Whose Money Is It Anyway:

Whose Money Is It Anyway? John F. MacArthur, 2000-06-18 Reading books on money and giving typically makes us feel worse than when we began I don't want you to feel worse I want you to feel better And the path to feeling better is understanding what the Bible really says about giving and spending This book will help you do that John MacArthur John MacArthur has written this no nonsense book to affirm Christ's teaching that it is more blessed to give than to receive In this practical easy to read book Christians can find out How to give where to give and how much to give Scriptural guidelines for acquiring money and investing it The right and wrong ways to go about giving The connection between generous giving and prosperity Why get rich quick schemes like gambling are wrong When you give as God has commanded you will find it liberating rewarding joyous and profoundly enriching John MacArthur Find out in this book how the blessings that go with giving can be yours *Whose Money is it Anyway?* Ann Finlayson, 1989-10 *Feminists Who Changed America, 1963-1975* Barbara J. Love, 2006-09-22 Documents the key feminists who ignited the second wave women's movement This work tells the stories of more than two thousand individual women and a few notable men who together reignited the women's movement and made permanent changes to entrenched customs and laws *Money Matters* R. Paul Stevens, Clive Lim, 2021-01-26 A guide to investing in heaven and being rich toward God Christians often hesitate to talk about money in spiritual contexts but in the gospels Jesus talks more about money than about religious topics like prayer and heaven Money Matters advocates following Jesus's lead in engaging with matters of economy and finance in a faith driven way in both our individual and our corporate lives The authors draw on their contrasting life experiences to offer a well rounded look at money in the twenty first century Paul Stevens who grew up well off in Canada and worked as a carpenter a banker and later a pastor and professor of theology finds a complementary voice in Clive Lim who grew up without money in Singapore and now works there as an entrepreneur and head of a family investment firm With frequent scriptural references Stevens and Lim offer insight into navigating the economic systems of today aiming to help individuals churches and societies become faithful stewards who store up treasures in heaven by investing in the kingdom of God Money Matters is a comprehensive yet accessible guide to integrating one's faith with one's approach to money Just as the Bible variously treats money as a blessing a sacrament and a problem so do Stevens and Lim approach this matter judiciously avoiding the prosperity gospel on one side and the demonization of material wealth on the other Capitalism is treated as what it is a system that has created widespread opportunity and relieved poverty for millions while also exacerbating the gap between the haves and the have nots The authors wisdom is at turns theological historical and practical and always focused on what it means to live with faithful integrity in our contemporary global economy **The Rise and Fall of the Oil Nation Venezuela** Carlos A. Rossi, 2023-12-28 This book explains why Venezuela is so rich in natural resources it has been producing oil since 1922 and harbors the largest oil reserves in the world and yet it is also a failed nation of class divided citizens exhibiting deep poverty

in a corrupt incompetent state Venezuela is a bipolar nation where two marked poles in the society exist which have historical origins and are mutually exclusive The book provides a critical analysis of Venezuela s history economy and politics and explains the context and implications of the bipolar poles known as the elite pole and the resentful pole Both it shows have done serious harm to Venezuela s prosperity The author describes the vicious circle of oil wealth corruption inefficiency and world market dependency and gives recommendations for a better future **Greek for Preachers** ,2002 **The**
