Angela Lumpkin

Why Johnny Hates Sports Why Organized Youth Sports Are Failing Our Children:

Why Johnny Hates Sports Fred Engh, 2002-01-01 All across the country a growing number of children are dropping out of organized sports not because they don't like to play but because the system they play in is failing them Written by one of this country's leading advocates of youth sports *Why Johnny Hates Sports* explains why many of the original goals of youth leagues have been affected by today's win at all costs attitude It then documents the negative physical and psychological impact that parents coaches and administrators can have on children while providing effective solutions to each of the problems covered *Why Johnny Hates Sports* is both an exposé of abuses and a call to arms It clearly illustrates a serious problem that has plagued youth sports for too long Most important it provides practical answers that can alter this destructive course

Why Johnny Hates Sports Fred Engh, 2013-04-24 All across the country a growing number of children are dropping out of organized sports not because they don't like to play but because the system they play in is failing them Written by one of this country's leading advocates of youth sports *Why Johnny Hates Sports* explains why many of the original goals of youth leagues have been affected by today's win at all costs attitude It then documents the negative physical and psychological impact that parents coaches and administrators can have on children while providing effective solutions to each of the problems covered *Why Johnny Hates Sports* is both an exposé of abuses and a call to arms It clearly illustrates a serious problem that has plagued youth sports for too long Most important it provides practical answers that can alter this destructive course

How to Maximize Your Child's Learning Ability Lauren Bradway, Barbara Albers Hill, 2012-05-25 Over twenty years ago Dr Lauren Bradway discovered that all children use one of three distinct ways to grasp and remember information Some learn best through sound and language others through visual stimulation and others through touch In this unique book Dr Bradway first shows you how to determine your child's inherent style She then aids you in carefully selecting the toys activities and educational strategies that will help reinforce the talents your child was born with and encourage those skills that come less easily

The Ethics of Sport Arthur L. Caplan, Brendan Parent, 2017 Sports are more than just games They can unite countries start wars and revolutionize views on race class and gender Through works from philosophy sociology medicine and law this collection explores intersections of sports and ethics and identifies the immense role of sports in shaping and reflecting social values

Youth Sports in America Skye G. Arthur-Banning, 2018-06-21 Written by a former Olympic consultant this book examines youth sports in America today from institutions that dominate organized youth sports to high profile controversies ranging from burnout and out of control parents to the health risks of youth football As organized youth sports occupy an ever greater role in the lives of American families critics have begun to question whether some programs and participants have lost their way This timely book examines the state of youth sports in America today analyzing how organized sports influence communities discussing the potential emotional and physical benefits as well as drawbacks of youth sports and profiling the industry's key participants ranging from parent coaches to club sports owners to

personal trainers The work begins with a look at the evolution of youth sports in the United States then explores such topics as burnout self discipline performance enhancing drugs parental violence and scholarships The content includes coverage of 20 individual youth sports such as basketball softball lacrosse baseball volleyball football soccer cross country and swimming and provides breakdowns of historical and current participation rates injury rates and sport specific scholarship trends Each summary includes contact information on important organizations specific to that sport

Learning Culture through Sports Sandra Spickard Prettyman, Brian Lampman, 2010-09-16 In today's culture sports wield a weight influence this influence however is rarely examined Similar to the first edition this second edition of Learning Culture Through Sports provides coaches educators parents and others dealing with students and athletes with an engaging and critical context for probing the sociological basis of this influence The book's sections each address a particular issue in sport youth and sport gender and sexuality race and ethnicity sport media and big business and international perspectives on sport and participation Leading experts in the field present new and exciting avenues for exploring sport in our world allowing us to recognize its tremendous influence both positive and negative in our lives and in our world This new edition also includes cutting edge research examining contemporary issues and controversies surrounding sport today These issues analyzed from multiple perspectives will inspire readers to change the game in positive ways

The Youth Sports Crisis Steven J. Overman, 2014-10-14 This provocative critique of the youth sports movement examines the various issues surrounding children in sports and provides a plan for reform based on a change in philosophy and practice Many American children spend more than 20 hours a week in organized sports forgoing free time and unstructured recreational activities for the rigors of training and competition This book offers a comprehensive critique of the youth sports movement pitting the reality of adult run sports programs against the needs and interests of children It examines whether the tradeoff of normal play time for structured sports activities teaches discipline and leads to stronger character development or if the pressures of the game the physical strain of practicing and the general overscheduling of children's lives have eroded the benefits associated with playing sports Educator and former coach Steven J. Overman contends that youth based sports programs require a radical change for the well being of the young participants The book explores the various problems in organized sports including stress on the family physical health hazards violence emotional duress elitism and hyper competitiveness Incorporating the perspectives of coaches athletes parents physicians and social scientists the narrative scrutinizes the role of adults as promoters and coaches and concludes with a discussion of current and needed reforms

