Why Was Man Created War Of The Gods Yahweh Vs Satan:

Why Was Man Created? War of the Gods - Yahweh Vs Satan Sam Oputa,2013-10 This work is an attempt at navigating and connecting dots to understanding creations evolution through sciences psychology geology anthropology religion and mostly through the Holy Books which harbor mountain of scientific evidences I will want to think that the sciences in the Holy Books are either not understood for what they are or are simply misinterpreted This author s way is borrowing extremely from narrations in the Holy Books as recorded in narratives and from other sources as narrated in folklore other authors and geological anthropological findings This book redefines days and nights especially when applied to creation And God called the light Day and the darkness He called Night And the evening and the morning were the first day Genesis 1 5 describes the first day as happening even before the earth is formed This tells you immediately that The All Powerful Creator is not stating earthly days How can He when the Earth was not in existence The Book of Genesis if properly read and understood contains information most people will never see You cannot even start to think about something that you don t understand but when such puzzles are explained they no longer appear to be mysteries Just like the Book started as In the Beginning so also the Book has given us In the end It is hard to see this information just like it was difficult to find the Big Bang in those Biblical first few words Though the book of genesis was not the big bang of this book that we gleaned new information from it is satisfaction enough A simple arithmetic manipulation brings to light some hidden information in the book of Genesis The simple arithmetic was performed in this book but you need to read the details and apply it to fully grasp how it works Why are we created will also explain in simple terms why man was created and for what reason and purpose You will be shocked to finally come to terms as to why Man was created **Why Was Man Created? Sam**

Oputa,2016-10-11 In the beginning God created the earth and He looked upon it in His cosmic loneliness And God said Let Us make living creatures out of mud so the mud can see what We have done And God created every living creature that now moveth and one was man Mud as man alone could speak God leaned close to mud as man sat up looked around and spoke Man blinked What is the purpose of all this he asked politely Everything must have a purpose asked God Certainly said man Then I leave it to you to think of one for all this said God And He went away Kurt Vonnegut Cat s Cradle Most people must have at one point or another asked themselves the question why am I here One thing is certain we were not here from the beginning Some have asked questions like What is life all about Many others have wondered What is the nature of life and What is the nature of reality These questions can be a passing thought that launches into a full on existential exploration What are we anyway We are born We grow into adults and before you can bat an eyelid you are in the old people s home waiting to die How fulfilling is that Do you now wonder why some people ask the question What are we here for anyway Some great people have asked these questions What is my purpose It is a difficult and profound question and a common conclusion is that we were created for God s glory That may be a religious truth but is it logical There must be a far more

specific reason for our creation In Sam Oputa's Why Was Man Created he explores this question from many angles spirituality religion psychology philosophy and other sciences but mostly he draws from the Holy Books which contain a wealth of scientific evidence The result of years of research and soul searching Why Was Man Created is a fascinating and sometimes controversial study of the age old question of creation and evolution The answers to these questions are not easy to resolve but the answers are out there

The Greatest Celestial Deception Sam Oputa,2024-03-25 In The Greatest Celestial Deception we take you on a profound journey into the heart of ancient mind set and practices revealing a breathtaking hidden reality that will transform your life forever and in many ways Far from offering simple interpretations platitudes and general principles The Greatest Celestial Deception immerses you into the surprisingly archaic practices in the world of the ancients of various ages while using modern knowledge as a guide While presenting you with all the incredible evidence to support this you will discover for yourself that modernity has not put a dent in how or what the ancients worshipped or religious practices of modern people It is disheartening that many people have gone to their graves believing what they believe a lie Millions of people have believed in teachings that were intended for disinformation They believed because in the eyes of the innocent the teachings appear to be convincing and true If you don't believe their teachings they convince you that there is a thing called faith When that fails they describe your culture and practices as paganism and Satanism They make you feel less of a human and even threaten your well being and life They are succeeding especially with the promise of heaven or hell in an afterlife as your two choices

