Critical Multicultural Education Christine E. Sleeter, 2024 This volume collects Christine Sleeter s core work focusing on critical multicultural education situating culture and identity within an analysis of power and racism Multicultural education arose in the context of the Civil Rights Movement and in its inception shared with that movement a focus on eradicating both interpersonal and systemic racism The problem this book takes up is that over time many people have come to understand and enact multicultural education in ways that evade grappling directly with racism This dilution has happened for several reasons including White teachers rearticulations of multicultural education as getting along or learning to be colorblind and neoliberal reforms that have reduced it to a celebration of cultural diversity while maintaining silence about racism This volume includes ten of Sleeter s articles that explicitly locate multicultural education within critical understandings of race racism and colonialism offering both theoretical and practical discussions of what that means A deeply researched contextualized and nuanced account of multicultural education H Richard Milner IV Vanderbilt University This beautiful and

intersectional volume needs to be required reading in every school of education Robin DiAngelo coauthor of *Is Everyone Really Equal* This book is an important intervention on the side of racial justice in education Wayne Au editor *Rethinking Schools* [Educational Research and Innovation Teaching as a Knowledge Profession Studying Pedagogical Knowledge across Education Systems](#) OECD,2021-10-14 What knowledge do teachers need for 21st century teaching Today teachers have an important role in guiding and shaping students use of digital tools and optimising the educational benefits of their digital experiences

Handbook of Research on Socio-Cultural and Linguistic Perspectives on Language and Literacy Development Salmon, Angela K.,Clavijo-Olarte, Amparo,2022-10-07 The teacher's role is to create opportunities that intrinsically motivate children to externalize their thoughts Human beings have multiple means of expression this is powerful when children have the opportunity to have a real voice The realities of children's experiences in their local communities are powerful resources for the language curriculum and help to create an understanding of the value the languages and cultures of children and teachers bring from a multicultural perspective Thus teachers can help children develop their cultural and linguistic identities to promote multiculturalism multilingualism and translingualism so they can thrive in a complex and changing world The Handbook of Research on Socio Cultural and Linguistic Perspectives on Language and Literacy Development approaches language and literacy development from a socio cultural and linguistic perspective This book offers global perspectives on language and literacy from international experts working with both children and educators It offers readers a diversity of voices and experiences of professionals in the field that can inform their teaching and research Covering topics such as critical literacy emotional engagement and multilingual resources this major reference work is an indispensable resource for administrators and educators of both K 12 and higher education pre service teachers teacher educators biblio therapists librarians researchers and academicians
