Who Do You Say That I Am Essays On Christology:

Who Do You Say that I Am? Jack Dean Kingsbury, Mark Allan Powell, David R. Bauer, 1999-01-01 In this volume some of the most prominent international biblical and theological scholars suggest new and exciting ways of understanding the Christology of every major witness in the New Testament canon Along with essays addressing the significance of Christology for systematic theology ethics pastoral ministry and preaching the volume offers a comprehensive and accessible introduction to the New Testament BOOK JACKET

Imitating Jesus Richard A. Burridge, 2007-10-22 In contrast to many studies of New Testament ethics which treat the New Testament in general and Paul in particular this book focuses on the person of Jesus himself Richard Burridge maintains that imitating Jesus means following both his words which are very demanding ethical teachings and his deeds and example of being inclusive and accepting of everyone Burridge carefully and systematically traces that combination of rigorous ethical instruction and inclusive community through the letters of Paul and the four Gospels treating specific ethical issues pertaining to each part of Scripture The book culminates with a chapter on apartheid as an ethical challenge to reading the New Testament using South Africa as a contemporary case study enables Burridge to highlight and further apply his previous discussion and conclusions

Luke's Christology of Divine Identity Nina Henrichs-Tarasenkova, 2015-11-19 Henrichs Tarasenkova argues against a long tradition of scholars about how best to represent Luke's Christology When read against the backdrop of ancient ways of constructing personal identity key texts in the Lukan narrative demonstrate that Luke indirectly characterizes Jesus as the one God of Israel together with YHWH Henrichs Tarasenkova employs a narrative approach that takes into consideration recent studies of narrative and history and enables her to construct characters of YHWH and Jesus within the Lukan narrative She employs Richard Bauckham's concept of divine identity that she evaluates against her study of how one might speak of personal identity in the Greco Roman world She engages in close reading of key texts to demonstrate how Luke speaks of YHWH as God in order to demonstrate that Luke Acts upholds a traditional Jewish view that only the God of Israel is the one living God and to eliminate false expectations for how Luke should speak of Jesus as God This analysis establishes how Luke binds Jesus identity to the divine identity of YHWH and concludes that the Lukan narrative in fact does portray Jesus as God when it shows that Jesus shares YHWH's divine identity

The Preexistent Son Simon J. Gathercole, 2006-10-05 In this challenging book rising New Testament scholar Simon Gathercole contradicts a commonly held view among biblical scholars that the Gospel of John is the only Gospel to give evidence for Jesus heavenly identity and preexistence The Preexistent Son demonstrates that Matthew Mark and Luke were also well aware that the Son of God existed with the Father prior to his earthly ministry Gathercole supports his argument by considering the I have come sayings of Jesus and strikingly similar angelic sayings discovered in Second Temple and Rabbinic literature Further he considers related topics such as Wisdom Christology and the titles applied to Jesus in the Synoptic Gospels Gathercole's carefully researched work should spark debate among Synoptic scholars and

extend the understanding of anyone interested in this New Testament question *The Baptismal Episode as Trinitarian Narrative* Hallur Mortensen, 2020-11-09 Hallur Mortensen examines the concept of God in Mark's Gospel with particular emphasis on the baptismal scene of 1:9-11. This he closely relates to the beginning and end of the prologue 1:2-3 and 1:14-15 concerning the coming of the Lord, the gospel and the kingdom of God. The allusions of the divine voice to Psalm 2 and Isaiah 42 reveal the function and identity of Jesus as the Son of God and thus also of God as the father of Jesus. The identity and descent of the Spirit at the baptism as an anointing is discussed in detail and has a critical function in the coming of the kingdom and the defeat of Satan. These aspects are examined in the context of Jewish monotheism and what Hans W. Frei calls the intention action description of identity that being is constituted by action and Mortensen thus argues that Mark's Gospel portrays a proto and narrative trinitarian conception of God. Handbook for the Study of the Historical Jesus (4 Vols) Tom Holmén, Stanley E. Porter, 2011 V 1 How to study the historical Jesus v 2 The study of Jesus v 3 The historical Jesus v 4 Individual studies **James** Craig L. Blomberg, Mariam J. Kovalishyn, 2009-10-06 Concentrate on the biblical author's message as it unfolds. Designed to assist the pastor and Bible teacher in conveying the significance of God's Word, the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of every passage of the New Testament book in the original Greek. With a unique layout designed to help you comprehend the form and flow of each passage, the ZECNT unpacks the key message. The author's original translation. An exegetical outline. Verse by verse commentary. Theology in application. While primarily designed for those with a basic knowledge of biblical Greek, all who strive to understand and teach the New Testament will benefit from the depth, format and scholarship of these volumes.

