White Horse Regressions:

White Horse Regressions Steve Lindahl, 2014-03-03 The soul is eternal and no more so than in Steve Lindahl's *White Horse Regressions* the story of a group of individuals destined to share their lives throughout time be it in ancient China during the Han dynasty in 19th Century London during Jack the Ripper's reign of terror or in a small town rocked by murder in present day Vermont It's been almost a year since Hannah Hersman's girlfriend was killed and the police still have no leads no suspects and no one in custody Undeterred and longing for closure Hannah calls in Glen Wiley a renowned hypnotist as a last resort Glen quickly discovers that in a past life Hannah was a prostitute in Victorian London named Rose and her girlfriend was Annie Chapman a victim of Jack the Ripper In fact many of Hannah's friends and acquaintances were similarly connected to her not just in then London but in multiple lives and multiple places throughout history And in all these incarnations their existence is tied to a murderous plot that Hannah and Glen must uncover to ensure their future lives can avoid the pain and misery of losing their loved ones *White Horse Regressions* is a compelling supernatural thriller that drops you down the rabbit hole and spits you out into the filthy streets of a not too long ago London the palatial estates of a long forgotten China and the seedy underbelly of small town America Patrick Lafferty author of *Anno Domina* *Thinking Out of the Box* and *Miller Time*

The Power of Past Life Regression Steve Burgess, 2020-03-27 Welcome to the exciting world of past life regression Hypnotherapist Steve Burgess has conducted many thousands of past life regression sessions and this book details some of the incredible healings his clients have experienced as a result of past life therapy Each of the client's stories is vividly re-told using the words that they spoke whilst in trance in their regression sessions They paint exciting pictures and describe in detail the events that took place in the past lives often giving a fascinating insight into life in former times If you're interested in spiritual issues or in learning more about reincarnation and how our previous lives affect our present life you'll be fascinated to read the journeys of Steve's clients as they release the traumas of their past lifetimes and achieve wholeness in this life

Past Life Regression Therapy Uma Devi, 2023-03-09 Past life regression therapy PLRT based on the concept of reincarnation is a modality for healing physical and mental ailments most of which are believed to result from memories of past life traumatic experiences stored as blockages in our energy system By reliving the experience PLRT helps the subject dissolve and release the blockages through catharsis thus restoring their health This book describes the healing effects of PLRT with empirical data from twenty five case studies from the author's own experience demonstrating PLRT's efficacy in resolving diverse chronic health issues including physical diseases like asthma allergies thyroid disorders unexplained body pain etc This method can be successfully employed and can benefit even those who do not believe in past lives or reincarnation The simple language easy to comprehend presentation and explanations given at the end of the chapters are sure to make the subject appealing to the readers About the author P Uma Devi Ph D F N A Sc C Ht is an internationally recognized radiation biologist with an illustrious career spanning over thirty five years With over three

Shadow and Evil in Fairy Tales Marie-Louise von Franz,2017-06-13 A renowned psychologist examines fairy tales through a Jungian lens revealing what they can teach us about the darkest sides of human behavior Fairy tales seem to be innocent stories yet they contain profound lessons for those who would dive deep into their waters of meaning In this book Marie Louise von Franz uncovers some of the important lessons concealed in tales from around the world drawing on the wealth of her knowledge of folklore her experience as a psychoanalyst and a collaborator with Jung and her great personal wisdom Among the many topics discussed in relation to the dark side of life and human psychology both individual and collective are How different aspects of the shadow all the affects and attitudes that are unconscious to the ego personality are personified in the giants and monsters ghosts and demons evil kings and wicked witches of fairy tales How problems of the shadow manifest differently in men and women What fairy tales say about the kinds of behavior and attitudes that invite evil How Jung s technique of Active imagination can be used to overcome overwhelming negative emotions How ghost stories and superstitions reflect the psychology of grieving What fairy tales advise us about whether to struggle against evil or turn the other cheek Dr von Franz concludes that every rule of behavior that we can learn from the unconscious through fairy tales and dreams is usually a paradox sometimes there must be a physical struggle against evil and sometimes a contest of wits sometimes a display of strength or magic and sometimes a retreat Above all she shows the importance of relying on the central authentic core of our being the innermost Self which is beyond the struggle between the opposites of good and evil
