Why Believe Exploring The Honest Questions Of Seekers:

Why Believe? Greg Laurie, 2002 This companion book to *The Seeker's Bible* explores the honest questions of seekers such as Why am I here What happens when I die and Why should I believe in God This is the evangelism tool of the millennium written by the evangelist of our generation Greg Laurie **Every Day with Jesus** Worthy Books, 2011-09-27 Daily inspiration from the greatest Christian writers of all time in a beautifully designed insightful one year devotional Each one page 150 word devotional references a memorable quote from a famous song lyrics followed by a thoughtful exposition Each day also includes a Bible verse and seed prayer This attractive book will challenge motivate and stir readers hearts and encourage them in their daily walk with God American Book Publishing Record ,2002 **Truth Seeker** ,1925

Scientific Research Proves God? Caius Wetherford, Have you ever stared at the night sky and wondered Why is there something instead of nothing It is a question as old as humanity itself For thousands of years poets philosophers and scientists have tried to answer it Some found comfort in faith Others argued for pure chance But no matter who you are believer skeptic or somewhere in between the question keeps returning to the human mind Does God exist This book approaches that question in a way you may not have encountered before We live in an age where science explains more and more of the universe We can trace the history of stars decode DNA and even explore the edge of the cosmos Yet at the very same time science has uncovered mysteries so deep that they force us to wonder if reality itself might be pointing to something greater One of the most surprising discoveries is this when we put the evidence together carefully it does not lead to a simple yes or no Instead it points to something far more intriguing a probability After weighing the evidence step by step the result is clear there is about a 64 percent chance that a Creator exists Not 100 percent Not zero But a number that is large enough to shake doubt small enough to allow honest questioning and powerful enough to change how we see life itself Think about what this means If you are a believer this number does not just confirm faith it strengthens it with reason If you are a skeptic it challenges you to face evidence you may not have considered And if you are undecided it offers a balanced realistic foundation on which to think for yourself This is not a book of preaching It is not about one religion versus another It is about the evidence clear simple and explained in everyday language You will not find heavy jargon or complicated equations here Instead you will find the biggest questions of science and philosophy laid out in a way anyone can follow We will look at the universe as if it were a great puzzle Each chapter will add a new piece The mystery of why the universe exists The precise numbers that make life possible The mathematics that governs reality The unsolved puzzle of how life began The enigma of consciousness The strongest arguments against a Creator And finally the surprising conclusion a 64 percent probability of God's existence Whether you end this book believing in God more deeply doubting more honestly or simply thinking more clearly you will end it changed So turn the page Take the journey Let the evidence speak Because the greatest question of all time has never been closer to an answer **How to Lead a Seeker Bible Discussion** Rebecca Manley

Pippert,2003-05-29 Rebecca Manley Pippert shows you how to start and lead a seeker Bible discussion so that you can truly make a difference in the lives of your friends neighbors and coworkers A Saltshaker Resource Exploring the Spirituality of the World Religions Duncan S. Ferguson,2010-06-25 This book is an insightful guide to the diverse ways that religious faith is practiced and spirituality is understood Discussing contemporary issues such as post modernism and the emergence of a new paradigm the new realities of geopolitics globalization and global warming this book explores the importance of religion in people s lives to provide direction in the society today This book demonstrates the common quest among the world religions for a deeper and more profound spirituality Describing the spiritual pathways of the various world religions it assesses the ways that the beliefs values and practices of these traditions can be life giving leading to personal and social responsibility and transformation but also sometimes harmful and divisive even used for dangerous purposes Promoting constructive engagements between the world s religions this book will connect social justice and ethical engagements with core religious practices and spiritualities This is an ideal introductory text for students of world religions spirituality and interfaith relations broadening their understanding of these lived faiths **A Student's Guide to Culture** John Stonestreet,Brett Kunkle,2020-01-01 The student edition of the popular A Practical Guide to Culture by John Stonestreet and Brett Kunkle delivers a hopeful message to readers ages 15 25 who live every day with increasing cultural pressure These young people struggle to navigate contemporary challenges to their Christian faith and values but will be encouraged to emerge as leaders In A Student s Guide to Culture Stonestreet and Kunkle write in a highly relational style sharing insight and experience Jumping off from the original version this guide includes all new discussion questions and stories that remind young readers that they can live differently and be a light in a culture that sometimes feels overwhelming **Forthcoming Books** Rose Arny,2002 *Emails to a Young Seeker* David S. Hogsette,2011-03-03 As popular advocates for new atheism clash with intellectually gifted Christian apologists the debates rage on At the end of the day after the lecture halls clear and the thumb worn books are put back on the shelves the participants in these battles of ideas remain firmly entrenched in their positions Yet there are many sincere seekers and committed Christians going about their workaday lives wondering how all of these discussions relate to their own questions and struggles with faith E mails to a Young Seeker Exchanges in Mere Christianity offers a glimpse into how everyday individuals struggle with these heady and relevant questions and debates Based upon actual e mail exchanges with sincere seekers David Hogsette illustrates the importance of grappling with penetrating questions from sincere hearts and thoughtful minds The questions are real the concerns run deep and the desire for reasonable and meaningful answers is clear This book offers succinct yet comprehensive answers to real life questions and it demonstrates that true apologetic evangelism requires a commitment of time and a devotion to relationship Drawing from such disciplines as science philosophy literature and biblical studies E mails to a Young Seeker provides detailed discussions of many important questions about the existence of God the reliability of the Bible and key Christian doctrines

