Soul Enticed II: More Essays in Unlearning Jack Suss, 2019-03-08 With More Essays in Unlearning readers tour the abyss of our socio cultural unmaking Unmask yourself accept that the world is a lie Only then might you begin to climb out of your rut oh well rutted friend Bro Jack O4B is the tour guide Though he morphs into Harland for some few essays he gets his Rev Gumpus voice back toward the end of the book Yes we find that even our tour guide is a clone prose narrator afloat among images snagged from the web And his weird task ministry Catholic yet adrift at times perilously stupefied resiliently carries his Soul Enticed message onward *Truth Decay* Kavanagh, Michael D. Rich, 2018-01-16 Truth Decay refers to a diminishing reliance on facts and analysis observed in contemporary U S society and especially its political discourse This report explores the causes and effects of Truth Decay and proposes strategies for further action *The Love of Wisdom* Steven B. Cowan, James Spiegel, 2009 This Christian based introduction to philosophy textbook is all the more appealing to its student audience for including humor and popular culture illustrations to teach important concepts *The Magic of Truth* Farah Dally, 2014-11-10 Questions of truth have occupied philosophers scientists and theologians throughout human history What is truth Does it exist How do we define truth Who determines what is true and what is not The Magic of Truth defends the relativity of truth by examining its role in literature the arts and science as well as in our own lives and traditions The product of intensive research on the idea of truth and the secret meaning it holds Farah Dally argues that no field of study can progress without calling into question the traditional view of truth as a clear objective image *Engaging Deconstructive Theology* Ronald T. Michener, 2016-04-29 Engaging Deconstructive Theology presents an evangelical approach for theological conversation with postmodern thinkers Themes are considered from Derrida Foucault Mark C Taylor Rorty and Cupitt developing dialogue from an open minded evangelical perspective Ron Michener draws upon insights from radical postmodern thought and seeks to advance an apologetic approach to the Christian faith that acknowledges a mosaic of human sources including experience literature and the imagination *Principles of the Law of Evidence and Rationality Applied in the Johannine Christology* Henry Hock Guan Teh, 2016-02-10 Those who give primacy to evidence in the apologetic task have long maintained that 1 this is exactly the biblical writers approach maintaining as they do that they saw and heard the things of which they speak and 2 such reasoning is fundamental to society in general as exemplified in every civilised legal system Henry Hock Guan Teh concretises these vital points by way of the Gospel of John where the Apostle consistently marshals eyewitness evidence to show that Jesus is the Christ the Son of God and that believing you might have life through His name John 20 31 No finer or more scholarly support for a biblically grounded factual juridically sophisticated defence of Christian truth is available Professional and lay evangelists and anyone endeavouring to preach the gospel to every creature simply must obtain and be nefit from this book And sceptical lawyers needless to say owe it to themselves to wrestle with the author s case for the only historical religion that holds up in court John Warwick Montgomery
