Undermining The Gospel:

Undermining the Gospel Ronnie W. Considerations Upon Christian Truths and Christian Duties, Digested Into Meditations for Every Day in the Year Richard Challoner, 1874

Logizomai Kyle McDanell, 2010-10-14 Logizomai is the Greek word meaning to reckon or to reason The Apostle John identifies Jesus as the Logos John 1:14 the Divine Word To most Christians in the West today Christianity is nothing more than a duty a feeling a name badge or something one does on Sunday's But Christianity is more than that Christianity is a complete worldview that makes sense of the world A right theology results in a right understanding of the world and the gospel is that right theology The Church is sick because she is shallow What we need is a logizomai faith a reasonable faith Such a reasonable faith encounters hardships with perseverance animosity with love and evangelism with Spirit filled skill Most refuse to share their faith because they don't understand it and are unable to articulate it If Christianity is logizomai then the issues we face today present no real challenge We must therefore learn to apply the truths of the gospel to our dying hurting world To do so we must have reason rooted in the gospel and inspired by the cross

Unity in the Faith Bradford Mark Rosenquist Ph.D., 2018-07-31

Churches all over the world work to spread the gospel of Christ but this work is done in many different ways by many different denominations Jesus and Paul were quite clear that the church of God was to be in total unity especially with regard to the teachings of the gospel So how do we bring the many denominations into a unity that will enhance a genuine team effort to present the true gospel to the world In *Unity in the Faith* author Bradford Mark Rosenquist shows why church unity across all denominations is an absolutely necessary work that must be accomplished for gospel success First outlining what church unity is and what has been a historical obstacle to this unity Rosenquist goes on to show how integral unity is to the gospel message of Christ In the end *Unity in the Faith* provides both an analysis of unity as well as a roadmap that Christians and church leaders can use to promote true unity in their congregations It takes a cooperative effort to reach the world with the truth about Jesus and the kingdom of God The universal body of Christ must therefore overcome the current disunity so that as one we can live

up to Christ's admonition to go into all the world and preach the gospel

The Gospel of the Lord Michael F. Bird, 2014-08-22 In this book through a distinctive evangelical and critical approach Michael Bird explores the historical development of the four canonical Gospels. He shows how the memories and faith of the earliest believers formed the Gospel accounts of Jesus that got written and in turn how these accounts further shaped the early church. Bird's study clarifies the often confusing debates over the origins of the canonical Gospels. Bird navigates recent concerns and research as he builds an informed case for how the early Christ followers wrote and spread the story of Jesus, the story by which they believed they were called to live. *The Gospel of the Lord* is ideal for students or anyone who wants to know the story behind the four Gospels. "Silence" in Translation Anna Sui Hluan, 2022-12-02 The role of women in the church has long been a contentious topic for Christians. In this groundbreaking study, Dr. Anna Sui Hluan critically examines the understanding of silence within the Myanmar context, specifically as it impacts the church's interpretation of 1 Corinthians 14:34-35. She offers a comparative study of the Judson Burmese Bible alongside versions of the Greek text, exploring the role of translation in reinforcing cultural assumptions and codifying the translator's interpretive viewpoint. Analyzing the verses in question through the lens of three contemporary schools of interpretation—literal, traditional, feminist, and egalitarian—she demonstrates the need for developing a satisfactory contextual hermeneutic for interpreting passages that concern women in Myanmar today. This interdisciplinary study combines cultural and linguistic awareness a

critical analysis of hermeneutics and a deep commitment to Scripture as the foundation for faith and life Dr Hluan oers the church a model of believing criticism equipping believers to take responsibility for their own interpretations of Scripture and its application in their societies This is a powerful resource for translators scholars church leaders and all those seeking to faithfully apply the Bible in their contexts

BIBLICAL EXEGESIS Edward D. Andrews, 2023-07-16

BIBLICAL EXEGESIS Biblical Criticism on Trial seeks to firmly establish and defend a conservative approach to biblical exegesis while meticulously exposing and critiquing the fallacies and biases prevalent in modern biblical criticism The central thesis posits that liberal moderate biblical criticism incorporating literary criticism rhetorical criticism narrative criticism form criticism tradition criticism redaction criticism structuralism poststructuralism canonical criticism and historical criticism are fundamentally flawed and speculative It highlights that these methods often presented as objective and scientific are indeed reflective of broader ideological systems such as secular humanism the Enlightenment and German idealism which have significantly swayed Western academia and thought over the past four centuries The book argues that these critical methodologies constitute an ongoing assault on the Bible reinforcing scholar biases and distancing biblical interpretation from truth The ultimate goal is to equip readers with a clear understanding of conservative exegetical principles and methods demonstrating how these approaches are grounded in an unswerving commitment to the authority and inerrancy of Scripture thereby offering an antidote to the subjective and ideologically skewed practices of modern biblical criticism It is also a warning Biblical criticism has opened the gates to a flood of pseudo scholarly works whose influence has been to undermine people s confidence in the Bible

The Quest for the Fictional Jesus Margaret E Ramey, 2017-03-31 For almost two millennia Jesus story has been retold in various forms and fashions but in the last

century a new way of reimagining the man from Galilee has sprung up in the form of novels about the life of Jesus. While the novels themselves are as varied as their authors, this work aims to introduce readers to some common literary strategies and theological agendas found in this phenomenon by surveying a few prominent examples. It also explores the question of what happens when we examine the intertextual play between these reimaginings and their Gospel progenitors as we allow these contemporary novels to pose new questions to their ancient counterparts. An intriguing hermeneutical circle ensues as we embark on our quest for the fictional Jesus and accompany his incarnations as they lead us back to re-examine the canonical portraits of Jesus anew.

Migration and Diaspora Formation Ciprian Burlăcioiu, 2022-09-20. The role of migration for Christianity as a world religion during the last two centuries has drawn considerable attention from scholars in different fields. The main issue this book seeks to address is the question whether and to what extent migration and diaspora formation should be considered as elements of a new historiography of global Christianity including the reflection upon earlier epochs. By focusing on migration and diaspora, the emerging map of Christianity will include the dimension of movement and interaction between actors in different regions, providing a more comprehensive map of agency of individuals and groups previously regarded as passive. Furthermore, local histories will become parts of a broader picture and historiography might correlate both local and transregional perspectives in a balanced manner. Behind this approach lies the desire to broaden the perspective of Ecclesiastical History and religious history in general in a more systematic manner by questioning the traditional criteria of selection. This might help us to recover previously lost actors and forgotten dynamics.

Bloc Zero William Bowden, 2018-07-06. From heroes to zeros, their fall from grace could not have been more spectacular. The unlikely duo had saved Las Vegas from a rogue weapon, but the small matter of a flattened airbase sees the authorities hunt them down, nonetheless, painted for all the world to see as a latter-day Bonnie Clyde. Given the circumstances, they should have ended up in some godforsaken hole, having what they don't know beaten out of them. Instead, it seems their redemption lies with a mysterious artefact known as Bloc Zero. Discovering where and what it is will see them chase halfway around the world with unseen adversaries and enigmatic allies at every twist and turn. Bloc Zero is another zany thriller from William Bowden. Dan Brown meets the Twilight Zone with seasoning from the X-Files.
