Studies on the Origin of Divine and Resurrection Christology Andrew Ter Ern Loke, 2023-08-29 The origin and development of divine and resurrection Christologies are among the most important and controversial issues in the study of Christianity One reason why there is a lack of consensus among scholars even though they have access to the same historical material is that different scholars analyze the material differently Building upon his previous monographs *The Origin of Divine Christology* Cambridge University Press 2017 and *Investigating the Resurrection of Jesus Christ* Routledge 2020 Andrew Loke demonstrates the fallacies of reasoning in the analyses of the works of numerous scholars such as Bart Ehrman Paula Fredriksen David Litwa Richard Carrier Raphael Lataster Daniel Kirk Matthew Larsen and Dale Allison Loke defends his proposal that a sizeable group of earliest Christians perceived that Jesus claimed and showed himself to be truly divine and resurrected and replies to objections to his previous works He contributes to the discussion on ancient Jewish monotheism exalted mediator figures comparison with Greco Roman literature Jesus mythicism Markan Christology the historical reliability of the New Testament as well as the use of philosophical and theological categories and the use of psychological studies on parallel apparitions cognitive dissonance mass hysteria pareidolia and memory for the study of early Christology

Can Christians Prove the Resurrection? Sandoval Chris Sandoval, Chris Sandoval, 2010 Christian apologists like Josh McDowell Norman Geisler and William Lane Craig have claimed that the Resurrection of Jesus is the best proved fact of history As they tell the story the original eyewitnesses of the risen Jesus sacrificed their lives for their faith and people who knew Jesus during his lifetime would have challenged any errors in their testimony Allegedly these and many other lines of historical evidence prove the Resurrection beyond a reasonable doubt In *Can Christians Prove the Resurrection* the traditional Christian arguments for the Resurrection are analyzed and critiqued In reality we do not know how most of the apostles met their fates and religious sects like the Kimbanguists and Hasidic Jews have likewise proclaimed miracles and produced martyrs within the lifetimes of eyewitnesses who should have been able to set the record straight These and many other lines of evidence raise copious reasonable doubts regarding the claims of the apologists as this book demonstrates Once all the relevant evidence is examined it becomes clear that there is little likelihood that Jesus of Nazareth arose from the dead or that the Resurrection ever took place

Joy: Food for the Journey ELIZABETH MCQUOID, 2020-05-21 We all want joy for ourselves and for those we love naturally But often it eludes us Joy in the Bible is far greater more robust than happiness It persists through the hard times We are even encouraged to rejoice in God always Joni Eareckson Tada knows more than most what this joy looks and feels like Severely disabled and confined to a wheelchair since a diving accident in her teens she knows the defiant yet of Habakkuk in spite of everything life throws at her she can rejoice With trusted teachers Michael Baughen Alistair Begg Don Carson Peter Maiden Paul Mallard Alec Motyer John Risbridger Derek Tidball and others by your side discover how the Bible Nehemiah Habakkuk John Romans Galatians