Communication and Sport Andrew C. Billings, Michael L. Butterworth, Paul D. Turman, 2017-02-28 Communication and Sport Surveying the Field Third Edition examines a wide array of topics necessary to understand sports media rhetoric culture and organizations from micro to macro level issues All levels of sports are addressed through varied lenses such as mythology community and identity The Third Edition is newly expanded to incorporate the latest topics and perspectives in the field such as fan cultures racial

identity and gender in sports media politics and nationality in sports crisis communication in sports organizations and more

Unintended Consequences Jerry Norton, 2015-12-15 UNINTENDED CONSEQUENCES is a look at the deplorable situation in youth sports through the 84 year old eyes of photojournalist youth coach referee and league administrator Jerry Norton. Norton makes the case that youth sports have become more about winning than playing and more about adult egos than kids enjoyment and participation. According to Coach Jerry the evidence is clear and the verdict is in: Adults, whether malicious or well meaning, are deemed guilty of hijacking youth sports most noble and worthy objective: fun. Win at all cost, coaches and demanding parents with unrealistic expectations are responsible for horrific acts of violence as well as untold incidents of child abuse that have become common place in youth sports. The long time youth sports activist offers constructive criticisms as well as solutions intended to make kids sports fun again for all participants. *What Makes Kids Kick @ Home* Fran Kick, 2005 *What Makes Kids Kick Home* is the compelling second installment in Fran Kick's acclaimed series on the Millennial Generation. Building upon the foundational framework established in the first book, this focused guide zeroes in on what specifically inspires young people within the home environment. Recognizing that every generation faces a changing world, Kick acknowledges that Millennials born 1980-2000 encounter challenges at an unprecedented speed and scale. These rapid fire changes create a vastly different landscape from what previous generations experienced, requiring equally different motivational strategies and approaches. This practical resource provides parents and families with concrete, actionable steps to effectively reach, teach and lead Millennial children in the home setting. Rather than relying on outdated methods that worked for previous generations, Kick advocates for fresh tactics that align with how today's young people actually think, learn and respond. The book addresses the unique home dynamics that influence Millennial motivation, offering insights into family communication patterns, technology integration and the evolving parent-child relationship. Readers will discover how to navigate the specific challenges of raising self-directed young people in an increasingly complex world. *What Makes Kids Kick Home* goes beyond identifying problems to deliver pragmatic solutions that work. The strategies presented are designed to help parents develop their children into self-motivated adults who possess an internal, ever-present drive to make things happen. The ultimate objective is cultivating the next generation of leaders: young people equipped with the mindset and skills to KICK IT IN TAKE THE LEAD. This book serves as an essential companion for parents committed to understanding and effectively motivating their Millennial children within the home environment. With its blend of research-backed insights and practical application, *What Makes Kids Kick Home* transforms family dynamics and empowers parents to successfully guide their children toward becoming self-inspired, proactive adults ready to lead in tomorrow's world. *The Erosion of the American Sporting Ethos* Joel Nathan Rosen, 2007-04-23 This volume provides an analysis of the nature of competition in contemporary American sport. This work traces American sport from American culture to the influence of the 1960s counterculture and the resulting rise of a post-Cold War ethos that continues to reinterpret competitiveness as a relic

