be discussing some subject with great earnestness For convenience sake we have said hitherto two gentlemen One of the parties however when critically examined did not seem strictly speaking to come under the species He was a short thick set man with coarse commonplace features and that swaggering air of pretension which marks a low man who is trying to elbow his way upward in the world He was much over dressed in a gaudy vest of many colors a blue neckerchief bedropped gayly with yellow spots and arranged with a flaunting tie quite in keeping with the general air of the man His hands large and coarse were plentifully bedecked with rings and he wore a heavy gold watch chain with a bundle of seals of portentous size and a great variety of colors attached to it which in the ardor of conversation he was in the habit of flourishing and jingling with evident satisfaction His conversation was in free and easy defiance of Murray s Grammar and was garnished at convenient intervals with various profane expressions which not even the desire to be graphic in our account shall induce us to transcribe His companion Mr Shelby had the appearance of a gentleman and the arrangements of the house and the general air of the housekeeping indicated easy and even opulent circumstances As we before stated the two were in the midst of an earnest conversation That is the way I should arrange the matter said Mr Shelby I can t make trade that way I positively can t Mr Shelby said the other holding up a glass of wine between his eye and the light Why the fact is Haley Tom is an uncommon fellow he is certainly worth that sum anywhere steady honest capable manages my whole farm like a clock You mean honest as niggers go said Haley helping himself to a glass of brandy No I mean really Tom is a good steady sensible pious fellow He got religion at a camp meeting four years ago and I believe he really did get it I ve trusted him since then with everything I have money house horses and let him come and go round the country and I always found him true and square in everything Some folks don t believe there is pious niggers Shelby said Haley with a candid flourish of his hand but I do I had a fellow now in this yer last lot I took to Orleans t was as good as a meetin now really to hear that critter pray and he was quite gentle and quiet like He fetched me a good sum too for I bought him cheap of a man that was bliged to sell out so I realized six hundred on him Yes I consider religion a valeyable thing in a nigger when it s the genuine article and no mistake Well Tom s got the real article if ever a fellow had rejoined the other Why last fall I let him go to Cincinnati alone to do business for me and bring home five hundred dollars Tom says I to him I trust you because I think you re a Christian I know you wouldn t cheat Tom comes back sure enough I knew he would Some low fellows they say said to him Tom why don t you make tracks for Canada Ah master trusted me and I couldn t they told me about it I am sorry to part with Tom I must say You ought to let him cover the whole balance of the debt and you would Haley if you had any conscience Well I ve got just as much conscience as any man in business can afford to keep just a little you know to swear by as t were said the trader jocularly and then I m ready to do anything in reason to blige friends but this yer you see is a leetle too hard on a fellow a leetle too hard The trader sighed contemplatively and poured out some more brandy
