Why I Am Still a Catholic Kevin Ryan, 1998-05 Featuring essays by Andre Dubus Andrew Greeley William X Kienzle Bowie Kuhn Michael Novak Walker Percy Maria Shriver and others this collection of personal accounts presents a remarkable portrait of today's Catholic Church that creates a new understanding of how its presence has endured for nearly 2 000 years and explains why it continues to thrive

Why I Am Still a Catholic Peter Stanford, 2006-05-23 What does it mean to be a Catholic in today's world What distinguishes the modern Catholic from anyone else At a time when the Vatican provokes hostility by its opposition to contraception abortion and the use of condoms in fighting AIDS how many Catholics share its views And if they don't how can they in good conscience stay in the Church These are among the many questions that writer and broadcaster Peter Stanford is addressing here There is a whole spectrum of response in this entertaining and enlightening collection Fascinating a surprisingly uplifting book Sunday Telegraph A hard hitting book which criticizes as much as it praises it should be read by anyone interested in the phenomenon of organized religion Spectator

Why I Am Still a Catholic Bernard Bergonzi, 1982

Why I Am a Catholic Garry Wills, 2003-10-08 An intellectually satisfying and spiritually moving argument for a questioning conscience driven faith by a New York Times bestselling author Booklist Pulitzer Prize winner Garry Wills has been asked more than once why he remains in the Church especially in the wake of his bestselling book Papal Sins which examined the darker side of the religion's history In *Why I Am a Catholic* he offers some persuasive and heartfelt answers Beginning with a reflection on his early experiences as a child and later as a Jesuit seminarian Wills reveals the importance of Catholicism in his own life He discusses G K Chesterton a personal hero whose writings brought him comfort after he left the seminary He goes on to challenge in clear and forceful terms the claim that criticism or reform of the papacy is an assault on the faith itself For Wills a Catholic can be both loyal and critical a loving child who stays with his father even if the parent makes mistakes *Why I Am a Catholic* also goes beyond his personal experiences to present a sweeping narrative covering two thousand years of Catholicism revealing that the papacy far from being an unchanging institution has been transformed dramatically over the millennia and can be reimagined in the future At a time when the Church faces various crises and struggles Garry Wills offers an important look at both its past and its future in a book that is one part autobiography three parts history and one part confession of faith Booklist It is a great satisfaction to have the Church's history analyzed by a mind so critical but still so in love The New Yorker

Why I Am Still a Christian Hans Küng, 2005-12-20 Hans Küng 1928 is one of the most distinguished and widely acclaimed theologians of the twentieth century He has committed himself to a Christian Church full of life and freedom and humanity His ideas have been warmly received and appreciated by people throughout the world and have stirred the imaginations of Christians and non Christians alike But why have his ideas also met with such opposition and even outright hostility from many Church authorities And what does Hans Küng himself make of these personal attacks In this simple personal and often moving testimony Hans Küng

describes his fundamental convictions and reveals why despite all the difficulties he has to face he is still committed to the Christian way What Hans K ng has thought experienced and expresses in this book will help others in their search for personal values and a sense of direction and also help them realise the unique value and importance of the Christian way

Why I Am Still a Catholic Ronda Chervin,Ronda Chervin Ph D,2017-02-17 How could it be that so many Catholics have lost faith in a church that offers so much Dr Chervin s astonishing testimony is the second in a series of little booklets written by strong believers describing why they are still Catholics in spite of suffering many of the same experiences which have alienated other Catholics It is hoped that such a series of booklets could attract wavering Catholics or be given by strong Catholics to family and friends who have sadly lost their faith and left the fold Ronda Chervin s heroic account of her victory of valorous faith over fearsome adversities will charge many readers to halt their faint retreat from the front and return full force to the fray

Why I Am Still a Catholic Elizabeth Sikorski,2017-07-17 It s likely that everyone reading this knows someone who has left the practice of their Catholic faith Maybe a family member a friend or a co worker who at some point in their lives became disillusioned with or confused about the Catholic faith and chose to leave I was recently asked why I am still Catholic in today s increasingly secular culture I didn t hesitate giving my reasons For me I am still Catholic primarily because of the Sacraments of the Eucharist and of Penance and all the fruits and blessings these two precious Sacraments have provided for me

Why Catholics Leave, What They Miss, and How They Might Return Bullivant, Stephen,Knowles, Catherine,Vaughan-Spruce, Hannah,Durcan, Bernadette,2019 The results of a project in the UK that invited Catholics who no longer regularly practice their faith to share their story Why they left and what could be done to change this are two of the questions explored