ENKI & ENLIL Sam Oputa,2024-01-11 In Enki Enlil My Brother My Enemy we will take you on an unimaginable and profound journey into the heart of ancient settings musings ancient mind set ancient histories and ancient practices to reveal a breathtaking hidden reality that will transform your understanding and life forever and in many ways The suggestions in this work will show that we are debating present and ancient matters that will help uplift you spiritually Spirituality in this sense is enlightenment nothing else Enlightenment is perhaps one of the reasons even the Gods are at each other's throats up to this day Enlightenment is so highly priced that Enlil was willing to antagonize Enki in His attempt to civilize mankind Enlil was willing to become man's opposer and even Enki's enemy because He did not want any enlightenment for mankind In Enki Enlil My Brother My Enemy we will show that there is indeed a God How you define that God is up to you and may change after reading this book Though the general assumption is that God is One there are those who have explained how such an assumption was reached and thus propagated Enki Enlil were no happenings of circumstances They deliberately traveled to earth for purposes serving their interests Anu was the leader and the other extraterrestrials were His subjects Earthlings acknowledge them as Gods Today the extraterrestrials aliens are simply and popularly known as God and the angels Indeed Enki Enlil so frequently appear in our daily lives through the Bible's Old Testament Not many people know that their lives were and are influenced by Enki alias Satan and God alias EL Shaddai EL this and EL that and all the other commandeered and assimilated names Whatever the

offence Enki Satan may have committed and or was accused of such a charge is indeed laughable today and always will be at least if not for anything but for the scale of its inaccuracy Today however like a cockroach before a jury of Chickens Enki too cannot get justice equity and good acknowledgement among mankind mostly due to the on going campaign of calumny The books of the Old Testament in the Bible don t tell lies Whether it had been tampered with is another debate altogether As for the New Testament it is impossible to testify and swear to its truthfulness If you are a student of the Old Testament Enki Enlil My Brother My Enemy is a must read if you indeed want to understand the ancient books and their writings and the Old Testament The writings of the Old Testament were true then and are true today Depending on your reality you may want to realize your own truth but at the end of the written text is what it is the truth Whether Enki or Enlil you are implored to decide who the jolly good fellow was and is Who is the jolly good fellow Who is the bad fellow One of them is BAD REALLY BAD The other is GOOD SO GOOD Who then was is mankind s opposer You d be shocked but this truth has been staring us all in the face as the narratives of the Old Testament attest to The crafty diversions used to deceive readers into becoming believers employed by those who put the Old Testament together have come home to roost The so called monotheism cannot hold up Was the so called monotheism therefore a gimmick or an attempt at impression to deceive Finding the truth could be hard even while it is in plain sight The truth however is like Mark Twain s quote A lie travels around the globe while the truth is putting on its shoes

God is Not Enough, Messiah Needed Sam Oputa, The Bible describes a whole lot of toys and technologies that our forefathers thought were magical and divine Some of the toys were created to do the Gods desires Man is part of such toys and just like man other toys were desired and created Sometimes toys were used to design other toys And man thought that such toys were divine Today we are also designing other toys We have designed toys that are now probing mars We shall soon send other toys to other planets like the Gods sent toys to earth But man decided to ascribe to such toys divinity Our forefathers were not confused We are There is indeed nothing divine in the Bible There is technology science and more science not even magic or miracle Now imagine that your assignment is to write about what you observe for future generations What a daunting job that would be Will your observations make sense to those who come after you This was the dilemma of messengers from ancient times The Gods were wowing them with events they could not understand and the people recorded what they saw But often we interpret these recordings without applying logic and science or both For example read Daniel Chapter 7 If that did not remind you of power rangers the TV series you have not started to apply science and technology to Bible readings Behold in the Bible are the most technologies man is yet to understand Many people believe what they believe because it is generally accepted Some only accept interpretations that are confirmed by their version of The Holy Books and they consider any use of reason in religious matters to be misleading and impermissible According to such people man is too mortal to understand the ways of God In God Is Not Enough a groundbreaking and thought provoking book the author attempts to deconstruct the puzzles surrounding the concept of God Who is He Why were

