White Rock Lake Sally Rodriguez,2010-01-01 In 1909 Dallas city leaders approved the damming of White Rock Creek to create a new water source for the increasing needs of a growing city As a result so much of the life and history of Dallas has echoed through the life and history of White Rock Lake In the early decades the lake was home to many private summer homes and boat houses as well as hunting and fishing clubs Soon thereafter a bathing beach sailing clubs public boathouses and picnic facilities were added The Civilian Conservation Corps and the Works Progress Administration transformed the lake with more recreational and leisure amenities World War II brought increased military uses that included a POW camp for German officers Those early city leaders could hardly know that the lake they were creating 10 miles outside of Dallas would become an urban oasis enjoyed by over two million visitors a year

Lamar Hunt Michael MacCambridge,2012-10-02 I can t separate what part of pro football is business and what part is personal with me he said I just know that it is very important that I succeed He had loved games as a young boy had played them as a young man and now as a naive but determined 27 year old in the summer of 1959 Lamar Hunt announced that he was going to launch a new football league What he couldn t possibly have known on that day was that the forces of the entrenched National Football League would soon be arrayed against him The league would place its own team in his hometown of Dallas in direct competition with his team and would attempt to undermine the new league trying on repeated occasions before that first season to prevent the new American Football League from ever starting And what the NFL couldn t have known but would soon find out was that Hunt the mild mannered bespectacled son of legendary oilman H L Hunt had an indomitable will and patience beyond his years Resolute and innovative he successfully launched the AFL and seven years later helped broker a merger deal which created the need for a championship game between the two leagues Then he came up with the name of the game the Super Bowl Never before and not since has anyone with so many resources spent so much time watching participating in and being captivated by the absorbing ritual of sports and the suspended state of play His

accomplishments would put him in the company of the other giants of American sports Charles C Cash and Carry Pyle Abe Saperstein George Halas Branch Rickey Red Auerbach Pete Rozelle Each was present at a revolution But Hunt significantly was present at a number of revolutions And he was the catalyst for each one Before his death in 2006 Hunt revolutionized three different sports pro football tennis and soccer winding up in the Hall of Fame of each Written by award winning author Michael MacCambridge Lamar Hunt A Life In Sports is the definitive and official biography of one of the 20th century s most important and beloved sporting figures the soft spoken strong willed man whose audacious challenge to the NFL transformed the landscape of American sports but only served as an opening act to his epic sporting journey Drawing on 50 years of Hunt s personal papers and more than 200 interviews author Michael MacCambridge provides an intimate original portrait of the man forever captivated by these serious pursuits we call games Best Hikes Dallas/Fort Worth Kathryn