of a misbegotten past and anathema to American life Provided by publisher Really Winning Jim Mastrich, 2002-09-21 Dr Jim Mastrich's years of experience as a licensed psychologist who consults athletes and counsels troubled adolescents and their families is the foundation of Really Winning a comprehensive guide that provides mentors with the tools to foster integrity and character in boys A must for any parent this practical guide encourages parents and coaches to help athletes develop compassion and empathy instead of becoming arrogant and self centered Many of the modern day heroes for boys are sports figures But it seems today for every Tiger Woods whose talent is matched by good character there's a Mike Tyson whose exploits and abuses give sports a bad name Really Winning goes beyond many boy books published in recent years By focusing specifically on the positive aspects of athletics and incorporating the psychological background of our boys Dr Mastrich helps parents coaches and administrators create the ideal conditions for boys to become young men with sound character Using many vignettes from his own practice Dr Mastrich has shaped Really Winning into a readable practical anecdotal guidebook that no parent should be without **The Erosion of the American Sporting Ethos ... Reconsidered** Joel Nathan Rosen, 2021-01-01 This work examines American sport from its traditional roots to the influence of the 1960s era counterculture and the rise of a post Cold War ethos that reinterprets competition as a relic of a misbegotten past and anathema to American life *Safeguarding, Child Protection and Abuse in Sport* Melanie Lang, Mike Hartill, 2014-07-11 The safeguarding of children and young people participating in sport has become an increasingly prominent concern in policy making and research communities around the world Major organisations such as the IOC and UNICEF now officially recognize that children in sport can be at risk of exploitation and abuse and this concern has led to the emergence of new initiatives and policies aimed at protecting vulnerable young people and athletes This book is the first to comprehensively review contemporary developments in child protection and safeguarding in sport on a global level The book is divided into two parts Part One critically analyses current child protection and safeguarding policy and practice in sport across a range of countries including the US Canada the UK Australia China and Germany providing a global context for current policy and practice This represents the most comprehensive review to date of the landscape of child protection and safeguarding in sport and provides a starting point for critical international comparisons Part Two explores a range of issues related to child protection and safeguarding in sport including many not covered in previous books such as emotional abuse injury and over training While in many instances the impetus for policy in this area has arisen from concerns about sexual abuse the second part of this book therefore opens up a broader more holistic approach to child and athlete welfare By bringing together many of the leading researchers working in child and athlete protection in sport from around the world this book is important reading for all advanced students researchers policy makers or practitioners working in youth sport physical education sports coaching coach education or child protection **Sport, Identity and Community** Andy Harvey, Richard Kimball, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2016 Sport is multi billion dollar business

Sport is a kick around in the park Sport is high and low politics Sport is said to shape admirable personal qualities Sport is said to embed the worst of white male heterosexual able bodied privilege Sport is said to break down social barriers Sport is said to entrench a narrow nationalism The list of what sport is said to be can be extended almost ad infinitum This e book attempts to make sense of some of the multiplicity of the things that sport can be mean and do The papers in this volume explore the diversity of sport providing insights from a wealth of perspectives into this ubiquitous cultural practice The e book will appeal to students practitioners and readers who want to gain a fuller understanding of the games we watch and play

Modern Sport Ethics Angela Lumpkin, 2016-12-12 The descriptions and examples of unethical behaviors in sport in this book will challenge readers to rethink how they view sport and question whether participating in sport builds character especially at the youth and amateur levels Sport potentially can teach character as well as social and moral values but only when these positive concepts are consistently taught modeled and reinforced by sport leaders with the moral courage to do so The seeming moral crisis threatening amateur and youth sport evidenced by athletes coaches and parents alike making poor ethical choices and ongoing scandals regarding performance enhancing drug use by professional athletes make sports ethics a topic of great concern This work enables readers to better understand the ethical challenges facing competitive sport by addressing issues such as gamesmanship doping cheating sportsmanship fair play and respect for the game A compelling read for coaches sport administrators players parents and sport fans the book examines specific examples of unethical behaviors many cases of which occur in amateur and educational sports to illustrate how these incidents threaten the perception that sport builds character It identifies and investigates the multiple reasons for cheating in sport such as the fact that the rewards for succeeding are so high and the feeling of athletes that they must behave as they do to level the playing field because everyone else is cheating being violent taking performance enhancing drugs or doing whatever it takes to win Readers will gain insight into how coaches and sport administrators can achieve the goals for youth interscholastic intercollegiate and Olympic sport by stressing moral values and character development as well as see how specific recommendations can help ensure that sport can serve to build character rather than teach bad behavior in the pursuit of victory

Revolution in the Bleachers Regan McMahon, 2007-04-19 A journalist and mother of two athletic kids exposes the physical and emotional dangers of our over the top youth sports culture and offers practical solutions for positive change A decade ago Joan Ryan's exposé Little Girls in Pretty Boxes changed the way we look at elite sports namely figure skating and gymnastics Today there is another crisis in youth sports It may affect any child from the kindergartner on the soccer field to the high school athlete competing for scarce scholarship money Regan McMahon's Revolution in the Bleachers is a wake up call for parents who spend their lives shuttling their kids from one field and practice to the next and wonder what happened to family life Have late weeknight practices made family meals a thing of the past Do you spend hours in the car each week driving to games across town or across the state Do you worry that your kids will miss out on competitive experiences college

