and Yvette's Mississauga house They find a hole cut in the bedroom mattress and blood residue around it Yvette's blood And her blood on the TV And in the trunk of Mohan's car They believe he drove her body to the country field outside Hamilton and dumped her A manhunt ensues and Mohan is taken into custody but he denies it all and points suspicion at a man he claims Yvette had an affair with whose nickname is Happy This CSI style story is wrapped up in court with a surprising revelation from a jail cell There was justice at last for Yvette Budram *Jon Wells Three-Book Bundle* Jon Wells,2014-06-24

From one of Canada's most respected crime journalists come three shocking stories of true crime A man rages in his home on April 4 1999 breaking furniture and dishes A woman wants to leave him You're not going anywhere he tells her Later that day a police officer reports to the house and finds human tissue and organs in a bag left out for garbage The person of interest in the case is a steelworker named Sam Pirrera who lives in the house But who is the victim Following an investigation led by veteran homicide detective Peter Abi Rashed who had once chased a young Sam Pirrera on the streets of Hamilton's east end many years before Vanished takes us behind the scenes of a grisly real life case and its shocking outcome A true Canadian story of terror from Steeltown to India Poison opens with a beautiful Indian Canadian woman collapsing in front of her family and dying an agonizing death Police are not called to the scene and a renowned forensic pathologist is stumped over the cause of Parvesh Dhillon's demise But soon another gruesome death strikes the Indian community in Hamilton this time a young man the cause again a mystery The beneficiary of the life insurance policy is a close friend named Sukhwinder Dhillon a native of the Punjab in India and the same man who received payout for the death of his wife Parvesh While James Kopp was ultimately convicted of the 1998 murder of Dr Barnett Slepian in Buffalo New York it was the shooting in Canada three years earlier of another abortion doctor that brought the then unknown Kopp instant notoriety as a criminal suspect Part detective story part psychological drama Sniper tells the fascinating often harrowing story of how the Canadian police and FBI eventually caught Kopp after an intense three year international search **The Publishers Weekly** ,2001 **TV Guide** ,2001 **The Spectator** ,1952 A weekly review of politics literature theology and art **The Illustrated London News** ,1982 **Runaway Groom** Ron Peterson,2025-11-04 A father seeks answers in the thirty year old missing persons case of his son who disappeared two days before his wedding Good hearted country boy Petie Miller vanishes without a trace two days before his wedding in Virginia's Shenandoah Valley in 1983 Some speculate it's a case of cold feet but investigators suspect cold blooded murder The bride's stepfather a violent career criminal named Charlie Almond is the prime suspect Circumstantial evidence suggests that Almond killed Miller and successfully disposed of the body But with no witnesses no forensic evidence and no body Almond is allowed to walk free Meanwhile Miller's father never stops seeking answers about what happened to his son For three decades he tirelessly pushes the investigation forward imploring the authorities to keep his son's case file open Finally thirty two years later in 2015 new witnesses emerge and Almond now an octogenarian is charged with first degree murder Chances of a guilty verdict seem slim but special

prosecutor Phil Figura known in courtrooms as the Dragonslayer is determined to bring justice Can Figura win a conviction in the oldest coldest no body murder trial in United States history Bestselling true crime author Ron Peterson Jr was provided exclusive access to the police case file to research this compelling story He interviewed over fifty sources including family members of both Petie Miller and Charlie Almond and worked closely with prosecutor Phil Figura and lead investigator Aaron LeVeck to chronicle the incredible true events in this book In a case where justice seems impossible could the truth finally prevail or will a killer once again slip away
