Why We Need to Re-Educate
—Renowned Poet, Writer
—Editor, *Granta*, *Grain*, *Gravel*
—*Granta* — The magazine continues
to feature new writers around the
world, including such luminaries
as James Joyce, E. E. Cummings, William
S. Burroughs, and the great American
novelists, poets, and dramatists.

A. David L. Smith, assistant dean for public institutions, Windsor University, Vermont, and William J. Bennett, director, Council on National Policy, University of Virginia, discuss the importance of the military commitment of American youth to "civilians." See page 10.

These rules and their amendments concerning small (2000-500) and medium (500-1000) size companies, which are the subject of the bill, will be discussed in the next column.

"When faced with a choice, we must choose," Reagan said. "We have two very basic and straightforward choices before us. We can choose to support Soviet satellites, or we can choose to support freedom."

While immigrants tend to be concentrated in the big cities, the American and Latin American governments generally encourage immigrants to settle in the rural areas, according to the Food and Agriculture Organization.

Then, United Nations says it previously led the migration of 100,000 people from the cities to the rural areas in 1965, and estimated that 200,000 more will be moved in the next five years.

The countries have had some success in getting their rural areas to absorb the immigrants, but the cities are still growing faster than the rural areas.

Meanwhile, the United Nations says that the big cities are becoming more and more crowded, and the governments are trying to get the immigrants to settle in the rural areas, but the cities are still growing faster than the rural areas.

Practical management tools specifically designed to help business executives make intelligent decisions about their companies' environmental impact. The book is divided into two parts: the first part covers the environmental issues that business executives need to know about, and the second part covers the environmental issues that business executives need to know about.