we created Jesus Christ is the Son of God but which God And are these questions really unanswerable **Brainwashing Devil's Game** Giovanni Rocca,2021-04-27 Brainwashing Devil s Game this novel is from the author s knowledge of life and death truth and lies good and evil rich and poor health and sickness user and abuser give and take worshipping right or wrong religions cult s government organizations people misleading people The devil is a force that man does not understand and has no idea how he works he is a magician a puppeteer and most of all a deceiver to man and God the foe of Christ battling God Jesus for His kingdom This book uncovers the lies of man to man by Satan from many visions from the vision of prophets given to man from the word of God in Jesus and visions from Giovanni s dreams For some people this book is fiction no truth the message is scribed from biblical events for those who believe in the Christ the people of God will be celebrating for the other is a nightmare with and terrorizing end for mankind The search and study have been tiring and a fight with the devil day and night with results of exhaustion by rereading the Bible reading and extracting information from the Torah and the Quran For all people read and study the Bible to understand this novel for the will of man is service for Satan Man needs to be alert and strong in the faith I am coming soon Crist claimed this truth to mankind *A Rational Approach To The Bible* Aemilius,2019-11-10 Between mankind and God there is a secret missing link that humanity has forgotten This book is the first in a series of books that seeks to explain in great detail the meaning behind the world s most renowned religions as well as the true nature of reality As children religion is not provided to us as a system of choice but rather enforced upon us by our parents and peers It gives us a certain identity and ties us to a certain group of people who hold the same sacred cause while dooming everyone else as profane We then spend our entire lives defending this religion as it literally dictates our identity as false as it may be The child rarely understands his religion as he lacks the proper tools to dissect and analyze it verse by verse This is the book you wish you had in your childhood as your personal unbiased mentor who sheds light on millennia s endarkened scriptures The purpose of this book is to help the child as well as the adult to navigate his way through the bible *The Message of the Kingdom* Yliyah Paul,2002-05-01 You ve heard the lies Now learn the truth if you dare Prepare yourself for a real eye opener Take off your rose colored glasses before you read this one because it is probably the most controversial and revealing book ever written The truth is more precious than the purest gold and it has been said the truth is stranger than fiction The latter is very true in Satan s world of lies and deception as will be revealed for this book shakes the very foundations of most world religions age old philosophies and creation theories However only the emotionally mature the truly open minded and the intellectually brave should explore this book for the knowledge obtained can alienate as well as enlighten those who discover these truths There is much truth to be found in these pages but this book was not written for the masses but for the few who seek and love the truth more than their own lives We are now in The End of Days The last five years of increase in intensity and number of hurricanes tornadoes droughts and floods caused mostly by global warming plus a significant increase in famine incurable diseases terrorism and instability in the Middle East attest to that

conclusion It s time for the truth in religion politics UFO s extraterrestrials creation theories and the future of mankind and Planet Earth Lies and myth have been perpetuated throughout the centuries With the dawning of a new era it is time the predestined purpose and nature of humanity and the true identity and nature of The Creator be revealed to those who desire and seek it The reader will discover how Satan has deceived the whole world through false teachers and mistranslation Evolution and Creationism or Creation Science along with other scientific methods are merged into an easy to understand synthesis for both have some validity in the creation of the universe The straight and narrow way that leads to eternal life is made plain and easy to understand and it is the same religion found in The Messiah s message expressed nearly 2000 years ago which believe it or not is not and was not Christianity Islam Hinduism Buddhism Taoism nor most versions of Judaism The Creator is described as all knowing and omnipotent in spirit as well as in physical and scientific terms For example he and his host have the power to appear and disappear as Spirit Beings or they can choose to take physical form and travel about the universe in their chariots of fire via wormholes at incredible speeds Time and space are of no consequence to The Eternal One and his Heavenly Host for they have long ago conquered both They rule and nurture all life in the universe and will soon return to rule Planet Earth when The Seed they have planted has come into fruition At his Messiah s coming his clouds of glory will be so numerous the sun will be darkened and the moon will not shed its light Earthquakes floods droughts tornadoes hurricanes volcanoes famine disease wars terrorism and economic woes will continue to increase in intensity and frequency as the Four Horsemen of The Apocalypse come to full gallop as the time of the end approaches The author predicted the recent increase in terrorism and natural disasters with the first edition of this book in 1996 which was drafted in 1989 Time is running out for man as we know him A relatively rare breed of human will inherit the earth as The Wheat described in Matthew 5 3 10 13 23 planted as his seed of righteousness 6 000 years ago in Adam NOTE This book does not call for any violence Jihad or Holy War against any government or religion For those who live by the sword shall die by the sword Vengeance is mine says The Most High and when his Day of Indignation has come rest assured vengeance will be duly executed For they come from a far country from the end of Heaven even the Most High and the weapons of indignation to destroy the whole land Isaiah 13 5 Behold they shall come with fire and chariots like the whirlwind Isaiah 66 15 And what do these chariots look like Their appearance and their work was as it were a wheel in the middle of a wheel Ezek 1 16 Now look again at the front cover Get the picture what the clouds of glory really look like The reader will discover the science behind magic and the truth behind myth This is a last chance calling for those who love truth and are found worthy to be saved from the coming destruction and allowed to live in the coming wonderful world and rule with the Messiah for 1000 years This writing constitutes fulfillment of the prophecy of the Message of the Kingdom as correctly translated in Mark 13 10 Matthew 24 14 which is to be published preached into all the world just before The End of The Age Desiree Ntolo,2008-07