The Epistle to the Hebrews and Christian Theology Richard Bauckham, 2009-06-25 The second annual St Andrews Conference on Scripture and Theology brought leading biblical scholars and systematic theologians together in conversation seeking to bridge the growing gap between these disciplines. Reflecting the convergence of the Old Testament's cultic theology, Hellenistic ideas and early Christian thinking, the epistle to the Hebrews provides a perfect foundation for this fruitful dialogue. The contributors examine a number of key theological themes in the letter to the Hebrews: the person and nature of the Son, his high priestly work, cosmology, the epistle's theology of Scripture, supersessionism, the call to faith and more. Unlike many modern treatments, this substantial volume considers Hebrews in both its ancient context and against our modern backdrop. **Edward Adams, Loveday Alexander, Harold W. Sim, 2005-09-14 In what sense does Matthew's Gospel reflect the colonial situation in which the community found itself after the fall of Jerusalem and the subsequent humiliation of

Jews across the Roman Empire To what extent was Matthew seeking to oppose Rome's claims to authority and sovereignty over the whole world to set up alternative systems of power and society to forge new senses of identity If Matthew's community felt itself to be living on the margins of society where did it see the centre as lying In Judaism or in Rome And how did Matthew's approach to such problems compare with that of Jews who were not followers of Jesus Christ and with that of others Jews and Gentiles who were followers This is volume 276 in the Journal for the Study of the New Testament Supplement series and is also part of the Early Christianity in Context series **Mission on the Road to Emmaus** Cathy Ross ,Stephen B. Bevans ,2015-09-30 The contributors in this collection of essays consider mission through the lens of prophetic dialogue They attempt to bring a fresh approach introducing some newer themes and bringing a different perspective on some older themes by examining in a theological rather than issues based way Aimed at scholars and students of missiology in the UK the US and worldwide it is also a contribution to the study of world Christianity and contextual theology Mark M. writers necessarily engaged the predominant gender ideology of the Roman Empire whether consciously or unconsciously. Although the notion of what constituted ideal masculinity in Greek and Roman cultures certainly predated the Roman Empire, the emergence of the Principate concentrated this gender ideology on the figure of the emperor. Indeed, critical to the success of the empire was the portrayal of the emperor as the ideal man and the Roman citizen as one who aspired to be the same. Any person who was held up alongside the emperor as another source of authority would be assessed in terms of the cultural values represented in this Roman image of the manly man. Conway examines a variety of ancient ideas of masculinity as found in philosophical discourses, medical treatises, imperial documents, and ancient inscriptions. Manliness in these accounts was achieved through self-control over passions such as lust, anger, and greed. It was also gained through manly displays of courage, the endurance of pain and death on behalf of others. With these texts as a starting point, Conway shows how the New Testament writings approach Jesus' gender identity. From Paul's early letters to the Gospels and Acts to the book of Revelation, Christian writings in the Bible confront the potentially emasculating scandal of the cross and affirm Jesus as ideally masculine. Conway's study touches on such themes as the relationship between divinity and masculinity, the role of the body in relation to gender identity, and belief in Jesus as a means of achieving a more ideal form of masculinity. This impeccably researched and highly readable book reveals the importance of ancient gender ideology for the interpretation of Christian texts.

