Vatican II A Promise Broken:

Vatican II -- A Promise Broken? Joseph Dillon, Edward Jeep, 2010-09-18 This book is a theological reflection in two parts by Joseph Dillon and Edward Jeep which examines the development of two Oklahoma parishes during the time of renewal and experimentation in the Catholic Church following the close of the Second Vatican Council. The parishes flourished during the pastorate of Rev William Skeeahan whose inspiration was drawn from the documents and spirit of the Council and was based on vision and leadership shared among parish members.

Broken Promises Finbarr M. Corr Ed D., Finbarr M. Corr, 2012 To understand trends in the Roman Catholic Church since Vatican Council II 1962-1965 Finbarr Corr's new book *Broken Promises* is required reading. With his skill as an Irish storyteller that was vividly evident in his prior books, Corr, a former priest, constructs an important new window on what he describes as the Church's third major crisis since Jesus Christ established it on Simon Peter, the Rock. Drawing on decades of vital experience as a crusading priest, innovative family therapist, and provocative educator, author Dr. Corr asks if the Church can survive its failure to follow through on the dictates of Vatican Council II which was initiated by Pope John XXIII to open up the windows of the church and let in some fresh air. Dr. Corr provides a fresh look at the fifty years since Vatican II and presents a rich study of the Church's relationship to the modern world. *Broken Promises* provides new insights into this challenging topic. Catholic Doctrines on the Jewish People After Vatican II Gavin D'Costa, 2019 This book addresses three controversial and timely questions related to Catholic Jewish dialogue: Jewish ritual, Catholic Zionism, and mission. [Vatican II](#) Matthew L. Lamb, Matthew Levering, 2008-04-30 In *Vatican II: Renewal Within Tradition*, an international team of theologians challenges the standard view of the Council as causing a rupture with earlier Catholic teaching. Examining each document issued, they argue that the Council was indeed putting forth a vision for the future of the Church, but that vision was grounded in two millennia of tradition. Taken together, these essays demonstrate that Vatican II's documents are a development from an established antecedent in the Roman Catholic Church. Each chapter contextualizes Vatican II teachings within that rich tradition.

The Vatican and the Red Flag Jonathan Luxmoore, Jolanta Babiuch, 2000-01-01 This work tells the story of the Catholic Church's confrontation with communism from the French Revolution onwards, but with particular emphasis on the post-war period. It sets out new evidence of how successive Popes unwittingly helped communism expand. Interwoven with this narrative is the life story of Karol Wojtyla, who as Pope John Paul II is the first Eastern European Pope to sit on the throne of Peter.

The Challenges of Vatican II for an Authentic Indian Catholic Church Suhas Pereira, 2021 The Vatican II was an event of a new facelift for the entire edifice of the Catholic ecclesiology.
