrender and reliance on the irrefutable power of love says author and retreat leader Regina Sara Ryan Readers of the first edition published in 2001 were enthusiastic in their praise calling it a brave and useful book Prayer groups and church congregations around the U S have used it for study and it has been translated into Dutch German and French And the message of the book is more relevant now than it was 10 years ago The insecurities of our times draw us inward or back to our churches In prayer groups and retreats of all kinds we are looking for comfort and consolation for spiritual direction or for answers to the eternal questions that have always challenged humanity This book is a valued contribution in that search This 10th anniversary edition is fully revised with several completely new chapters including The High Cost of Forgiveness a subject that challenges everyone and Praying on the Subway about how our generally busy and often chaotic lives can provide us with a constant impetus for blessing others The Truth Seeker ,1928

Hite,2013-03-27 This is a book of history ethics and philosophy It is a record of teachings passed down through the generations from the East and the West It contains the fullness of the sealed covenant established between man and the laws of the universe As we evolve as a race we take things out of our lives because we better understand who we are and what we have achieved The divine refers to the laws of nature and the universe that guide us in our everyday lives The creator that guides our everyday lives is not something that we should worship or pray to out of fear or love it is something that remains unseen and works in natural forces to explain all the events that happen on Earth It is merely a force and it is not necessary to belong to a group to experience the light The path to the light is straight and broad The creator of the universe is a divine and intellectual force by which all things came into being

The sealed covenant is a pact between all of humanity to the world around us and the universal laws that guide our everyday lives to come together and love one another and come to make the world a better place for all people This shall usher in the evolution of religious traditions and humanity to a new age of prosperity *Life Understood from a Scientific and Religious Point of View* Frederick Lawrence Rawson,1920 Experiencing Joy Allyson Tomkins,2007 Jesus promises a type of joy that no one and nothing else can provide His joy is full and complete His joy is unspeakable His joy is powerful when it is paired with His ability to heal us and make us a whole His joy lasts forever and no one can take it from you As you enter into the wholehearted joy of the Master He takes great pleasure in healing life s deepest hurts replacing lies with the truth and restoring relationships that are broken especially to Himself He is the only true life giving joy and it is available to you now even in your darkest moments Each page of *Experiencing Joy* leads you through the journey of unblocking everything which stops you from reaching out and grabbing what is yours to have and to hold It is no coincidence that as God perfects and completes you your joy is made perfect Join those who have discovered that giving God joy is the greatest purpose of life But first you must make a choice do you want to please God Then you are ready to enter into the joy of the Lord His joy lasts forever and no one can take it from you Deprogramming The Church , Homiletic Review ,1888 Aliran Monthly ,1990 Gayatri R.