Lord Jesus Christ Daniel Treier, 2023-10-31. A study of the doctrine of Christ that is biblical and historical, evangelical, and ecumenical, conceptually clear, and contextually relevant. Lord Jesus Christ expounds the doctrine of Christ by focusing upon the theological interpretation of Scripture regarding Jesus's identity. The book's structure traces a Christological arc from the eternal communion of the Triune God through creation, covenants, Incarnation, passion, and exaltation all the way to the consummation of redemptive history. This arc identifies Jesus as the divine Lord who assumed human flesh for our salvation. The book expounds and defends a classically Reformed Christology in relation to contemporary contexts and challenges, engaging both philosophical and global concerns. Each chapter begins with the theological interpretation of a key Scripture text, before expounding key concepts of orthodox Protestant Christology. Lord Jesus Christ is a unique example of writing dogmatic theology by way of theological exegesis. The result is a volume that engages the numerous scholarly volumes on Christology that have appeared within the last couple of decades but provides a contemporary account of a traditional view. About the Series: New Studies in Dogmatics seeks to retrieve the riches of Christian doctrine for the sake of contemporary theological renewal. Following in the tradition of G. C. Berkouwer's Studies in Dogmatics, this series will provide thoughtful, concise, and readable treatments of major theological topics, expressing the biblical, creedal, and confessional shape of Christian doctrine for a contemporary evangelical audience. The editors and contributors share a common conviction that the way forward in constructive systematic theology lies in building upon the foundations laid in the church's historic understanding of the Word of God as professed in its creeds, councils, and confessions, and by its most trusted teachers.

Contested Issues in Christian Origins and the New Testament Luke T. Johnson, 2013-01-11 In *Contested Issues in Christian Origins and the New Testament* Luke Timothy Johnson offers a series of independent studies on a range of critical questions from the historical Jesus to sexuality and law *Jesus is the Christ: The Messianic Testimony of the Gospels* Michael F Bird, 2012-06-01 Explains the importance of the title and role of Messiah in each of the Gospels and argues that Christianity was a messianic movement rooted in its Jewish context Michael Bird engages the subject of the messianism of the four Gospels While the title and role of Messiah ascribed to Jesus in the Gospels has long been regarded as a late add on a fabricated claim or an insignificant feature Bird argues in contrast that the messianic claims are the most significant for the portrayal of Jesus *Written To Serve* Benjamin Sargent, 2015-06-18 The use of Scripture in 1 Peter has been subject to much extensive analysis in the last thirty years In *Written to Serve* Benjamin Sargent offers an up to date and comprehensive analysis of how 1 Pet 1 10 12 offers a hermeneutic providing an insight into how Scripture is interpreted in the letter Sargent also argues that the relation of 1 10 12 has been misunderstood Rather than offering a Christological hermeneutic with a focus on the suffering and glories of Christ Sargent asserts that the primary importance of 1 10 12 is its orientation of the prophetic witness towards the eschatological community as an act of service Similarly rather than offering a theological narrative of continuity between Israel and Christian communities 1 10 12 may be seen to suggest a narrative of profound discontinuity in which the community in the present is elevated above God's people of the past **The Historical Character of Jesus** David M. Allen, 2014-07-01 By their very nature historical Jesus studies inevitably focus on the Gospel accounts canonical and non canonical alike Scholarly portrayals so generated may vary but the source material tends to be restricted to Gospel texts with the other New Testament testimony rendered secondary as a result and its value limited by either genre or late dating This book redresses the balance by focusing specifically on non Gospel material to see how the other texts of the New Testament contribute to the picture of Jesus **God as Father in Luke-Acts** Diane G. Chen, 2006 *God as Father in Luke Acts* argues that Father is the central image for God in Luke Acts by tracing a line of continuity in the portrayal of God as Israel's merciful faithful and authoritative Father from the Old Testament to Luke Acts and its Second Temple Jewish milieu The fulfillment of the promises to Abraham David and Israel in Jesus is best understood as the fatherly actions of Israel's God Furthermore the striking similarities between God as Father and Augustus as Pater Patriae undermine the assertion of the Lukan view of the Roman Empire as highly polemical
