Whos That Baby New Baby Songs:

Who Is This Child? John Ortberg, 2012-10-02 The child in Bethlehem would grow up to be a friend of sinners not a friend of Rome He would spend his life with the ordinary and the unimpressive He would pay deep attention to lepers and cripples to the blind and the beggar to prostitutes and fishermen to women and children He would announce the availability of a kingdom different from Herod's A kingdom where blessings full value and worth with God was now conferred on the poor in spirit and the meek and the persecuted People would not understand all this meant According to pastor and bestselling author John Ortberg in *Who Is This Child* we still do not But a revolution was starting a slow quiet movement that began at the bottom of society and would undermine the pretensions of the Herods It was a movement that was largely underground like a cave around Bethlehem where a dangerous baby was born and hidden from a king Strange reversal Men who wore purple robes and glittering crowns and gaudy titles began to look ridiculous And yet the figure of the child born in a manger only grew in stature Adapted from John Ortberg's book *Who Is This Man*