Why I Am Still a Catholic Marti Armstrong,2017-03-19 In my life I have had such a marvelous sense of belonging to our Lord through the many instances mentioned in this little book There have been many blessings also some disappointments My husband Fred was diagnosed with Lou Gehrig s Disease and I believe that in his sickness and death I as well as others who knew and loved him were inspired by his experience and the reality of a

happy death I believe that God is in the midst of each moment even when it may not seem obvious to this not always wise human instrument As the result of marvelous spiritual direction and discernment I chose to become a dedicated widow a few years ago and made a promise before the tabernacle in the presence of a priest and a group of friends that I would be a Bride of our Lord that I would renounce marriage to anyone else in this life It is difficult to explain the peace and joy that have continuously accompanied this promise I thank God of Truth and Love for these adventures with which He has accompanied me I thank Him the Lord Jesus for founding and maintaining His beloved One Holy Catholic and Apostolic Church for me and for my loved ones and for each of us with the fullness of the Truth **Why I Am Still a Catholic** James A. Harold,

Ph.d.,2017-08-15 I want to give an account of my life from the most fundamental point of view concerning my own belief in God As far as I can I want to come to understand it What is it that motivated me to remain Catholic all these years after my infant baptism I could have easily left together with so many of my friends and classmates Why did I stay There are typically not just one or two reasons for why people become or stay Christian and Catholic there are often thousands strung together And yet my own personal certitude no doubt along with others goes far beyond those reasons It is like asking a loving husband why it is that he loves his wife It will be hard for the husband to even identify much less express all the reasons Thus whatever reasons he gives will always be insufficient to all the actual reasons he has Christianity is like that It is a belief system of course but it is also something more than that It is like marriage also a love relationship between persons **Why**

I Am Not a Roman Catholic Jerry L. Walls,2025-03-18 Anyone in the Christian church today who is paying attention knows that Roman Catholics are on the march to win converts But what may be surprising is that many of the persons targeted for conversion are not unbelievers and secularists but rather Christians in other traditions particularly evangelical Protestants Those involved in this mission are themselves often converts from evangelical churches and they are zealous to welcome other believers home to the Church of Rome This book provides a variety of reasons to think twice before taking the plunge and swimming the Tiber Among them are some historical considerations that are often ignored or even suppressed by the zealous evangelists for Rome There are also dubious claims by John Henry Newman the famous nineteenth century convert that are often advanced without sufficient critical scrutiny Moreover converts not infrequently take on the role of amateur theologians and advance highly simplistic claims about a variety of theological matters in popular books that are remarkably successful in terms of sales and publicity This volume examines these and other similar claims and subjects them to the critical analysis they demand Why I am Still an Anglican Caroline Chartres,2007-03-10 The Anglican church has been no

stranger to controversy during its history but the debates raging at the moment are among the hottest it has known This book asks some prominent Anglicans why they are still in the church and what they love about it Representing Anglicanism in all its range and diversity the contributors are positive about the church and their place in it and show appreciation rather than resentment of a Church that is broad enough to contain those of opposing views This is a personal partial and

affectionate though by no means uncritical glimpse of the Anglican Church **Why I Am Still a Catholic** Kate Englebrecht, 2003 Collection of 14 first hand accounts by Australian Catholics of why they remain in the Catholic Church in spite of the many controversies it faces today The contributors include Lionel Bowen Veronica Brady Frank Brennan SJ Edmund Campion Geraldine Doogue John Menadue and Michael Whelan The texts were presented as part of a series of talks the editor organised as Coordinator of Spirituality at the Centre for Christian Spirituality in Randwick Sydney Englebrecht is a convert to Catholicism and founding member of Catalyst for Renewal the sponsoring organisation of the Spirituality in the Pub groups *Why I Am Still a Catholic* W. Buckley, 1992-09-01 **Why Stay Catholic?** Michael Leach, 2011-03-15 Why Stay Catholic is a lively timely book about the good stuff within the Catholic Church today **Why Do Catholics...?** Michael J. Daley, 2007 The art of asking good questions is a hallmark of adolescent life But for young people it often feels as if no one is willing to take their questions about faith and religion seriously This conversational engaging book written by young people themselves will turn all that around In *Why Do Catholics Teens Respond to Questions About the Faith* teens will find responses to commonly asked questions regarding Church beliefs and practices The contributors respond to dozens of questions in their own words sharing their own knowledge and ownership of the Tradition and their personal experiences of integrating faith with the real world **Then and Now** Edmund Campion, 2021-10-15 Recent decades have seen many changes in the religious lives of Australian Catholics *Then and Now* charts these changes while acknowledging the relevance of past experience Its focus is on the stories of Catholic people their leaders and their encounters with history It explores the ways Catholics have influenced the future of wider national society The book tells of diversity and differences in the Australian Catholic story **Hell and Other Destinations** Piers Paul Read, 2006 The famous British novelist and playwright Piers Paul Read presents his lively thought provoking reflections on wide ranging spiritual topics with his usual brilliance and insight When this best selling writer turns his attention to a subject he holds most dear his Catholic faith as well as to religious and cultural issues of our times he provokes delight and inspiration as well as some fury and controversy This illuminating volume presents a selection of Read's most elegant and memorable writings on subjects ranging from Christians and Jews liberation theology and *The Da Vinci Code* to sexual desire saints and Pope Benedict XVI Book jacket
