White Wife Abused By Black Master:

African American Southerners in Slavery, Civil War and Reconstruction Claude H. Nolen, 2005-08-29 This work documents the many roles filled by Southern blacks in the last decades of slavery the Civil War years and the following period of Reconstruction African Americans suffered and resisted bondage in virtually every aspect of their lives but persevered through centuries of brutality to their present place at the center of American life Utilizing statements made by former slaves and other sources close to them the author takes a close look at the culture and lifestyle of this proud people in the final decades of slavery their experiences of being in the military and fighting in the Civil War and the active role taken by the Southern blacks during Reconstruction [Slavery, Fatherhood, and Paternal Duty in African American Communities over the Long Nineteenth Century](#) Libra R. Hilde, 2020-10-01 Analyzing published and archival oral histories of formerly enslaved African Americans Libra R Hilde explores the meanings of manhood and fatherhood during and after the era of slavery demonstrating that black men and women articulated a surprisingly broad and consistent vision of paternal duty across more than a century Complicating the tendency among historians to conflate masculinity within slavery with heroic resistance Hilde emphasizes that while some enslaved men openly rebelled many chose subtle forms of resistance in the context of family and local community She explains how a significant number of enslaved men served as caretakers to their children and shaped their lives and identities From the standpoint of enslavers this was particularly threatening a man who fed his children built up the master s property but a man who fed them notions of autonomy put cracks in the edifice of slavery Fatherhood highlighted the agonizing contradictions of the condition of enslavement and to be an involved father was to face intractable dilemmas yet many men tried By telling the story of the often quietly heroic efforts that enslaved men undertook to be fathers Hilde reveals how formerly enslaved African Americans evaluated their fathers including white fathers and envisioned an honorable manhood [Eating the Black Body](#) Carlyle Van Thompson, 2006 Textbook

[Unceasing Militant, Second Edition](#) Alison M. Parker, 2025-03-18 Born into slavery during the Civil War Mary Church Terrell 1863 1954 would become one of the most prominent activists of her time with a career bridging the late nineteenth century to the civil rights movement of the 1950s The first president of the National Association of Colored Women and a founding member of the NAACP Terrell collaborated closely with the likes of Frederick Douglass Ida B Wells and W E B Du Bois *Unceasing Militant* is the first full length biography of Terrell bringing her vibrant voice and personality to life Though most accounts of Terrell focus almost exclusively on her public activism Alison M Parker also looks at the often turbulent unexplored moments in her life to provide a more complete account of a woman dedicated to changing the culture and institutions that perpetuated inequality throughout the United States This new edition includes a new preface in which Parker reflects on the resurgence of public interest in Terrell and discusses the newly available digitized files of Terrell s papers at the Library of Congress **Unceasing Militant** Alison M. Saturday Reader, 1866 [Gender Violence](#) Laura L. O'Toole, Jessica R. Schiffman, Margie L. Kiter Edwards, 2007-08 The approach of the year 2000 has made the study of apocalyptic movements trendy But groups anticipating the end of the world will continue to predict Armageddon even after the calendar clicks to triple 0s A Doomsday Reader brings together pronouncements edicts and scriptures written by prominent apocalyptic movements from a wide range of traditions and ideologies to offer an exceptional look into their belief systems Focused on attaining paradise millenarianism often anticipates great cosmic change While most think of religious belief as motivating such fervor Daniels comparative approach encompasses secular movements such as environmentalism and the Montana Freeman and argues that such groups are often more political than religious in nature The book includes documents from groups such as the Branch Davidians the Order of the Solar Temple Heaven s Gate and white supremacists Each document is preceded by a substantive introduction placing the movement and its beliefs in context This important overview of contemporary politics of the End will remain a valuable resource long after the year 2000 has come and gone

Malindy's Freedom Mildred Johnson, Theresa Delsoin, 2005 The great granddaughters of a freeborn Cherokee woman named Malindy who was unlawfully enslaved as a child by a Missouri farmer and gave birth to five children in slavery in the 1800s share the story of their ancestor a story of courage conviction and love

Sex and Punishment Eric Berkowitz, 2013-04-03 Sex and Punishment

tells the story of the struggle throughout millennia to regulate the most powerful engine of human behaviour sex From the savage impalement of an Ancient Mesopotamian adulteress to the imprisonment of Oscar Wilde for gross indecency in 1895 Eric Berkowitz evokes the entire sweep of Western sex law The cast of Sex and Punishment is as varied as the forms taken by human desire itself royal mistresses gay charioteers medieval transvestites lonely goat lovers prostitutes of all stripes and London rent boys Each of them had forbidden sex and each was judged and justice as Berkowitz shows rarely had anything to do with it

Reconstructing the Fourth Amendment Andrew E. Taslitz, 2006-10 The modern law of search and seizure permits warrantless searches that ruin the citizenry's trust in law enforcement harms minorities and embraces an individualistic notion of the rights that it protects ignoring essential roles that properly conceived protections of privacy mobility and property play in uniting Americans Many believe the Fourth Amendment is a poor bulwark against state tyrannies particularly during the War on Terror Historical amnesia has obscured the Fourth Amendment's positive aspects and Andrew E. Taslitz rescues its forgotten history in *Reconstructing the Fourth Amendment* which includes two novel arguments First that the original Fourth Amendment of 1791 born in political struggle between the English and the colonists served important political functions particularly in regulating expressive political violence Second that the Amendment's meaning changed when the Fourteenth Amendment was created to give teeth to outlawing slavery and its focus shifted from primary emphasis on individualistic privacy notions as central to a white democratic polis to enhanced protections for group privacy individual mobility and property in a multi racial republic With an understanding of the historical roots of the Fourth Amendment suggests Taslitz we can upend negative assumptions of modern search and seizure law and create new institutional approaches that give political voice to citizens and safeguard against unnecessary humiliation and dehumanization at the hands of the police