By This Name John R. Cross,2017-01-16 Satan and the Problem of Evil Gregory A. Boyd,2025-08-04 Where does evil come from? If there is a sovereign creator God as Christian faith holds, is this God ultimately responsible for evil? Does God's sovereignty mean that God causes each instance of sin and suffering? How do Satan, his demons, and hell fit into God's providential oversight of all creation and history? How does God interact with human intention and action? If people act freely, does God know in particular every human decision before the choice is made? In this important book, Gregory A. Boyd mounts a thorough response to these ages-old questions which remain both crucial and contentious, both practical and complex. In this work, Boyd defends his scripturally grounded trinitarian warfare theodicy presented in *God at War* with rigorous philosophical reflection and insights from human experience and scientific discovery. Critiquing the classical Calvinist solution to the problem of evil, he advocates an alternative understanding of the sovereignty of the trinitarian God and of the reality of Satan that sheds light on our fallen human condition. While all may not agree with Boyd's conclusions, *Satan and the Problem of Evil* promises to advance the church's discussion of these critical issues.

Norwood,1929 *The Divine Messenger* Matthew Bryce Ervin,2023-06-28 The Son of God didn t first come onto the scene in the final quarter of the Bible He appeared as a fascinating and sometimes mysterious figure throughout the Old Testament He is called by many names and referred to in many ways He appeared as the Word of the Lord as the presence within the Glory of the Lord as the personification of Wisdom as the Angel of the Lord as the Captain of the Lord s army and as Yahweh on earth Some of his appearances were dramatic while others were subtle Each of them highlights the Son s role as the Father s messenger And the appearances all foreshadowed the Incarnation when the Son of God would become a man and more fully reveal the Godhead to his creation *The Kaleidoscope of Worlds* Nicolae Luca,2025-07-19 The Kaleidoscope of

Worlds Reveals humanity s forbidden history truths erased from official records systematically suppressed by religious powers Unveiling The Battle For God's Kingdom Rev Thomas L. Vent ThM,2025-08-30 The Bible reveals a Two World Existence consisting of the physical and spiritual dimensions that coexist and interact God s original creation was a paradise where spiritual and physical realms were harmoniously united with humanity created as hybrid beings bearing God s image designed to rule alongside Him Spirit beings such as angels cherubim and archangels were created before the physical universe to serve various roles in the heavenly realm This dual creation forms the foundation for understanding the spiritual realities influencing human history and God s kingdom plan The initial harmony was disrupted by the rebellion of Lucifer an anointed guardian cherub whose pride led to a spiritual mutiny involving a third of the angels This rebellion introduced evil into both worlds initiating a cosmic warfare that continues throughout biblical history Humanity s fall occurred when Lucifer appearing as a serpent deceived Eve bringing sin spiritual death and broken relationships with God and creation God s judgment included expulsion from Eden and Satan s confinement to earth marking the beginning of ongoing spiritual warfare Despite this God promised a Redeemer who would ultimately defeat Satan foreshadowed through animal sacrifices and the protoevangelium Genesis 3 15
