## **Who Killed My Church Revelation Series 1:**

Who Killed My Church? Jame Shupp, 2015-05-20 An emotionally frail pastor's wife pleads with her husband to find a new career. A burned out pastor is about to face a forced resignation. A struggling church is nearing the end of its lifecycle. All too often these scenarios end in broken hearts lying beneath piles of rubble. What if a miracle occurred instead? Who Killed My Church opens a stained glass window into the realities of what happens inside houses of worship all across America, perhaps even in your own. Take an emotional journey with some gutsy people who believe that the aging bride of Christ has not lost her beauty. Their journey will inspire you. What they do, however, may challenge you to go and do likewise. Green Street Baptist Church has fallen on hard times. Members are leaving. The banker is knocking on the door and everyone wants to know: Who killed my church? It's the same question people are asking all across America as church after church enters the struggle for survival. When all the trends are down, is there any hope? Who Killed My Church is a simple story about some gutsy people who believe that the bride of Christ is worth fighting for. They don't mince words. Their ideas are highly unconventional. Some believe that their plans are too risky, even leaning on the side of crazy. But when there's nothing left to lose, why not take a shot at winning? Follow Pete, Monica, Markus, Bender, and the rest of Green Street on an emotional journey into a very familiar environment. Though they exist in a fictional realm, you may be convinced that you've seen these characters walking the hallways of your own church. One might even look like you. Follow them as they race against a ticking clock to save what matters most to the heart of God.

**Death and Beyond** Edwin L. Woolsey, 2021-06-23 Search the scriptures for in them ye think ye have eternal life and they are they which testify of me John 5:39. A mysterious disconnect exists between the amount of biblical material about death and Western theology's scant reliance on that body of Scripture to universally explain what happens when life ends. In a vague way we assume to understand what occurs after our last breath, but do we really? Can we say with surety what happens next? Where precisely do we go and when do we get there? Are we able to point to ancient authoritative sources and say, "See here it is." Due to the fuzzy nature of our current ideas, the hodgepodge of religious speculations dealing with the afterlife are more likely an outgrowth of popular culture, religious songs, and anecdotal stories instead of solid biblical texts or early Judeo-Christian orthodoxy. This quandary is probably a modern anomaly since medieval society was more familiar with the certainty of dying than we are. The disassociation with spiritual reality might be a product of advancements in science and medicine that give us a false notion of immortality; however, nothing could be farther from the truth. Unquestionably, we will all die, and guaranteed that fact, a knowledge of what immediately follows the cessation of life is an asset worth having, not only for peace of mind here but also for advanced preparation until we get there, especially regarding faith-based groups like Christianity. If anyone should master the questions and answers dealing with the transition between life and death, it should be the Church. Maybe the somber nature of death makes us avoid the subject, or possibly the opposite is true. Our illiteracy of God's Word might be the reason death seems so cryptic and foreboding, thus creating our

shortsighted ignorance of the topic Regardless Jesus admonished us to pull our heads from the sand search the Scripture and make sure that our doctrines actually match God s source material hence the purpose of this book     **Secrets of the Holy Bible** Last Prophets,2011-04-13 This book uses both modern science and biblical references together without contradiction This book releases for the first time secret codes in the bible which disclose the approximate dates of all events in the book of Revelation which includes the dates of all seven seals and what they really are and the exact date the Antichrist and false prophets are due to arrive and what 666 really stands for in the ancient text This book also exploits hypocrisies of our society and explains biblical misconceptions and loop holes in the bible and shows the reader how far fetched you could make religion because of these loop holes This book also categorizes and groups together bible verses related to similar topics for your convenience and reference and most importantly this book documents with over 2 900 different bible verses what the bible really says     Secrets of the Holy Bible John Terpstra,2019-07-31 This book thoroughly documents traditions and beliefs using concrete biblical references that every religious denomination is wrong about and it proves how all biblical references must work together without contradiction to tell us the whole truth This book also reveals secrets of the entire Holy Bible and the book of Revelation in detail and solves the mystery of the Trinity which has been debated by the churches for decades This book also contains crucial information concerning apocalyptic events that have been kept secret from the general public for centuries There are secrets disclosed in detail in this book that no mortal man or religious scholar has ever figured out prior to it being written in this book The biblical secrets in this book have been researched studied and thoroughly documented This book is not only biblically accurate It is predominantly indisputable philosophically profound prophetically insightful and extremely overwhelming     *The Times and Seasons* ,1843     **Preacher's Outline & Sermon Bible-KJV-Revelations** Leadership Ministries Worldwide,1999-02 What if you could study Revelation with your favorite Bible scholars from across the ages With The Preacher s Outline Sermon Bible you can This unique resource is designed to empower pastors and leaders to effectively preach and teach God s Word This is much more than a commentary it takes the best scholarly works available and combines them in a single resource Inside each volume of The Preacher s Outline Sermon Bible you ll find A verse by verse outline alongside each passage of Scripture that draws out key concepts In depth commentary synthesized from hundreds of trusted sources including Matthew Henry John MacArthur Charles Spurgeon and many more Thoughts designed to provide practical application of Scripture for your congregation Deeper studies that expand on original Greek sources provide historical background and explain key points An Outline Subject Index designed for topical study perfect for quickly creating messages on a particular theme There s a volume of The Preacher s Outline Sermon Bible series for nearly any sermon you can imagine Explore the full series on our website at [lmw.org](http://lmw.org)     **“My Church” or “My” Church: Which One Is It?** Clive Brown,2016-02-19 This is an important book a valuable book for learning and understanding It is a book to read through and one to refer to repeatedly I believe this book is an integral part in the study of

