The Abrahamic Religions Hamma Mirwaisi, 2020-04-29 Can you disprove me that Lord Krishna Enslaved the Black African of Egypt To understand the origin of the Hidden Secrets of the Judaism Religions please read this description with open mind I did spend 12 years to find out truth about my finding in my books I always was wondering why the members of the Christian religions in Europe later America and Australia were guided to study Egyptian civilization instead of the Caucasian Civilization Indeed I found out who is behind that guidance The descendant of Lord Krishna helped the Roman Empire ruler to create this new Christian religion in the name of Jesus Christ after three hundred years of his death First they changed Jesus Christ original teaching and then made him be loyal to the Old Testament Hebrew Bible while in his life did not believe it We are told he throw away the old testament how can the members of the new Christian religion believes that the old testament is the source or references to their Christian religious Bible Here is what I found about Lord Krishna Lord Krishna and The Establishment of the Egyptian Empire Lord Krishna and his brother Balarama s stories are the keys to understand Hebrew Jewish and Greek people past It is clear from ancient document left in India that the Pandavas brother win Kurukshetra war and chased Lord Krishna and his brother Lord Balarama with their supporters and Kauravas army survivors out of today India and Pakistan to today Israel and Greek Island According to the open sources with listed references During its long history Jerusalem has been attacked 52 times captured and recaptured 44 times besieged 23 times and destroyed twice The oldest part of the city was settled in the 4th millennium BC or BCE making Jerusalem one of the oldest cities in the world Note The Temple of Yerushal yim Jerusalem is built by Lord Krishna in 3100 BCE and Caucasian people lived on the land thousands of years on the land before his arrival Archaeological evidence suggests that the first settlement was established near Gihon Spring between 4500 3500 BCE The first known mention of the city was in c 2000 BCE in the Middle Kingdom Egyptian Execration Texts in which he was recorded as Rusalimum The root S L M in the name is thought to refer to either peace compare with modern Salam or Shalom in modern Arabic and Hebrew or Shalim the god of dusk in the Canaanite religion Author note The Greek and Hebrew Jews scholars have been in control of histories and scientist or Archaeology in the last 2000 years They wrote every kind of misinformation to serve their ancient Deva religion domination of the world It is clear that Lord Krishna as the God of Deva religion did build the city of Jerusalem and used it as his headquarter to wage war against the Caucasian people as the members of the Aryan religion Kurukshetra armies under the leadership of the Pandavas brothers The Egyptian Empire 3100 525 BCE and the Early Dynastic Period of Egypt immediately followed the unification of Lower and Upper Egypt c 3100 BCE and was assumed to include the First and Second Dynasties lasting from the Protodynastic Period of Egypt until about 2686 BCE Egypt was never conquered until 525 BCE when Emperor Cambyses II of the Median Empire son of Cyrus the Great fulfilled his father s dream to assume control of Egypt because the Egyptian of black Africans under the leadership of Deva religion leaders namely the descendant of Lord

Krishna had waged war against the Caucasian people's Empires since its establishment. Egyptian led black African tribes conquered the Caucasian lands around 3000 BCE and established two colonies Canaan between the Red and Mediterranean Seas while the brother of Lord Krishna by name of Lord Balarama settled on Greek Island with his followers and which became the home base for the Egyptian Navy. Originally called Sea people the occupiers of these islands were later known as Greeks. The Greeks, Armenians, Assyrian, Chaldean, Syriac, Amorites, Babylonians, Hebrews and others adopted Aramaic language which is very close to the African Arabs language.

The American Villain Richard A. Hall, 2020-12-02. The American Villain Encyclopedia of Bad Guys in Comics Film and Television provides one go to reference for the study of the most popular and iconic villains in American popular culture. Since the 1980s pop culture has focused on what makes a villain a villain. The Joker, Darth Vader and Hannibal Lecter have all been placed under the microscope to get to the origins of their villainy. Additionally such bad guys as Angelus from Buffy the Vampire Slayer and Barnabas Collins from Dark Shadows have emphasized the desire for redemption in even the darkest of villains. Various incarnations of Lucifer Satan have even gone so far as to explore the very foundations of what we consider evil. The American Villain Encyclopedia of Bad Guys in Comics Film and Television seeks to collect all of those stories into one comprehensive volume. The volume opens with essays about villains in popular culture followed by 100 A-Z entries on the most notorious bad guys in film, comics and more. Sidebars highlight ancillary points of interest such as authors, creators and tropes that illuminate the motives of various villains. A glossary of key terms and a bibliography provide students with resources to continue their study of what makes the baddest among us so bad.

Re-Constructing the Man of Steel Martin Lund, 2016-11-17. In this book Martin Lund challenges contemporary claims about the original Superman's supposed Jewishness and offers a critical re-reading of the earliest Superman comics. Engaging in critical dialogue with extant writing on the subject, Lund argues that much of recent popular and scholarly writing on Superman as a Jewish character is a product of the ethnic revival rather than critical investigations of the past and as such does not stand up to historical scrutiny. In place of these readings, this book offers a new understanding of the Superman created by Jerry Siegel and Joe Shuster in the mid 1930s, presenting him as an authentically Jewish American character in his own time for good and ill. On the way to this conclusion, this book questions many popular claims about Superman, including that he is a golem, a Moses figure or has a Hebrew name. In place of such notions, Lund offers contextual readings of Superman as he first appeared, touching on among other ideas Jewish American affinities with the Roosevelt

White House the whitening effects of popular culture Jewish gender stereotypes and the struggles faced by Jewish Americans during the historical peak of American anti-Semitism In this book Lund makes a call to stem the diffusion of myth into accepted truth stressing the importance of contextualizing the Jewish heritage of the creators of Superman By critically taking into account historical understandings of Jewishness and the comics creative contexts this book challenges reigning assumptions about Superman and other superheroes cultural roles not only for the benefit of Jewish studies but for American Cultural and Comics studies as a whole

My Brother's Keeper Ari Harow, 2024-01-23 A useful aid to understanding today's headlines as well as Israel's recent past Kirkus Review *My Brother's Keeper* tells the behind-the-scenes story of how the American President and the Israeli Prime Minister clashed about peace war and the future of the region Barack Obama and Benjamin Netanyahu viewed the world and especially the Middle East differently The US president wanted to end what he saw as America's perpetual war against the Muslim and Arab worlds use diplomacy to bring about a Palestinian state coexisting peacefully with Israel and apply his signature foreign policy vision to reward the Islamic Republic of Iran in exchange for the scaling back of their nuclear pursuits The Israeli premier wanted his country to thrive without the senseless bloodshed of terror and violence and he was determined to protect the Jewish state from threats of annihilation by a member of the axis of evil that would one day be armed with nuclear weapons Netanyahu wanted peace for peace as well as the acceptance of Israel as a full-fledged part of the Middle East In 2014 during a pivotal summer of terrorist violence a war in Gaza and the advancement of a nuclear deal with Iran the two men clashed threatening the US-Israeli strategic alliance and the future of the region The Middle East would never be the same
