Newell, 2014-03-15 Drawing from 167 examples of decorative needlework primarily samplers and quilts from 114 collections across the United States made by individual women aged forty years and over between 1820 and 1860 this exquisitely illustrated book explores how women experienced social and cultural change in antebellum America The book is filled with individual examples stories and over eighty fine color photographs that illuminate the role that samplers and needlework played in the culture of the time For example in October 1852 Amy Fiske 1785 1859 of Sturbridge Massachusetts stitched a sampler But she was not a schoolgirl making a sampler to learn her letters Instead as she explained The above is what I have taken from my sampler that I

wrought when I was nine years old It was w rough t on fine cloth and it tattered to pieces My age at this time is 66 years Situated at the intersection of women s history material culture study and the history of aging this book brings together objects diaries letters portraits and prescriptive literature to consider how middle class American women experienced the aging process Chapters explore the physical and mental effects of old age on antebellum women and their needlework technological developments related to needlework during the antebellum period and the tensions that arose from the increased mechanization of textile production and how gift needlework functioned among friends and family members Far from being solely decorative ornaments or functional household textiles these samplers and quilts served their own ends They offered aging women a means of coping of sharing and of expressing themselves These threads of time provide a valuable and revealing source for the lives of mature antebellum women Publication of this book was made possible in part through generous funding from the Coby Foundation Ltd and from the Quilters Guild of Dallas Helena Hibbs Endowment Fund

**Fashion in Multiple Chinas** Wessie Ling, Simona Segre-Reinach, 2018-04-20 Much has been written about the transformation of China from being a clothing manufacturing site to a fast rate fashion consuming society Less however has been written on the process of making Chinese fashion The expert contributors to Fashion in Multiple Chinas explore how the many Chinese fashions operate across the widespread fragmented and diffused Chinese diaspora They confront the idea of Chinese nationalism as one nation as well as of China as a single reality in revealing the realities of Chinese fashion as diverse and comprising multiple practices They also demonstrate how the making of Chinese fashion is composed of numerous layers often involving a web of global entanglements between manufacturing and circulation retailing and branding They cover the mechanics of the PRC fashion industry the creative economy of Chinese fashion its retail and branding and the cultural identity of Chinese fashion from the diasporas comprising the transglobal landscape of fashion production

How to Make a Mao Suit Antonia Finnane, 2023-08-03 When the People s Republic of China was founded in 1949 new clothing protocols for state employees resulted in far reaching changes in what people wore In a pioneering history of dress in the Mao years 1949 1976 Antonia Finnane traces the transformation using industry archives and personal stories to reveal a clothing regime pivoted on the so called Mao suit The time of the Mao suit was the time of sewing schools and sewing machines pattern books and homemade clothes It was also a time of close economic planning when rationing meant a limited range of clothes made usually by women from limited amounts of cloth In an area of scholarship dominated by attention to consumption Finnane presents a revisionist account focused instead on production How to Make a Mao Suit provides a richly illustrated account of clothing that links the material culture of the Mao years to broader cultural and technological changes of the twentieth century
