Regan, 2016-08-02 Based on true events WTF is a novel of love war betrayal and retribution arising from the collision
between the destroyer HMAS Voyager and aircraft carrier Melbourne Eighty two men died on a beautiful moonlit night in the
summer of 1964 Jim Price only survived because of his mate Charlie but Charlie didn't make it If someone saves your life you
are under an obligation to them forever so it's up to Jim to obtain justice for his mate Was it just criminal negligence on the
part of Voyager's captain known throughout the Navy as Drunken Duncan or did the rot go deeper The suicide of Charlie's
widow Nola worsens the tragedy and spreads the blame to areas unforeseen A class action by the survivors against the Navy
and the government seems like a good idea at the time but Jim finds obstructions in the path of justice Jim falls in love with
Nola's friend Jenny whose brother Paul is threatened with conscription into the Army Her mother Shirley founds an
organisation called Save Our Sons campaigning against conscription and the Vietnam War Jim commences officer training at
about the time a Royal Commission into the disaster releases its findings which are seen as a whitewash by Jim and his mates
What is justice Jim wants to know He joins several of his fellow survivors in a class action against the Navy and the
Government but they encounter opposition from the authorities On graduating from the naval college Jim is posted to the
Melbourne deployed to Vietnam He still experiences nightmares from his Voyager experience and his time in Vietnam is
equally traumatic He resigns from the Navy suffering from what we now call PTSD although he doesn't know it Only Jenny's
love and forgiveness can rescue him from deep depression but when he enrolls at Sydney University he is thrust into the
midst of student demonstrations Paul lost his fight to stay out of the Army and was sent to Vietnam but is discharged
medically unfit due to a drug addiction Back in Sydney he absconds from his rehab program and disappears In search of him
Jenny volunteers as a counsellor at the Wayside Chapel providing support to addicts in King's Cross Sydney has been invaded
by American servicemen on R R from Vietnam Jenny's father Richard separated from Shirley is a wealthy property developer
At Jenny's suggestion he employs Jim as skipper of his corporate cruiser Alcyone offering harbour cruises for American
soldiers and others One of her passengers also an addict and a client of the Wayside Chapel claims to have seen Jenny's
brother He exposes a CIA plot to smuggle heroin from Laos to the USA via Sydney The CIA also plans to establish a bank in
Sydney to launder their drug money and trade weapons throughout Asia and other parts of the world A second whitewash
Royal Commission into the sinking of Voyager and her alcoholic captain enrages Jim and his former shipmates When Paul's
corpse is found in a state of decay in an old house slated for demolition and development by Richard it's the last straw for Jim
The ghastly discovery is enough to bring the family back together but Jim is even more determined to avenge his mate and it
is going to turn out badly for someone Review by Boris Seaweed on June 19 2016 Thought provoking and captivating book
written in smooth English and interspersed with Australian everyday spoken language idioms and slang Describing different
sides of Australian life the Navy business university life Sydney city life fashions etc the author also delves into the recent

history Vietnam war and antiwar movement politics etc He also dares to weave into the plot and connect with the main character his version of mysterious disappearance of Australian Prime Minister Harold Holt on December 17 1967 And it is also a charming love and family story Personally I have read the book in one breath *Whiskey Tango Foxtrot* David Shafer,2014-08-05 Three young adults grapple with the usual thirty something problems boredom authenticity an omnipotent online oligarchy in David Shafer s darkly comic debut novel The Committee an international cabal of industrialists and media barons is on the verge of privatizing all information Dear Diary an idealistic online Underground stands in the way of that takeover using radical politics classic spycraft and technology that makes Big Data look like dial up Into this secret battle stumbles an unlikely trio Leila Majnoun a disillusioned non profit worker Leo Crane an unhinged trustafarian and Mark Deveraux a phony self betterment guru who works for the Committee Leo and Mark were best friends in college but early adulthood has set them on diverging paths Growing increasingly disdainful of Mark s platitudes Leo publishes a withering takedown of his ideas online But the Committee is reading and erasing Leo s words On the other side of the world Leila s discoveries about the Committee s far reaching ambitions threaten to ruin those who are closest to her In the spirit of William Gibson and Chuck Palahniuk *Whiskey Tango Foxtrot* is both a suspenseful global thriller and an emotionally truthful novel about the struggle to change the world in and outside your head *The Whiskey Tango Foxtrot Squad* Lee Dixon,2024-11-08 In his quest for truth and answers concerning the suspicious death of his son and his family retired career soldier Jesse Hunter finds himself in a sedate retirement village in New Zealand s South Island where he reunites with a former Special Air Services buddy After making friends with some of the village s retirees who themselves have past military backgrounds they find out that a young man who visits them regularly has a mysterious and out of character disappearance Are Jesse s son and the young man s demise somehow connected As suspicions are also raised about the integrity of the local police the boys decided to take matters into their own hands with a little bit of homegrown detective work Their investigations take them from a peaceful retirement and a life of fun and humour into a world of intrigue danger kidnappings Russian mobsters murder a biker gang and a terrorist cell group Who can they trust As they all draw on their past wartime experiences they realise they can only trust each other and embark on rescue missions using their old age smarts and unconventional weapons to take on the bad guys There is humour action and drama as *The Whiskey Tango Foxtrot Squad* have one last battle to fight *Whiskey Tango Foxtrot* Christine Michelle,2022-09-08 *Whiskey Tango Foxtrot* Aces High MC Dakotas Book 2 Second edition Sept 2022 Liza A tattoo artist and biker named Tango came to save the day when my brother put my life in danger again Stupid name Sexy biker My perpetually soaked panties were all the evidence anyone needed that Tango could dance all over my body any damn time he wanted Unfortunately for me he seemed to be in a weird relationship with his buddies Whiskey Fox and their girl Amy No way was I signing on to be the lettuce in that screwed up sexual sandwich Nope Nope Nope I might need protection from an entire MC but I did not need to share my man Tango From the