Philippians 1 Peter and 1 John not just the Psalms can help us find joy whatever life throws at us For people like us in the real world today Confronting Christianity Rebecca McLaughlin,2019-04-17 Although many people suggest that Christianity is declining research indicates that it continues to be the world s most popular worldview But even so the Christian faith includes many controversial beliefs that non Christians find hard to accept This book explores 12 issues that might cause someone to dismiss orthodox Christianity issues such as the existence of suffering the Bible s teaching on gender and sexuality the reality of heaven and hell the authority of the Bible and more Showing how the best research from sociology science and psychology doesn t disagree with but actually aligns with claims found in the Bible these chapters help skeptics understand why these issues are signposts rather than roadblocks to faith in Christ **Relational Apologetics** Michael C. Sherrard,2015-06-24 Defending the Christian faith by demonstrating its reality Relational Apologetics is about your life becoming a defense of the Christian faith Every relationship you have is an opportunity for you to connect people to their creator by displaying your hope both in word and deed Defending your faith is not just about answering questions and proving that God exists It is about showing that He is real by the way you live It is about demonstrating the power of God through your holiness And it is about drawing people to Jesus through your kindness Using stories and drawing on personal experiences Sherrard teaches the importance of holiness treating skeptics with respect engaging in authentic conversations instead of shouting matches and having well thought out answers to the skeptic s questions The book doesn t delve deeply into the scientific and philosophical arguments for the existence of God and the validity of Christianity Rather it provides solid simple and easily remembered reasons why one should believe in each It will also teach essential relational skills that are necessary for talking to skeptics and maintaining healthy relationships with them *Imitate Me as I Imitate Christ* H. H. Drake Williams III,2025-02-20 What did the Corinthians think that Paul meant when he urged the them to imitate him as he imitates Christ Exploring 1 Corinthians Romans 1 Clement and early Christian texts it is likely that the Corinthians knew more of Jesus s teachings and lifestyle Using the fruit of collective memory studies this study approximates a collective memory about Jesus It then compares this approximated memory with the surrounding context of 1 Cor 4 16 and 11 1 finding much agreement In the Fullness of Time Gurtner et al,2016 Over the course of his distinguished career Richard Bauckham has made pioneering contributions to diverse areas of scholarship ranging from ethics and contemporary issues to hermeneutical problems and theology often drawing together disciplines and fields of research all too commonly kept separate from one another In this volume some of the most eminent figures in modern biblical and theological scholarship present essays honoring Bauckham Addressing a variety of subjects related to Christology creation and eschatology the contributors develop elements of Bauckham s biblical and theological work further present fresh research of their own to complement his work and raise critical questions from dust jacket A Pastor's Highways on the Way to the New Jerusalem Arthur Jarrell Tankersley,2021-10-29 David Brooks wrote in *The Second Mountain* A pilgrimage is a journey undertaken in

response to a story My life story has been lived in response to God's story revealed in the Bible This book is about the highways I have traveled in obedience to the Voice of the Holy breaking into my successes and failures desires and doubts and leading me by the power of grace in ever merciful and transforming ways If you are drawn to my story it is because the same Voice is calling you to share the adventure of a lifetime in following Jesus as he set his face to go up to Jerusalem Through my story may you hear Aslan's Christ's invitation Come further in Come further up This story travels by way of the highways to Zion Ps 84 5 7 Those highways become deeply paved in the hearts and minds of those who work for the healing of the world and who bring the blessings of the reign of God to barren dry and thirsty lands *A Trustworthy Gospel* Daniel B. Moore, 2024-03-29 The trustworthiness of the Gospels rests not only on claims of inspiration but also on eyewitness testimony And our confidence in that testimony is directly related Daniel Moore contends to when the first Gospel was published Therefore it is incumbent upon Christians to consider whether an effective case can be made for asserting that the first Gospel was published within several years or perhaps a decade of the resurrection To this end this book offers a series of arguments demonstrating that an early publication of Matthew is reasonable defensible and preferable over the popular view that several decades passed before Gospels were published These arguments include a reasonableness argument that the early church had the means motive and opportunity to produce a Gospel an argument from the church fathers which also resolves supposed conflicts exegetical arguments from Galatians apologetic motivational arguments from Christian scholars over the last several centuries arguments based on ancient perspectives on aging memory and on the obligation of orators to write concerns which would have motivated the apostles to publish early and an explanatory power argument Ultimately the author will encourage the reader to view Matthew as the Messiah's royal chronicler *Why Trust the Bible?* Rose Publishing, 2021-10-05 Why Trust the Bible Pamphlet answers 6 questions brought up by recent books and TV shows about the reliability of the Bible including Was the Bible changed Or Was the Bible edited Or Are there thousands of Bible errors The Bible can be trusted People who have been influenced by skeptics such as Dan Brown and his bestseller The DaVinci Code or Dr Bart Ehrman's book Misquoting Jesus will find convincing answers in this booklet Why Trust the Bible The Bible text has not been changed with reckless abandon And the Bible is not full of errors as some claim The bestselling Why Trust the Bible reassures Christians about the reliability of the Bible Dr Timothy Paul Jones examines six claims and shows what logic and history actually tell us Why Trust the Bible Gives a Critique of Bart Ehrman's Misquoting Jesus Claim The Gospels were written long after Jesus lived and were written by people who weren't eyewitnesses Claim The stories about Jesus life and death were not handed down reliably and not recorded accurately Claim The Bible is full of textual errors as proven by the Dead Sea Scrolls Claim The New Testament wasn't finalized until hundreds of years after Jesus and his disciples so there could have been many other gospels accepted and later rejected in addition to the four Gospels found in the Bible today Claim The originals of the Bible are lost therefore we have no way of knowing what it actually said Claim The Bible was
