White Lies And Goodbyes:

The Journals of RedKamel RedKamel,2000-09 Observations of an average young adult faced with menial decisions that will mean nothing in 50 years The Journals of RedKamel is a compilation of an email list that devoted itself to attacking a variety of topics that people face on a daily basis The subject matter contained within is not for young and immature people as it contains viewpoints that are littered with graphic language and description **Goodbye Good Girl, Hello Me** Kasey Edwards,2025-03-04 A Good Girl is acutely aware of everyone's emotional state Except her own She was praised for not being difficult like other girls She must never get too big for her boots and must always be grateful So damn grateful She masks her own needs dreams and fears so thoroughly that she loses herself Until one day her smile falters her serenity cracks and a tiny long forgotten voice dares to whisper What about me And then all hell will break loose Kasey Edwards bestselling author of *Raising Girls Who Like Themselves* has helped thousands of families bring up kids to believe in themselves She decides it's time to apply her research and strategies to herself Her journey of learning to like herself unpicks the worth crushing beliefs taught to girls But it's not just Kasey's story It's about all of us Raw irreverent and deeply relatable Kasey dares to voice what many women think but few say out loud This poignant memoir will confirm what you've long suspected that you deserve more And it will show you how to rediscover who you were always meant to be Then you too can say Goodbye good girl hello me **Goodbye** Bruce Jenkins,2005 Goodbye combines biography with a son's discovery of his father Gordon Jenkins one of America's most significant musical figures throughout his 50 year career collaborated with many of the major talents in postwar pop and jazz Modest by nature he rarely spoke of his accomplishments and there was much to discover when on account of his father's death in 1984 Bruce Jenkins began his research Paralleling the story of Gordon Jenkins's personal life is a veritable history of popular music featuring luminaries from Irving Berlin to Billie Holiday This richly anecdotal biography relates a wealth of heretofore untold stories of his encounters with icons like Sinatra who was uncharacteristically awestruck by him and Judy Garland whom only Jenkins could convince to go onstage when she was crippled with anxiety A concluding chapter documents Jenkins's slow difficult death from ALS leaving readers with an unforgettable image of a legend dying with dignity and unexpected good humor Goodbye, My Tribe Vic Sizemore,2020-04-14 Goodbye My Tribe An Evangelical Exodus is Vic Sizemore's collection of personal essays chronicling two simultaneous transformations One is the gathering of unconnected and nonpolitical evangelical congregations across the nation into the political juggernaut called the Religious Right the other is the author's own coming to terms with the emotional and spiritual trauma of his life deep inside fundamentalist Christianity and his struggle to free himself from its grasp Sizemore whose father was a preacher and professor at a small West Virginia Bible college attended Liberty University in Lynchburg Virginia arguably the crucible of American evangelical Christianity Sizemore began writing these essays with the aim of exploring and understanding what happened when the mythology of his tribe crumbled from beneath his feet He

draws heavily on his upbringing and his family history as a framework for how his tribe of white evangelicals have found ways to reconcile Christianity with what the author finds to be troubling stances on many social issues among them race gender sexuality materialism anti intellectualism and white supremacy In a clear eyed and eloquent voice Sizemore grapples movingly with his own bewilderment and chagrin as he struggles to reconcile the essential philosophical and moral decay that he believes many evangelicals have come to embrace His insights arranged topically and thematically and told through graceful and accessible prose toggle between memoir and literary journalism along a spectrum that touches on history philosophy theology and personal reflections

Farewell to Follies Xingu Fawcett, 2018-09-14 Themes of Farewell to Follies FTF Nature in the form of beautiful landscapes and wholesome surroundings is a constant presence in FTFs short fiction It is often the only thing in the text animate or inanimate that is described in a positive or laudatory fashion FTF characters are great believers in the power of nature both in terms of its beauty and its challenges to improve one's quality of life Tok Pisin Also a near constant presence in FTFs stories is the theme of death either in the form of death itself the knowledge of the inevitability of death or the futility of fleeing death Clearly evocative of death are the stories in which FTF describes actual deaths Terminate with Extreme Prejudice Also known as heroic fatalism this attitude was a FTF favorite Fatalistic heroism

derives from the belief that death is certain to come and that resisting it is futile one may as well face death with stoicism and resignation This belief and its accompanying stoic behavior patterns appear in several short stories Lord Clives Last Biryani Supper Disillusionment and the depression that results from it are recurrent themes in FTFs short stories FTF himself suffered from feelings of disillusionment and dislocation following his harrowing experiences during Americas Long Wars Goodbye Kabul FTF it is often noted was enamored of a particular notion of masculinity FTFs heroes are often outdoorsmen or hunters who are stoic taciturn and averse to showing emotion Real men according to FTF are physically courageous and confident and keep doubts and insecurities to themselves Beso Tango y Amor Many of FTFs characters have ambivalent feelings toward each other in FTFs universe people are not wholly good or bad Bal Masque Animals in the FTF canon whether they are game pets or wild sometimes serve as symbols for their human hunters caretakers or observers Lizards of Formentera Fragments of dreams and memories want to have fantasy encounters and casual togetherness Whether single or in a permanent relationship or something in between with FTF stories you can live out your passionate uninhibited fantasies discretely Goodbye to Urdu Ali Daniel,2020-10-14 Dreams that come true hurt us most in future People are not afraid to go to hell because they ve already been through a hell here A preacher tries to put fear of graves in their hearts in graphic detail but they mock him Nothing new they are so used to it visceral fear in real life The story of a boy who grapples with the death of his father He tries to find the answers in the life passed in his village in the soft light of the night and the brutal sunlight of the day It is not only the loss of childhood dreams but also the language spoken in them Slowly and surely he watches a ghetto surreptitiously encroaching upon his family and community There a bird refuses to recognize another bird Exiled there with the same seasons now ruthless and relentlessly painful he confuses the cries of the birds with the cries of the children It s just not the fear for himself but the fear for generations to come What will happen to them People have a different criterion for buying homes there They look for a place where they will not be attacked at night
