Who is Israel? Batya Ruth Wootten, 2011 Who is Israel Israel Revealed A Primer Batya's classic books about Israel have changed thousands of lives Now she offers a brief overview that quickly explains Israel the Church the mystery of the fullness of the Gentiles the blindness that has affected both houses of Israel and the Father's master plan to unite their two sticks in the last days Genesis 48:19 Isaiah 8:14 Ezekiel 37:19 Great change is coming to Messiah's Body Read this book and find out why so many Believers are getting so excited Includes illustrations maps charts and suggested review Bible studies This book will help enrich your relationship with the Holy One of Israel and inspire Jewish and non Jewish Believers Judah and Ephraim to become the promised one new man Batya makes a complicated subject easy to understand Long ago the Father divided Israel into two houses Ephraim Israel and Judah As His two witnesses He sent them in different directions to serve two purposes to establish His immutable truths of Law and Grace Now in these last days He would have them come together and confirm His truth in the earth That is the simple truth behind this book As you read it remember the simplicity behind it Two houses Two directions Two different purposes Now is the time for them to be reunited Read and be blessed or listen and be blessed Audio CD package available Read by Batya Wootten

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today's Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

Biblical Eschatology: Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i.e. the national salvation of

True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book *The History of the Religion of Israel* Crawford Howell

Toy,1884 **A Primer on the Book of Revelation** Ted Noel,2010-01-01 Revelation is sooo complicated Wait a minute If a Jewish fisherman understood what his Rabbi showed him then it shouldn t be hard for us either We just need his tools Fortunately God left them for us in the same place John found them the Bible This Primer uses the rest of the Bible to explain Revelation in plain language We ve banned the big words professors use We ve thrown out their multi part sentences and we don t waste time explaining why we disagree with somebody Instead we try to let the text speak for itself When you read this Primer you ll see that it was written for you with great respect for God s word By the way Revelation isn t that complicated After all it s the revealing of Jesus Christ **Understanding Your Faith - A Primer** John Roach,2006-04 **The primer set forth at large for the use of the faithful, ed. from the post-Reformation editions by G.