**The Deep Things of God** Thomas Pulickal,2020-03-03 This book unfolds the eternal truths about the kingdom of God through the eight parables described in the gospel of Matthew chapter 13 emphasising Christ as the person of the fulfilment of all the types shadows figures pictures symbols illustrations patterns events feasts ceremonies rituals sacrifices people promises prophecies and even the various laws of the old covenant These

parables expose the three fold aspect of the judgement by which the old covenant remains completely abolished The first was when Christ crucified Adam in His body of flesh and separated Adam from Himself The second was when Christ as the Son of Man appeared in judgement over the nation of Israel and the temple in A D 70 through the Roman army destroying the entire old covenant system The third is the subjective experience of the objective reality of Christ s death to be manifested in each one of us personally through the new birth when we identify ourselves with Him by bearing His death and live by His life All the Parables concern themselves with the kingdom of God which is a spiritual kingdom formed within us when our created or soulish life is replaced with the divine life of God in Christ Jesus Since only Christ lives in His kingdom He invites us to live in and by Him who alone is the life thus destroying our Adamic nature that stands in opposition to the will of the Father by His abiding presence within us and enables the transition from Adam the living soul or the realm of death into Christ the life giving Spirit or the realm of life The Parables of Matthew 13 thus consummate the desire of Christ that they may be one when mankind irrespective of denomination caste colour creed and nationality live in and by the life of the One who died and rose for them establishing them in the Father     *True Latter-Day Saints' Herald* ,1929 The family magazine of the Reorganized Church of Jesus Christ of Latter Day Saints     **To Find the Path to Eternal Life Ye Must First Seek to Obtain My Word** Ivan Kent Richards,2019-10-18 It is false assumptions and misinformation that lead to false conclusions This book will point out many of the false religious assumptions people frequently make which keep them from finding the path to true eternal life with God Several mysteries of God are unfolded in this book which will bring people to a greater knowledge of God and his works among mankind     **The Beast Who Once Was: New Insight into End Times Prophecy** Chris Relitz,2014-04-26 The Bible says that there was a beginning of things and that there will be an end Near the end we will see a hero and a villain arise the son of God will battle the son of Satan The prophecies in the Bible have a great deal to say about this but one prophecy has been overlooked until now I will explain to you the mystery of the beast who once was now is not and yet will come This calls for a mind with wisdom Revelation 17 7 9 Here we are told that the Beast the son of Satan once lived but at one time he was not alive and that he would live again The Beast will seem to recover from a fatal wound Revelation 13 3 Not a nearly fatal wound He will seem to recover from death In the end times he will be seen to rise from the grave in imitation of Jesus Christ Who was the Beast But more importantly why is that mysterious fraternity of Freemasons preparing to come to his aid We will examine their own writings and rituals to confirm that they are devoted to the Beast who once was     **The Mormon Delusion. Volume 3. Discarded Doctrines and Nonsense Revelations.** Jim Whitefield,2012-10-01 This is the third in a series of books exposing the truth behind Mormonism In this volume we review doctrines that have been discarded To early Mormons Adam was God and blood atonement was a stark reality These were accepted doctrines which survived for several decades throughout the leadership of several successive prophets Today the Church denies they even existed The origin of the Mormon temple ceremony is established and explained An analysis of

changes over the years shows that the rites now enacted bear no resemblance to the original ceremonies Joseph Smith lifted from late eighteenth century Masonic ritual claiming they were restored from the time of Solomon The psychology of a Mormon testimony is explored and explained Sections of the Doctrine and Covenants are exposed as completely unfulfilled nonsense that Mormons simply cannot see through as long as blind faith precludes rational thinking Visit [www.themormondelusion.com](http://www.themormondelusion.com) for further information on this and other volumes
