Why She Married Him A Novel:

Growing Up : A Story of the Girlhood of Judith Mackenzie Jennie M. Drinkwater, Growing Up A Story of the Girlhood of Judith Mackenzie I was not sure whether it were to write a book or to teach or to go as a foreign missionary I think I hoped it would be the foreign missionary because that was the most self sacrificing The book was all one great joy The teaching was absorbing but I must go away to study I was afraid to go away I did not like to go away from Bensalem I would miss my mother away from Bensalem and you and all the parsonage and the whole village But I thought I was called as called as Roger was to preach or any woman saint or heroine who had done a great thing You cannot think what it was to me It made me old I wanted God to speak out of Heaven and tell me what to do It began to lose its selfishness after that The first thing that began to shake my confidence was something Mrs Lane said that afternoon she talked to Jean and me about what women were doing and could do She did not make woman s work attractive she took the heart out of me I did not know why she should do that I knew better all the time I knew what women had done and were doing I knew she was doing a noble work literary work work in prisons temperance work the instances she gave me seemed trivial as if she were laughing at me But something opened my eyes I felt that I might be disobedient to my heavenly vision that I was looking up into the heavens for my call and the voice might be all the time in my ear That was the night I came back here and found you so cozy and satisfied under your own roof tree with the voice in your ear and the work in your hand The world went away from me I stayed I am glad I stayed My only trouble is and it is a real trouble that God did not care for my purpose or my prayers that he has let them go as if they never entered into his mind I thought they were in his heart as well as mine The Circle of Knowledge: A Classified, Simplified, Visualized Book of Answers Various,2022-06-02 The Circle of Knowledge is an informative book that was designed in 1917 to be both inspiring and entertaining The book represents the modern progressive spirit which fits that time in its forms of expression and its editorship The purpose of this work is to answer the why who what when where how of the wide majority of curious minds both young and adult and encourage them to raise further questions Special measures were taken in creating this work to isolate essentials from non essentials to differentiate human interest subjects of universal significance from those of little concern to deliver living truths instead of dead vocabulary and finally to bring the whole within the knowledge of the intermediate reader without regard to age in an acceptable and exciting form The use of visual outlines and tables maps drawings and diagrams the illustrated works of great painters sculptors and architects all are used to give the reader the valuable and cultural knowledge of past and present
