

A woman with long, dark, curly hair, wearing a white lab coat over a red button-down shirt and a patterned skirt, stands in a hospital hallway. She has a concerned expression. In the background, other people are walking down the hallway, and a red "EXIT" sign is visible above a doorway. A wheelchair is partially visible on the right side of the frame.

Why Wont Someone Help Me:

Why Won't My Teenager Talk to Me? John Coleman, 2014-04-24 It's easier to be a brain surgeon than a really good parent. No one finds it easy to be a parent of a teenager. How strict or easy going should you be? What is the best way to support a teenager who is pushing you away? What do you do if homework is being ignored or if a young person is up half the night on the phone or internet? How do you communicate with someone who seems not to be listening? In this book, international expert, Oxford psychologist and father, Dr John Coleman provides a new approach to parenting adolescents. *Why won't my teenager talk to me* draws on ground-breaking research relating to brain development, sleep patterns in adolescence and communication to offer a valuable tool enabling parents and carers to become more effective and resilient during this stage. Based on the author's long experience in running workshops for parents of teenagers, the combination of practical advice and research evidence will give readers an invaluable guide to the adolescent stage of life. The book draws on the voices and experiences of a wide range of parents of teenagers. Talking and listening is at the heart of this book. Based on developing strategies for positive and respectful two-way communication, Dr Coleman's revolutionary STAGE framework for parenting offers new insights and helps parents navigate the teenage years. Its aim is to improve relations between parents and teenagers as well as to help professionals in their work with families. It will appeal to all parents and carers of teenagers as well as to those in the fields of social work, counselling, health and education. [The ^AOxford Anthology of Roman Literature](#) Peter E. Knox, J. C. McKeown, 2013-10-31 The Oxford Anthology of Roman Literature gathers together critical examples of Roman literature from the earliest poets and playwrights to the last writers of Roman antiquity. Vibrant, witty and informative, this volume provides a welcome introduction to the literature of our ancient past. [The Warehouse](#) Joyce Crawford, 2024-01-09 In the days after God banished Adam and Eve from the Garden, His fairies Faith, Hope, Serenity, Passion and little Curiosity were concerned about Him being sad and lonely. Upon meeting The Creator in the Garden's morning mist, the fairies asked if they could help find new friends for Him. God chuckled at the fairies' concern and offered an alternative: Would you like to find people to build a storehouse in which I can keep all My unclaimed gifts and blessings? The fairies' search takes them to the Florida wilderness. Their only caveat: they may not change the course of history, and God alone controls life and death. In 1872, three young Christian men, John, Leo and Jake, each leave their homes in search of new lives. Together, they cut out a rustic community from the uncharted territory of Florida. With their strong faith in God, each other's support and a second-hand sawmill, these men built a community and a storehouse later known as The Warehouse. How did they accomplish this monumental task? What hardships did they face? What did God have in store for these men? How would God's plan affect a great-great granddaughter more than a century later? [Guarding Her \(Volume Two\)](#) Anna Brooks, 2022-09-26 They will risk it all to protect what's theirs. The Post-Office Girl Stefan Zweig, 2008-04-15 Wes Anderson on Stefan Zweig. I had never heard of Zweig when I just more or less by chance bought a copy of *Beware of Pity*. I loved this first book. I also read *The Post Office Girl*. *The Grand Budapest Hotel* has elements that were sort of stolen from both these books. Two characters in our story are vaguely meant to represent Zweig himself: our Author character played by Tom Wilkinson and the theoretically fictionalised version of himself played by Jude Law. But in fact M. Gustave, the main character who is played by Ralph Fiennes, is modelled significantly on Zweig as well. The post office girl is Christine, who looks after her ailing mother and toils in a provincial Austrian post office in the years just after the Great War. One afternoon, as she is dozing among the official forms and stamps, a telegraph arrives addressed to her. It is from her rich aunt who lives in America and writes requesting that Christine join her and her husband in a Swiss Alpine resort. After a dizzying train ride, Christine finds herself at the top of the world, enjoying a life of privilege that she had never imagined. But Christine's aunt drops her as abruptly as she picked her up, and soon the young woman is back at the provincial post office, consumed with disappointment and bitterness. Then she meets Ferdinand, a wounded but eloquent war veteran who is able to give voice to the disaffection of his generation. Christine's and Ferdinand's lives spiral downward before Ferdinand comes up with a plan which will be either their salvation or their doom. Never before published in English, this extraordinary book is an unexpected and haunting foray into noir fiction by one of the masters of the psychological novel.
