I'm Not Crazy... I'm Allergic Sherilyn Powers, 2015-07-16 I m not crazy I m allergic After a lifetime of dealing with what she was told was depression Julie found that her problem wasn't all mysterious and uncontrollable chemical reactions Medically identified sensitivities and or allergies to foods and environmental conditions seemed to have a strong correlation to the same emotional and mental states that she had experienced throughout the years as depression These were sometimes accompanied by so called typical allergy symptoms but in some cases those medically recognized symptoms were missing In desperation she reached out to family member and author Sherilyn Powers who had been exploring her own unusual reactions to foods and environment Together they explored the connection between allergies and depression enabling Julie to take control of her life after fifty years of helplessness This book is a journey of discovery and search for medical studies to help explain how every day things could be related to reactions like panic attacks depression uncontrollable crying brain fog body aches and pains and many more when the popularly accepted allergic sensitive reactions only include symptoms such as itchy eyes a runny nose and hives

Food Allergy and Gluten-Free Weight Loss Nicolette M. Dumke, 2011 Food Allergy and Gluten Free Weight Loss gives definitive answers to the question Why is it so hard to lose weight It is because we have missed or ignored the most important pieces in the puzzle of how our bodies determine whether to store or burn fat Those puzzle pieces are hormones such as insulin cortisol leptin and others Individuals with food allergies or gluten intolerance face additional weight loss challenges such as inflammation due to allergies or a diet too high in rice This book explains how to put your body chemistry and hormones to work for you rather than against you reduce inflammation which inhibits the action of your master weight control hormone leptin and flip your fat switch from store to burn It includes a flexible healthy eating plan that eliminates hunger promotes the burning of fat and reduces inflammation and tells how to customize the plan so it fits you your allergies or intolerances and your need for pleasure in what you eat Information about cooking for special diets 175 recipes a list of sources for special foods and extensive appendix and reference sections are also included