Co-Whites Emeka Aniagolu, 2012-07-10 *Co-Whites* discusses race and gender politics and traces the role of women in Western and non Western political systems Aniagolu examines the dynamics of race and gender in the United States starting from the colonial and antebellum periods leading up to the American Civil War and Reconstruction through the Civil Rights era of the 1960s to the present day The work explores how white American women in their search and struggle for gender equality in the United States related to three principal streams in America's socioeconomic and political history white supremacy women of color especially African American women and the freedom and civil rights struggle for racial equality The United States has irreversibly become a multiracial and multicultural democracy and white supremacy has become untenable however Aniagolu concludes that white American women collaborated with white American men as *Co-Whites* or co partners in the management and maintenance of white supremacy in the United States Well researched and lucidly written the work makes intellectually and historically coherent a subject matter often muttered in small circles and that takes the form of scholarly civil wars inside Women's Studies between white American and African American women scholars and schools of thought The work grapples with a serious issue in light of the

2008 presidential elections in the United States offering insightful explanations certain to evoke lively debate in university classrooms amongst professorial colleagues and in the general public

Hip-Hop-Perations Khalil Amani, 2000-10-31 What up Just like to welcome you to this class here at W F U I am Dr Horatio Honeycutt As you all know a class in multicultural studies is required of all entering freshmen so I _m happy that you _ve chosen this course to fulfill that requirement I know that you will find this class stimulating exciting and truly challenging So welcome again I _m passing out a syllabus for your perusal This semester you will get acquainted with Black people in the urban ghetto of this city We will be going on a field trip into the heart of the rhood to get a firsthand look at how the language is spoken But I must warn you before we get to that point you must do a complete overhaul of your perception of Black people We will have to become as black as we can be as not to stand out and as they say in the hood get our asses bumrushed In other words we don _t want to draw too much attention to ourselves and cause the indigenous population to pummel our bodies into mutilated pieces of DNA But not to worry I _ve already established communication with some of the more violent elements in the community See You _ve already learned your first black word bumrush It means to suddenly bombard without warning to attack Put it in your vocabulary you _ll need it Kahlil Amani Jive 101 Ebonics 1619 Khalil Amani offers his take on Black America through both poetry and prose in Hip Hop Operations Amani is a graduate of San Diego Mesa College and the author of Ghetto Religiosity 2000

Families in Crisis in the Old South Loren Schweninger, 2012-09-10 In the antebellum South divorce was an explosive issue As one lawmaker put it divorce was to be viewed as a form of madness and as another asserted divorce reduced communities to the lowest ebb of degeneracy How was it that in this climate the number of divorces rose steadily during the antebellum era In *Families in Crisis in the Old South* Loren Schweninger uses previously unexplored records to argue that the difficulties these divorcing families faced reveal much about the reality of life in a slave holding society as well as the myriad difficulties confronted by white southern families who chose not to divorce Basing his argument on almost 800 divorce cases from the southern United States Schweninger explores the impact of divorce and separation on white families and on the enslaved and provides insights on issues including domestic violence interracial adultery alcoholism insanity and property relations He examines how divorce and separation laws changed how married women's property rights expanded how definitions of inhuman treatment of wives evolved and how these divorces challenged conventional mores

An Introduction to Colonial African-American Evangelical Theology Cory J. May, 2025-02-04 Who were some of the early pioneers of colonial African American Christianity Were there specific doctrines that shaped colonial African American evangelical theology Did influential colonial African American Christians prioritize their racial identity above and beyond their Christian identity How did some African American Christians construct their Blackness sense of belonging and existence within shared space with the human Other The genuine Christian faith of many colonial evangelical African Americans has been for some time systematically ignored dismissed and neglected The darker aspect of this agenda at least for some is that when these colonial Christians are discussed their existence is typically reinterpreted through contemporary Western racialized politics The greatest protagonists of this sociopolitical drama have been various influential Black scholars within and outside the academy This project serves as an introductory discourse into the theology and authentic faith of various colonial evangelical African Americans who influenced the identity sense of belonging and conceptions of shared space for Christians within and outside the colonial Black church The journey this book will take some through is within the conservative evangelical tradition of African American Christianity

Public Women, Public Words Dawn Keetley, John Pettegrew, 2005-02-22 This final volume in the *Public Women Public Words* series focuses on what has come to be called the second wave of American feminism It traces the resurgence of feminism in the late 1960s from Betty Friedan and the National Organization for Women to the anarchist and lesbian identity dimensions of radical feminism Including topics such as sexual autonomy abortion the Equal Rights Amendment and the black feminist resistance to the white dominated second wave this volume reflects the unprecedented range of women's issues taken up by feminists during the 1970s and beyond Volume III also charts the great

diffusion of feminism with separate sections on multicultural feminism and the feminist presence in media and pop culture. Finally, through the recent writings of feminist intellectuals, it looks toward a third feminist wave for the new millennium. *Public Women, Public Words: A Documentary History of American Feminism* provides a comprehensive view of the many strands of feminist thought and actions and is essential for every women's studies and feminism collection.
