The Great Exchange Clarice Witherspoon,2021-06-15 The Great Exchange Being Restored Better Than Before Life can result in unresolved issues unanswered questions and overwhelming emotions can cause one to feel justified in releasing bitter actions towards life however regardless of the justification whatever we plant and water in ground of this life shall be our reaping therefore taking deep self examinations are necessary to ensure our reaping season is that of better and not bitter what so ever is sown shall be reaped The choice is yours In the year of 2014 while focused on achieving the life I had dreamed of midstream with no warning my life was drastically altered I traveled to London in August turned fifty in October by the fourth quarter of the year all my children were grown and gone and before the celebration could start I blinked and I was a widow before the end of the same year This sudden alteration was certainly not a part of my life plans nor anything I had dream about or hope for yet a reality that I had to embrace As I begin dealing with the Aftermath and sorting through the debris of destruction left behind I knew to live in this place would choke the life out of me therefore I begin to pick up the broken pieces and create life after yet another life changing storm
