The Oxford Handbook of Reformed Theology Michael Allen, Scott R. Swain, 2020-10-30 The Oxford Handbook of Reformed Theology looks back to past resources that have informed Reformed theology and surveys present conversations among those engaged in Reformed theology today First the volume offers accounts of the major historical contexts of reformed theology the various relationships ancient and modern which it maintains and from which it derives Recent research has shown the intricate ties between the patristic and medieval heritage of the church and the work of the reformed movement in the sixteenth century The past century has also witnessed an explosion of reformed theology outside the Western world prompting a need for attention not only to these global voices but also to the unique and contingent history of reformed theology in the West hence reflecting on its relationship to intellectual developments like scholastic method or the critical approaches of modern biblical studies Second the volume assesses some of the classic representative texts of the reformed tradition observing also their reception history The reformed movement is not dominated by a single figure but it does contain a host of paradigmatic texts that demonstrate the range and vitality of reformed thought on politics piety biblical commentary dogmatic reflection and social engagement Third the volume turns to key doctrines and topics that continue to receive attention by reformed theologians today Contributors who are themselves making cutting edge contributions to constructive theology today reflect on the state of the question and offer their own proposals regarding a host of doctrinal topics and themes

The Method of Christian Theology Rhyne Putman, 2021-05-15 In The Method of Christian Theology Rhyne Putman guides readers through the essential first words of systematic theology Written for entry level theology students this book gives clear suggestions about how to use theological sources how to reason through difficult

Perrin, 2016-10-04 Young evangelicals in Britain often find themselves at odds with an increasingly secular society and yet the tradition persists and in some places flourishes Sociological studies into the faith of this demographic group are rare yet there is much to be explored as to how their faith functions and how it compares to other groups globally Similarly given the privilege evangelicals afford the biblical text how young believers engage with the ancient Scriptures they understand to be the word of God is particularly significant This work addresses that core question How do young evangelicals make sense of the Bible today Based on qualitative data gathered from three diverse evangelical churches it compares the reading priorities ordinary hermeneutics and theological concerns of young adults Presenting age related focus groups with challenging biblical narratives the study compares strategies for negotiating the texts based on age gender and churchmanship It provides a unique insight into the realities of Bible reading and the faith of Generation Y and gives food for thought not only to those with scholarly interests but also those with a pastoral concern to shape and sustain the Christian faith of young adults in Britain and beyond Connecting Curriculum with Context Rupen Das, 2015-10-14 Assessment of the impact of theological education has always been a challenge In a pluralistic world where graduates are ministering in greatly varying contexts and cultures theological education has to be context sensitive and relevant It is no longer enough to ensure that students have mastered core theological concepts and truths have biblical knowledge and some basic ministry skills The impact of a theological institution is measured by the effectiveness of their graduates in their specific ministry contexts Therefore the theological curriculum has to be connected with the contexts of the graduates Theological institutions need to be clear as to what they hope to accomplish and this will determine the model of theological training that they use This book explores various models of theological education as well as identifying steps in the logical sequence of connecting curriculum with context **How to be Evangelical Without Being Conservative** Roger E. Olson, 2008 In recent years the American media have portrayed the evangelical movement as a conservative force in society equating it with fundamentalism Many people equate evangelical Christianity with conservatism in religion politics theology and social attitudes But is this the

whole story of evangelicalism Roger Olson's new book sets forth evidence that the link between evangelicalism and conservatism has not always been as strong as it is today in the popular mind Olson shows how contemporary **Theology and the Mirror of Scripture** Vanhoozer, Kevin J., Treier, Daniel J., 2015-12-09 In this inaugural volume in the Studies in Christian Doctrine and Scripture Daniel J. Treier and Kevin J. Drawn by Beauty Matthew Z. Capps, 2025-03-01 Wonder and awe of the beautiful is essential to the human experience Our souls are often shaped and formed by the aesthetic experiences provided by the Creator When we neglect this aspect of our lives we fail to realize how God has created us uniquely to not only enjoy beauty but to also create the beautiful A distinctly Christian vision of these realities opens our eyes to see how God has enchanted our world to draw us toward Him the source and substance of beauty for a deeper experience of the Christian life In *Drawn by Beauty* Awe and Wonder in the Christian Life pastor and theologian Matthew Z. Capps points to the reality that our spirits are formed by God through the beautiful experiences that he offers This book is a call to not only acknowledge the effect that beauty has on the human spirit but it is an appreciation of the obviously divine presence in the things of this world that are truly awe inspiring **Setting the Record Straight** Hany Longwe, 2021-05-17 Kusadziwa Nkufa Komwe Lack of Knowledge is as Being Dead is a Nyanja maxim African Philosophy that is true the world over A person who lacks knowledge is as good as dead inactive and insensitive A dead person does not contribute to good life Lack of knowledge leads to destruction but having knowledge leads to informed decisions and freedom *Setting the Record Straight* is about correction wrong understanding and replacing it with liberating knowledge to the benefit of both church and society **Adventism Confronts Modernity** Robert J.

