Turn Back The Battle Isaiah Speaks To Christians Today:

Turn Back the Battle Elizabeth Kendal, 2012 How are Christians to respond to suffering and persecution in a climate of growing geopolitical insecurity In the latter part of the 8th century BC when Judah was twice invaded and under existential threat God commissioned a lone prophetic voice to speak his words into a politically charged military crisis In Isaiah 1 39 God has provided spiritual resources and a historic precedent to help us respond rightly when under siege In these days as Christians world wide face escalating persecution and existential threat it is time to hear the message of Isaiah Elizabeth Kendal is a leading religious freedom analyst and prayer advocate on behalf of the persecuted church Turn Back the Battle draws on her long familiarity with global trends in religious persecution It has been forged out of a passionate interest in how Christians respond to persecution and all forms of suffering

After Saturday Comes Sunday Elizabeth Natalie Kendal, 2016-06-08 The post Christian West is in decline revived Islam is on the rise and Mesopotamia Syria Iraq the cradle of civilization has become ground zero in a battle for civilization Despised as infidels unbelievers and kafir unclean Mesopotamia s indigenous Christian peoples are targeted by fundamentalist Muslims and jihadists for subjugation exploitation and elimination Pushed deep into the fog of war buried under a mountain of propaganda and rendered invisible by a shroud of silence they are betrayed and abandoned by the West s progressive political academic and media elites who cling to utopian fantasies about Islam while nurturing deep seated hostility towards Christianity If they are to survive as a people in their historic homeland the Christians of Mesopotamia will need all the help they can get If Western civilization is to survive as a force in its historic heartland Europe then we had better start seeing hearing and believing the Christians of the Middle East for their plight prefigures our own

Changing Ourselves Kent Hodge, 2013 Kent Hodge draws on nearly 30 years experience in Missions and church growth in this radical new book about how to live like Jesus both in times of persecution and in an indifferent Western world of moral decay It s radical because it s so simple We don t belong in camps and we do need to cross bridges In fact we need to build the bridges between the camps of differing opinion and practice in the church to search out again the simple truths that Jesus lived before the recorders of the Gospels Did Jesus really mean what he said in the Sermon on the Mount How do we do that In Northern Nigeria where the church has suffered bombings burnings midnight attacks on the homes of Christians only a return to the simple gospel has shown us how to respond The chapters of this book are illustrated with life stories the stories and experiences of friends and co workers living and overcoming in tough times It s simple and it makes sense but is incredibly challenging When you read what Jesus said in the Gospels you don t get the impression that faith is some kind of escape clause to heaven This book studies anew how the church goes about renewing the world
