

Your Best Self: Touched by God

Eleven Steps to Inner Strength through His Personal Touch

God can accomplish more in us with one single, finger-tip touch, one singular moment of an encounter in spirit than in thirty years of self-discipline and striving. Just one touch, one tiny tap of His fingertip can close out the world and usher heaven into the soul.

Your Best Self Touched By God:

Touching God Peter Kevern, 2025-05-27 The dread of dementia has a unique hold over us because dementia seems to eat away at what makes us human If we lose our capacity to remember to think to act and even to speak what is left of us And where is the God who promised to be with us These are profound theological questions that go beyond a need for better pastoral care or more welcoming churches they hold up a mirror to what we really believe about human beings about God and about dementia itself The purpose of this book is to explore what these questions have to teach us by reflecting theologically on the faith journey of people who live with dementia It is a personal theological pilgrimage digging down into the theological meaning of dementia itself looking for hidden pearls of insight But it is also an attempt to look past the details to see the big picture of God's grace and faithfulness embodied in the person and life of the crucified and risen Christ It will speak not just to people who are challenged or troubled by dementia but to anybody seeking to grapple with their faith in challenging times

Glimpses of God Cookie Magee, DMin, 2023-04-24 Glimpses of God are opportunities to recognize with greater clarity the presence of God in the various places people events circumstances objects and languages of our daily life I offer them to you as an opportunity to reflect on how much God is a part of your life and how He has chosen to be in relationship with you how you have chosen to be in relationship with Him and how through this relationship you become one of His greatest Glimpses They are glimpses because we can miss them if we are not paying attention If we open our heart to His love our ears to hear his gentle whisper our eyes to see His light our hands to feel His hand in ours and our feet to walk with Him then we are growing in our relationship with our God and exuding His presence in a clear and vibrant way I believe that it is in and through this relationship that we are able to recognize His invitation to be a Glimpse to others on our life I believe it is then that we see more clearly His presence within ourselves As we recognize His