Mayer, 2017-02-16 Many restorationist oriented associations like the Advent Christian Church often embrace two conflicting principles First they understand the Bible's inspiration and authority in a way that minimizes the importance and value of church tradition Second they give high value to individual autonomy both in biblical interpretation and in church governance *Adventism Confronts Modernity* describes what can happen when these principles conflict and make it difficult to resolve theological conflict This work begins by exploring the nineteenth century historical and theological roots of early Adventism with special attention to William Miller and the theological impact of the Great Disappointment the failed prediction of the early Adventists that Jesus Christ would return visibly in 1843 or 1844 Subsequent chapters explore the Fundamentalist Modernist controversies of the early twentieth century and focus on the impact of those events on the two colleges that trained Advent Christian clergy Aurora College now Aurora University and New England School of Theology later Berkshire Christian College After discussing theological reform efforts within the Protestant mainline and fundamentalist coalitions this book describes the conflicting views regarding the Bible's inspiration that emerged in the early twentieth century and their impact on the Advent Christian Church during the 1950s and 1960s It concludes that further reflection is needed on both the

doctrine of Holy Scripture and how restorationist movements balance Christian theology with individual and congregational autonomy

Questions from the Pews S. P. King, 2019-11-04 Pastors are privileged to hear questions of faith These questions often arise from people who engage in critical thinking value intellectual integrity and want an authentic conversation regarding their inquiries S P King skillfully engages historical biblical and spiritual elements to squarely tackle some of the paramount issues of the Christian faith Each chapter provides the theological background necessary for a thorough response The answers are not presented in a manner to sway one's faith in a particular direction but rather serve as a framework in which beliefs can be objectively examined With each chapter capable of being a stand alone resource the book delivers in depth but concise narratives on each topic There are no efforts to indoctrinate making the book a resounding invitation to explore Christianity in an impartial environment

Living in the Family of Jesus William Longgar, 2016 With its myriad people groups Melanesia has much to teach the rest of the world about what happens when Christ encounters local culture This collection begins with a look at specific case studies of the Gospel's encounter with local culture in Melanesia itself before turning to broader themes particularly raised by the Melanesian context Case studies from Asia and the wider Pacific then throw further light on the incarnational process of encounter demonstrating that there is much for the rest of the world to learn from the Melanesian experience The book concludes with some penetrating analyses of the dynamics at work when the Gospel encounters human cultures for the first time The process of critical contextualization of the Gospel is never complete and is inevitably the product of conversation and experimentation As such it is a communal process This set of essays models one such conversation while at the same time enabling the rest of the church to listen in on important insights

Magnificent Surrender Roger Helland, 2012-01-25 God's kingdom is our true home but we've picked up a habit of resisting it And when finally we do fall in most of us find we've survived so long outside his kingdom that we've lost all instinct for thriving in it That's where Roger Helland meets us Roger has thought long and studied hard on these matters He has pondered deeply what it means to be fully alive in Christ and for Christ and he's tested his insights in classrooms in churches with denominations but mostly in his own life In Magnificent Surrender he's distilled what he's learned into a field guide for kingdom living But Roger draws from an even deeper source His book derives its force and depth from Paul's letter to the Colossians Indeed Magnificent Surrender is an extended pastoral reflection on and application of that letter Colossians in four brief chapters presents the glory of Jesus Christ and the glory of a life wholly submitted to him It is a manifesto of the rich life Magnificent Surrender heralds that brilliantly It's a wise loving and sometimes stern invitation to read Colossians again with fresh eyes and fierce resolve It's also a challenge to take to heart its promise and its exhortation that we can and must live in through with and for
