Why Cant Sharon Kowalski Come Home:

Why Can't Sharon Kowalski Come Home? Karen Thompson, Julie Andrzejewski, 1988 The gripping story of how a closeted university professor waged a years long legal battle to gain legal guardianship of her disabled lover **Why Can't Sharon Kowalski Come Home?** Karen Thompson, Julie Andrzejewski, 1988 Five years ago Sharon Kowalski was brain damaged in an automobile accident A court battle ensued between her family and her lover Karen Thompson whose attempt to file for guardianship and subsequent appeals were thwarted despite conclusive evidence as to the nature of the women s relationship The book demonstrates that the courts ignored affidavits by therapists who witnessed Thompson s determination in rehabilitating Kowalski yet allowed into evidence one doctor s out of court deposition asserting that the patient would be exposed to a high risk of sexual abuse if Thompson were allowed to visit Chronicling Thompson s uphill struggle against the sexism and homophobia that permeate this country s institutions this controversial work reveals one woman s personal journey from closeted lesbian to feminist activist while reconciling her Christian beliefs with her own sexuality This is an important book told with candor and warmth with major implications into the legal rights of disabled persons and lesbians and gay men Included here are forms and instructions to create a durable power of attorney The coauthors are professors at St Cloud State University in Minnesota PUBLISHERS WEEKLY Crip Theory Robert McRuer, Michael Bérubé, 2023-11-21 A bold and contemporary discourse of the intersection of disability studies and queer studies Crip Theory attends to the contemporary cultures of disability and queerness that are coming out all over Both disability studies and queer theory are centrally concerned with how bodies pleasures and identities are represented as normal or as abject but Crip Theory is the first book to analyze thoroughly the ways in which these interdisciplinary fields inform each other Drawing on feminist theory African American and Latino a cultural theories composition studies film and television studies and theories of globalization and counter globalization Robert McRuer articulates the central concerns of crip theory and considers how such a critical perspective might impact cultural and historical inquiry in the humanities Crip Theory puts forward readings of the Sharon Kowalski story the performance art of Bob Flanagan and the journals of Gary Fisher as well as critiques of the domesticated queerness and disability marketed by the Millennium March or Bravo TV s Queer Eye for the Straight Guy McRuer examines how dominant and marginal bodily and sexual identities are composed and considers the vibrant ways that disability and queerness unsettle and re write those identities in order to insist that another world is possible **The Sharon Kowalski Case** Casey Charles, 2003 A gripping story of love and law The Sharon Kowalski Case chronicles one of the true landmarks in the fight for the rights of same sex partners fully framed for the first time within its social political and historical contexts *Practicing What We Teach* Renee J. Martin, 1995-08-31 Focusing on the efforts of teacher educators struggling to meaningfully address issues of race class and gender in their classrooms Practicing What We Teach goes beyond the realm of the theoretical to link multicultural theory to actual classroom practice In so doing the contributors expose some of the stark

realities of addressing issues of diversity in institutions where there has traditionally been little research or support for multicultural efforts Shared classroom experience by teacher educators creates a new template for thinking about diversity as the reader is guided through the reconstruction of pedagogies and classroom approaches that encourage students to think reflectively and analytically about the nature of their experiences in American society

Disability Pride Ben Mattlin, 2022-11-29 An eye opening portrait of the diverse disability community as it is today and how disability attitudes activism and representation have evolved since the passage of the Americans with Disabilities Act ADA In Disability Pride disabled journalist Ben Mattlin weaves together interviews and reportage to introduce a cavalcade of individuals ideas and events in engaging fast paced prose He traces the generation that came of age after the ADA reshaped America and how it is influencing the future He documents how autistic self advocacy and the neurodiversity movement upended views of those whose brains work differently He lifts the veil on a thriving disability culture from social media to high fashion Hollywood to Broadway showing how the politics of beauty for those with marginalized body types and facial features is sparking widespread change He also explores the movement's shortcomings particularly the erasure of nonwhite and LGBTQIA people that helped give rise to Disability Justice He delves into systemic ableism in health care the right to die movement institutionalization and the scourge of subminimum wage labor that some call legalized slavery And he finds glimmers of hope in how disabled people never give up their fight for parity and fair play Beautifully written without anger or pity Disability Pride is a revealing account of an often misunderstood movement and identity an inclusive reexamination of society's treatment of those it deems different

Beyond (Straight and Gay) Marriage Nancy D. Polikoff, Michael Bronski, 2008-02-01 The debate over marriage equality for same sex couples rages across the country Beyond Straight and Gay Marriage boldly moves the discussion forward by focusing on the larger more fundamental issue of marriage and the law The root problem asserts law professor and LGBT rights activist Nancy Polikoff is that marriage is a bright dividing line between those relationships that legally matter and those that don't A woman married to a man for nine months is entitled to Social Security survivor's benefits when he dies a woman living for nineteen years with a man or woman to whom she is not married receives nothing Polikoff reframes the debate by arguing that all family relationships and households need the economic stability and emotional peace of mind that now extend only to married couples Unmarried couples of any sexual orientation single parent households extended family units and myriad other familial configurations need recognition and protection to meet the concerns they all share building and sustaining economic and emotional interdependence and nurturing the next generation Couples should have the choice to marry based on the spiritual cultural or religious meaning of marriage in their lives asserts Polikoff While marriage equality for same sex couples is a civil rights victory she contends that no one should have to marry in order to reap specific and unique legal results A persuasive argument that married couples should not receive special rights denied to other families Polikoff shows how the law can value all families and why it must

The Top Books of the Year Why Cant Sharon Kowalski Come Home The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. Why Cant Sharon Kowalski Come Home : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Why Cant Sharon Kowalski Come Home : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