scholarships and other advantages if they do not specialize in one sport early on Do you feel pressured to have your kids join elite club teams with steep fees and demanding travel schedules Do your kids get repetitive stress injuries that necessitate trips to orthopedic surgeons or physical therapists Do you miss your non sports related vacations as a family If so the good news is you are not alone Other parents and kids and even some coaches are on your side And you have a choice Regan McMahon s book began as a cover story for the San Francisco Chronicle Magazine Titled How Much is Too Much it got a tremendous response Finally someone had dared to say what many parents were thinking Parents kids and coaches responded prompting McMahon to criss cross the country doing interviews and research to find out how deep the problem goes and how to fix it In Revolution in the Bleachers McMahon traces the evolution of the over the top youth culture and gives you a practical plan of action to bring balance back to kids lives and our families McMahon s rallying cry for a revolution in the bleachers could not be more timely or useful for parents trying to do the best for their kids *World Sports* Maylon Hanold,2012-07-19 This book covers a wide range of issues and controversies within the world of sports including drug use economics ethics ethnicity gender globalization politics race sexuality and technology from both a U S and global perspective *World Sports A Reference Handbook* covers a wide variety of sports related controversies including ethical political technological business and social issues related to the phenomenon of sports Many of the larger topics are covered from multiple angles often providing both a global and American perspective The work provides unique insights into the commonly addressed subject of sports supplying information that most readers will find unfamiliar and thought provoking Addressing forms of sports as diverse as American football skateboarding NASCAR auto racing ultrarunning and the disciplines of the Olympic Games the title s topics are discussed in depth to illuminate the sport s specific issues and are backed with information from relevant sports organizations biographies of important people chronologies and charts and graphs The information within this handbook is based upon the latest academic research but presented in very accessible language making it appropriate for high school and undergraduate students as well as general readers *Contemporary Sport Management* Paul M. Pedersen,Lucie Thibault,2018-05-03 *Contemporary Sport Management Fifth Edition With Web Study Guide* provides students with an overview of sport management by presenting extensive discussions of the foundational aspects of the profession and current topics from the field The fifth edition continues to engage students with a full color format and an integrated web study guide The text also discusses the role of social media in revolutionizing the industry and the significance of sport as an international institution Students will learn the relevance of legal sociocultural historical political and psychological concepts to the management of sport the professional skills and attitudes of successful sport managers and ways in which the globalization of sport continues to affect sport management professions One of the top selling textbooks in the field the fifth edition retains many of its popular learning tools for students and also offers several key additions Social media sidebars in every chapter prepare future sport managers to confront some of the unique

challenges and opportunities of this growing phenomenon Professional profiles containing a biography Q A and associated web study guide activity allow students to gain realistic views into the roles of sport managers Enhanced ancillaries include a new image bank and chapter quizzes compatible with learning management systems to further support classroom instruction and testing A student web study guide now contains more than 171 fully integrated activities to provide opportunities for real world application A retrospective from cofounding editor Janet Parks illustrating how the outstanding roster of contributors has been a hallmark of this title from the beginning The text also contains a variety of updated learning tools including international sidebars with associated activities a timeline ethics and critical thinking sections a running glossary chapter objectives end of chapter reviews and references to help students stay engaged with the material and understand key concepts and terms In addition the web study guide WSG contains multiple interactive learning experiences that assist students in retaining the information Each chapter of the text includes several cross references to the WSG allowing students to take advantage of the following features Professional profile activities encourage students to test their expectations of the challenges that sport industry professionals face on a daily basis Job announcement activities demonstrate the skills that prospective employers seek in particular sport settings Web searches point students to the vast amount of information available online Portfolio activities help students reflect on questions related to the critical thinking and ethics sections of each chapter Upon completion of the activities students will have constructed a portfolio of their reflections on issues they might face as future sport management professionals Learning in Action activities help students understand and apply the concepts covered in each chapter With 20 chapters written by 44 expert contributors Contemporary Sport Management Fifth Edition begins with an overview of the field and historical aspects of the industry Next the attributes of effective and professional sport managers and the relevance of managerial and leadership concepts applied to sport management are discussed In part II students learn about the major settings in which sport management professionals work today including professional and amateur sport management sites sport management agencies and sport tourism venues Part III offers information on key functional areas of sport management such as marketing communication finance and economics and facility and event management In part IV readers examine current challenges in the profession such as issues related to consumer behavior law sociology globalization and the importance of continuing sport management research The updated and enhanced fifth edition of Contemporary Sport Management offers a varied and dynamic learning package to assist readers in understanding the many opportunities and challenges in the sport management field From historical foundations and future directions to current issues and professional skill sets this popular textbook continues to inform and inspire up and coming professionals to have a positive influence on the management of sport
