Why My Ministry Not Growing:

Why My Ministry Not Growing? Dr Victoria Brown,2013-03 This book is for people serving in ministry all the way from the pulpit to the parking lot The readers of this book should include members who have left the church looking for validation for lost perceptions of what ministry is and should be about The ministry is what goes on in the minds of the believers and is illustrated through actions in the form of service to God verses man If you have ever had any wonders of why your ministry or any ministry is not growing well this is the information you need to be validated or delivered The Word of God shows us several examples in which business transactions occurred Throughout Jesus s ministry He continued to impart kingdom principles for a successful life He left us with specific instructions on how to live relate to one another and go after our purpose as designed by God This book is an opportunity for ministries to examine their vision and line their service up with the standards of business concepts This is a roll call for serving in excellence by exploring effective ways to building kingdom as you build up God s people Learn how to identify and cultivate the gifts in your ministries for the purpose of building businesses by using kingdom principles

chapters speak of the processed Triune God and the all inclusive Christ the further revelation of Christ concerning His all inclusiveness in the Gospel of John

The Purpose Driven Church Rick Warren,2007-09-04 The issue is church health not church growth if your church is healthy growth will occur naturally So how do we make healthy churches driven by purpose In order for any church to thrive it must be built around the five New Testament purposes given to the church by Jesus Christ In this classic of Christian church stability pastor and bestselling author of *The Purpose Driven Life* Rick Warren unpacks this proven five part strategy that will enable your church to grow Warmer through fellowship Deeper through discipleship Stronger through worship Broader through ministry Larger through evangelism Every church is driven by something Tradition finances programs personalities events seekers and even buildings can each be the controlling force in a church But Warren will show you how to concentrate on building people and let God build the church In other words healthy consistent growth is the result of balancing the five biblical purposes of the church And *The Purpose Driven Church* will show you how to do that *The Purpose Driven Church* has brought focus and direction to more pastors and church leaders than you can count What a gift

John Ortberg bestselling author *Transformation* Bob Roberts, Jr.,2010-08-30 *Transformation* lays the groundwork for what church and Christian community can become in this new century Author and pastor Bob Roberts Jr is one of the architects of this unique approach to Christianity based on biblical and missional discipleship that he calls T Life transformed life which leads to a T World transformed world Ever since Jesus commission to make disciples in his name Christianity has transformed lives and the world at large To those watching it must have looked like an upstart religion led by a group of men most of whom were martyred for their beliefs The voice of secular culture today is no louder and no more indulgent than it was in those days And yet much of the Western church has settled for becoming just another mass media market that s adding to the noise instead of a movement that continues to turn the world upside down Drawing inspiration from early church history and the emerging church in the developing world Roberts envisions a new way of engaging the local church to achieve common goals He calls for Building a church culture rather than a church program Empowering the local church to invest in the global missions field Consistently reestablishing our relationship with Jesus Christ in order to experience true transformation In fact all this begins with a growing interactive relationship with God that includes personal and corporate worship This in turn results in community As community serves others transformation has both a global and local impact and creates transformation in the world *Transformation* redefines the focus and practice of the church not from external bells and whistles but from the internal transformation of the very character of its people

Exploring Church Growth Wilbert R. Shenk,2010-08-01 During the past twenty years the phenomenon of church growth especially as it has been known under the dynamic leadership of Donald McGavran and the School of World Mission Fuller Theological Seminary has resulted in an impressive array of books articles reports and theses While freely acknowledging their debut to the church growth school the contributors to this volume wish to explore further the premises principles and goals of church growth

Firmly convinced that church growth is more than empirical data and effective methods and that there is nothing approaching a complete book of church growth they aim not simply to offer definitive answers but rather to open up fresh lines of inquiry historical experiential methodological and theological Thus while interacting with previous studies the authors view their work as a constructive contribution to the search for a more adequate understanding of church growth patterns Contributors to this volume include Alfred C Krass Harvie M Conn Orlando E Costas John H Yoder Harry R Boer and C Ren Padilla Why Liberal Churches are Growing Martyn Percy, Ian Markham, 2006-05-10 Why Liberal Churches are Growing is a fascinating journey through different case studies social science reflection and theological analysis The contributors include sociologists theologians and practical theologians The book has four sections The first defining themes looks at the social justice witness community organizing church growth as conversational and the challenge of turning liberal churches around The book then looks at three case studies starting with congregations and moving to a denomination Under the heading macro issues it explores in more detail the underlying disposition of liberal churches and revisits such themes as social justice homosexuality and alternative indicators of vitality The book concludes with three essays on clergy and growth

The Gospel-Driven Church Jared C. Wilson,2019-03-12 Many evangelical churches face the problem of the open back door even as new people

arrive older members are leaving looking for something else Combined with this problem is the discipleship deficit the difficult truth that most evangelicals are not reaching the unchurched at the rates they think they are In fact many of the metrics that we often count in the church to highlight success really don t tell us the full story of a church s spiritual state Things like attendance decisions dollars and experiences can tell us something about a church but not everything To cultivate a spiritually healthy church we need a shift in our metrics a grace shift that prioritizes the work of God in the lives of people over numbers and dollars Are people growing in their esteem for Jesus Is there a dogged devotion to the Bible as the ultimate authority for life Is there a growing interest in theology and doctrine A discernible spirit of repentance And perhaps most importantly is there evident love for God and for our neighbors in the congregation Leading a church culture to shift from numerical success to the metrics of grace can be costly but leaders who have conviction courage and commitment can lead while avoiding some of the landmines that often destroy churches Wilson includes diagnostic questions that will help leaders measure and lead team transparency in measuring as a group the relative spiritual health of their church as well as a practical prescriptive plan for implementing this metric measuring strategy without becoming legalistic Most attractive church models can lean heavily on making changes to the weekend worship gatherings And while some of these changes can be good thriving grace focused churches are driven by a commitment to the gospel allowing the gospel to inform and shape the worship service and the various ministries of the church