such as sin heaven hell the Trinity Christ's sacrificial and atoning death the resurrection and salvation through faith in Christ alone Readers be they seekers in search of answers or Christians wanting to strengthen their faith or develop strategies for sharing their faith with others will greatly benefit from these discussions and the extensive reading lists provided at the end of the exchanges Board-Seeker Ralph Ward,2018-07-09 Board Seeker Your Guidebook and Career Map into the Corporate Boardroom is the first practical guide written specifically to help board ready leaders and executives gain the knowledge resources and confidence to shape their personal onboarding program Assess your experience that makes you valuable to a board there's more than you think Shape this into a powerful outreach portfolio such as board resume online image and personal pitch Gain the targeted network and mentors you'll need especially your boss Learn step by step how board searches really happen and how to master each stage Prepare for the board interview and vetting process and get ready for your first board meeting With leads links checklists and first hand success stories Board Seeker spells out each step you'll take into the boardroom and beyond The Truth Seeker ,1928 **Catholic Action** ,1920 **Rift in Time** Michael Phillips,2017-08-02 The bestselling author of the Secret of the Rose series turns to the Holy Land where the supposed discovery of Noah's Ark challenges a new world order Arabia 1898 A sole pilgrim embarks on a quest to verify the truths of the Old Testament and is murdered ever so close to the proof he seeks A revelation that will remain undiscovered for decades Turkey present day Scientists historians and preachers have dreamed of this moment for centuries Now archaeologist Adam Livingstone is minutes away from a discovery that will catapult him into worldwide fame and prove that Noah's flood was no fairy tale But as Adam begins the tedious work of unearthing the artifact a secret cabal of financial and media giants cannot allow their diabolical plans to be destroyed by letting the truth see the light of day An exciting thriller Library Journal

Bulletin National Catholic Welfare Council (U.S.),1920 **How to Read the Bible Without Losing Your Mind** Kent Blevins,2014-03-10 Does reading the Bible sometimes leave you confused Do you have difficulty seeing the relevance of the Bible to modern concerns or to important issues in your life Do you believe Bible reading and intellectual inquiry are mutually exclusive This book explores how the Bible can serve as a resource for discovering truth It provides a method that accepts and incorporates the knowledge gained from modern scholarship while also recognizing that truth discovery is a personal multifaceted journey It honors the integrity of Scripture while remaining open to insight from additional truth sources In exploring what we mean when we speak of the Bible's authority it is honest about the challenges presented to modern readers by the cultural chasm separating the biblical writers from today's world How to Read the Bible Without Losing Your Mind shows how the Bible can be read with full engagement of both mind and heart **God Doesn't; We Do** James A. Lindsay,2012-09-15 Does God exist Does He do anything in this world Famous authors like Richard Dawkins suggest strongly that it is very unlikely but how unlikely is it God Doesn't We Do brings James A Lindsay's mathematical expertise to the question and is able to put the matter under a microscope only available through an understanding of

abstract mathematics which he makes accessible to any reader Because of that this book will change the conversation about the existence of God The central theme of this book though points out that even if there were a God we have no reason to believe He does anything at all in this world Thus the responsibility is on us as it always has been to make our world what it will be From the back cover Our world is one that is full of difficult challenges and many people still turn to God for solutions or credit Him with ones that they find The time for that kind of superstition is long passed God Doesn t We Do seeks to address the topic on philosophical grounds making appeals to a scientific mindset and evidence based decision making in fields where religion has dominated for centuries including morality politics and even spirituality The title really says it all God Doesn t We Do Only Humans Can Solve Human Challenges **Coal Age** ,1915 Vols for 1955 62 include Mining guidebook and buying directory The Braxton County Monster Updated & Revised Edition The Cover-up of the "Flatwoods Monster" Revealed Expanded Frank Feschino, Jr,2013-08 Frank C Feschino Jr the authority of the Braxton County Monster incident has returned with an Updated and Expanded version of his 2012 book His ongoing and diligent 21 year investigation into this case reveals an invasion of gigantic aliens that occurred over America on September 12 1952 Feschino meticulously reconstructed a timeline of events and recreated the scenario of that terrifying day which includes the Flatwoods Monster and Frametown Monster incidents a massive wave of UFO sightings and crashes and the cover up of a USAF jet fighter that disappeared that night This book contains new documentation about the Braxton County Monster case and startling UFO events of that day and includes additional witness information newly discovered sightings crashes landings and more It contains more than 225 visuals including new articles photos maps graphics and illustrations which credit Feschino as the world s most thorough investigator of this UFO incident in history **The Complete Works of C. H. Spurgeon, Volume 25** Spurgeon, Charles H., Volume 25 Sermons 1451 1510 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming

buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon
