Braddock,2009-03-31 Thomas Eakins and the Cultures of Modernity is the first book to situate Philadelphia s greatest realist painter in relation to the historical discourse of cultural difference In this study Alan C Braddock reveals that modern anthropological perceptions of culture which many art historians attribute to Eakins did not become current until after the artist s death in 1916 Braddock finds in the work of Thomas Eakins a lifelong engagement with aesthetic and social currents that extended well beyond his native city of Philadelphia indicating the persistence of a worldly sensibility long after he had concluded his formative studies in Europe during the 1860s Braddock shows how Eakins developed a localized cosmopolitanism all his own based in Philadelphia but tapped into a global field of visual production Jacket *Who Owns Culture?* Susan Scafidi,2005-05-18 It is not uncommon for white suburban youths to perform rap music for New York fashion designers to ransack the world s closets for inspiration or for Euro American authors to adopt the voice of a geisha or shaman But who really owns these art forms Is it the community in which they were originally generated or the culture that has absorbed them While claims of authenticity or quality may prompt some consumers to seek cultural products at their source the communities of origin are generally unable to exclude copyists through legal action Like other works of unincorporated group authorship cultural products lack protection under our system of intellectual property law But is this legal vacuum an injustice the lifeblood of American culture a historical oversight a result of administrative incapacity or all of the above Who Owns Culture offers the first comprehensive analysis of cultural authorship and appropriation within American law From indigenous art to Linux Susan Scafidi takes the reader on a tour of the no man s land between law and culture pausing to ask What prompts us to offer legal protection to works of literature but not folklore What does it mean for a creation to belong to a community especially a diffuse or fractured one And is our national culture the product of Yankee ingenuity or cultural kleptomania Providing new insights to communal authorship cultural appropriation intellectual property law and the formation of American culture this innovative and accessible guide greatly enriches future legal understanding of cultural production **Stories of Culture and Place** Michael Kenny,Kirsten Smillie,2014-11-20 This original introduction

to cultural anthropology is a textbook like no other Structured as a narrative rather than a compendium of facts about cultures and concepts it invites students to think of anthropology as a series of stories that emerge from cultural encounters in particular times and places These moments of encounter are illustrated with reference to both classic and contemporary ethnographic examples from Coming of Age in Samoa to Coming of Age in Second Life allowing readers to grasp anthropology s sometimes problematic past while still capturing the excitement and potential of the discipline *The Long Journeys Home* Nick Bellantoni,2014-04-30 The moving stories of two Indigenous men in the United States and the return of their remains to their homelands Henry Opkaha ia ca 1792 1818 Native Hawaiian and Itankusun Wanbli ca 1879 1900 Oglala Lakota lived almost a century apart Yet the cultural circumstances that led them to leave their homelands and eventually die in Connecticut have striking similarities p kaha ia was orphaned during the turmoil caused in part by Kamehameha s wars in Hawai i and found passage on a ship to New England where he was introduced and converted to Christianity becoming the inspiration behind the first Christian missions to Hawai i Itankusun Wanbli Christianized as Albert Afraid of Hawk performed in Buffalo Bill s Wild West to make a living after his traditional means of sustenance were impacted by American expansionism Both young men died while on their journeys to find fulfillment and both were buried in Connecticut cemeteries In 1992 and 2008 descendant women had callings that their ancestors wanted to come home and began the repatriation process of their physical remains Connecticut state archaeologist Nick Bellantoni oversaw the archaeological disinterment forensic identifications and return of their skeletal remains back to their Native communities and families The Long Journeys Home chronicles these important stories as examples of the wide reaching impact of American imperialism and colonialism on Indigenous Hawaiian and Lakota traditions and their cultural resurgences in which the repatriation of these young men have played significant roles Bellantoni s excavations his interaction with two Native families and his participation in their repatriations have given him unique insights into the importance of heritage and family among contemporary Native communities and their common ground with archaeologists His natural storytelling abilities allow him to share these meaningful stories with a larger general audience Bellantoni recovers from obscurity the remarkable life journeys dreams and deaths of two Native men and the two worlds they lived in Paul Grant Costa Yale Indian Papers Project Based on meticulous forensic research Bellantoni s tale of two indigenous youth from different cultures and time periods and their struggles to survive cultural upheavals clearly reveals the chaotic effects of American colonialism on Native peoples The book is a major contribution to the field of Postcolonial Studies Lucianne Lavin author of Connecticut s Indigenous Peoples

Anetso, the Cherokee Ball Game Michael J. Zogry, 2010 This is a careful and innovative consideration of a remarkable and enduring Native American ritual. Zogry reflects deeply, critically, and sensibly on an amazing array of issues of theoretical interest to the study of religion, culture, game, ritual, secrecy, colonial contact, and even the impact of tourism on culture. An important and informative work. SAM D GILL, University of Colorado at Boulder. Zogry presents a very well researched, ethically grounded, and theoretically informed study of Anetso, the Cherokee ball game, which will instruct students of Native American religions, Cherokee traditions and history, and the anthropology of sport. A valuable book that is based on impressive archival and ethnographic work. Michael D. McNally, Carleton College. Anetso, a centuries-old Cherokee ball game still played today, is a vigorous, sometimes violent activity that rewards speed, strength, and agility. At the same time, it is the focus of several linked ritual activities. Is it a sport? Is it a religious ritual? Could it possibly be both? Why has it lasted so long, surviving through centuries of upheaval and change? Based on his work in the field and in the archives, Michael J. Zogry argues that members of the Eastern Band of Cherokee Nation continue to perform selected aspects of their cultural identity by engaging in Anetso itself, the hub of an extended ceremonial complex or cycle. Historically, this complex has featured virtually every activity that Cherokee people and non-Cherokee observers have identified as elemental to Cherokee religion or ritual. However interpreted as game within a broader framing of religion, Anetso simultaneously resists and problematizes such classifications. A precursor to lacrosse, Anetso appears in all manner of Cherokee cultural narratives and has figured prominently in the written accounts of non-Cherokee observers for almost three hundred years. The Anetso ceremonial complex incorporates a variety of activities that taken together complicate standard scholarly distinctions such as game versus ritual, public display versus private performance, and tradition versus innovation. Thus, examination of this Cherokee ball game and the ceremonial complex that it anchors provides a striking opportunity for a rethinking of the understanding of ritual and performance as well as their relationship to cultural

identity Zogry draws on extensive cultural consultation with members of the Cherokee community in western North Carolina undertaken with the approval of the Eastern Band of Cherokee Nation Tribal Council as well as thorough archival research to offer a sharp reappraisal of scholarly discourse on the Cherokee religious system with particular focus on the Eastern Band of Cherokee Nation
