WICHITA KANSAS

Wichita Postcard History

Daniel D. Arreola

Wichita Postcard History:

Wichita James E. Mason,2012 Wichita Kansas was founded in 1870 as a small frontier cow town By 1900 after having gone through one of the most remarkable real estate boom and bust cycles in US history it had become the largest city in the state and a regional hub of commerce Wichita flourished between 1900 and 1940 and its population quadrupled as it became a world leader in aircraft production Picture postcards were introduced just as Wichita entered this latter phase of development and the colorful new form of communication amply documented Wichita s history during those years **Real**

Photo Postcard Guide Robert Bogdan,Todd Weseloh,2006-09-21 The Real Photo Postcard Guide is an informative comprehensive and practical treatment of this wildly popular American phenomenon that dominated the United States photographic market during the first third of the twentieth century Robert Bogdan and Todd Weseloh draw on extensive research and observation to address all aspects of the photo postcard from its history origin and cultural significance to practical matters like dating purchasing condition and preservation Illustrated with over 350 exceptional photo postcards taken from archives and private collections across the country the scope of the Real Photo Postcard Guide spans technical considerations of production characteristics of superior images collecting categories and methods of research for dating photo postcards and investigating their photographers In a broader sense the authors show how real photo postcards document the social history of America From family outings and workplace awards to lynchings and natural disasters every image captures a moment of American cultural history from the society that generated them Bogdan and Weseloh s book provides an admirable integration of informative text and compelling photographic illustrations Collectors archivists photographers photo historians social scientists and anyone interested in the visual documentation of America will find the Real Photo Postcard Guide indispensable **Saint Joseph, Missouri, a Postcard History** Robyn L. Davis,J. Marshall

White,1999 St Joseph Missouri was a well known portal to the West from the Eastern United States By the end of the Victorian era at the turn of the 20th century St Joseph had grown into a wealthy city Industries began to flourish including catalog manufacturing and warehouse businesses gradually making the town not only a stopping point for the exhausted and hungry traveler but also an attractive destination in its own right These industries left a vast collection of photographic postcards behind and some of the most interesting ones have been included in this photo album of the area s past Focusing mainly on St Joseph s architecture of the early 1900s this book brings the older St Joseph back to life and highlights the major events of the early 20th century Many of the pictures in the book originate from Marshall White s private collection The Robidoux Row Museum and Cole Woodbury have also generously allowed their photographs and postcards to be used

Taming the Land: the Lost Postcard Photographs of the Texas High Plains John Miller Morris,2009 A postcard craze gripped the nation from 1905 to 1920 as the rise of outdoor photography coincided with a wave of settlement and prosperity in Texas Hundreds of people took up cameras and photographers of note chose some of their best work for duplication as

photo postcards sold for a nickel and mailed for a penny to distant friends and relatives These postcards which now enjoy another kind of craze in the collecting world left what author John Miller Morris calls a significant visual legacy of the history and social geography of Texas For more than a decade Morris has been finding and studying the photographers and methodically gathering their postcards In *Taming the Land* he shares those finds with readers introducing each photographer and providing interpretive descriptions of the places people or events depicted in the photographs The stories the cards tell in the images captured and the messages carried add an exceptional dimension to our understanding of life in rural Texas a century ago *Taming the Land* presents postcards from twenty four counties in the booming Texas Panhandle This is the first book in a set called *Plains of Light* which will collect and document turn of the twentieth century photo postcards from all over West Texas

Snapshots and Short Notes Kenneth Wilson, 2020-08-14 *Snapshots and Short Notes* examines the photographic postcards exchanged during the first half of the twentieth century as illustrated first hand accounts of American life Almost immediately after the introduction of the generic postcard at the turn of the century innovations in small accessible cameras added black and white photographs to the cards The resulting combination of image and text emerged as a communication device tantamount to social media today Postcard messages and photographs tell the stories of ordinary lives during a time of far reaching technological demographic and social changes a family s new combine harvester that could cut 40 acres a day a young woman trying to find work in a man s world the sight of an airplane in flight However postcards also chronicled and shared hardship and tragedy the glaring reality of homesteading on the High Plains natural disasters preparations for war and the struggles for racial and gender equality With a meticulous eye for detail painstaking research and astute commentary Wilson surveys more than 160 photographic postcards reproduced in full color that provide insights into every aspect of life in a time not far removed from our own

Guide to Photographs in the Western History Collections of the University of Oklahoma Kristina L. Southwell, Jacquelyn Slater Reese, 2014-01-24 Begun in 1927 by University of Oklahoma history professor Edward Everett Dale the Western History Collections gathers and preserves rare research materials for scholars in anthropology Native American studies Oklahoma history and the history of the American West This guide has been compiled to make the photographs in the collections more accessible The second edition adds descriptions of 165 new collections comprising 159 000 photographs The 826 photograph collections that this guide thus details encompass Native American culture frontier and pioneer life in Oklahoma and Indian territories Wild West shows the range cattle industry the petroleum industry and gunfighters outlaws and lawmen New additions include the Lucille Clough Collection of 1 800 prints postcards and stereograph cards of American Indians and Alaska Natives and First Peoples of Canada

Emma's Postcard Album Faith Mitchell, 2022-12-21 BCALA 2023 Outstanding Contribution to Publishing Citation Award winner The turn of the twentieth century was an extraordinarily difficult period for African Americans a time of unchecked lynchings mob attacks and rampant Jim Crow segregation During these bleak years Emma

Crawford a young African American woman living in Pennsylvania corresponded by postcard with friends and family members and collected the cards she received from all over the country Her album spanning from 1906 to 1910 and analyzed in Emma's Postcard Album becomes an entry point into a deeply textured understanding of the nuances and complexities of African American lives and the survival strategies that enabled people to make a way from no way As snippets of lived experience eye catching visual images and reflections of historical moments the cards in the collection become sources for understanding not only African American life but also broader American history and culture In Emma's Postcard Album Faith Mitchell innovatively places the contents of this postcard collection into specific historic and biographical contexts and provides a new interpretation of postcards as life writings a much neglected aspect of scholarship Through these techniques a riveting world that is far too little known is revealed and new insights are gained into the perspectives and experience of African Americans Capping off these contributions the text is a visual feast illustrated with arresting images from the Golden Age of postcards as well as newspaper clippings and other archival material *Wichita's Riverside Parks* James E.

Mason,2011 Wichita was founded in 1870 at the junction of the Little and Big Arkansas Rivers in south central Kansas From the very beginning the rivers have been a focus for social and recreational activity Parks both public and private were established along these waterways near downtown to capitalize on this natural asset and have gone through many changes Some of these parks are now over 100 years old but one no longer exists having literally been dug up and hauled away in wheelbarrows in 1933 This book chronicles many of the colorful activities and events that have occurred in these parks over the years and shows how vital they are in the Wichita of today Back cover **Midwest Historical and Genealogical Register** ,1981

Postcards from the Río Bravo Border Daniel D. Arreola,2013-08-01 A history in postcards of Mexican tourist towns in the first half of the twentieth century with nearly two hundred illustrations Between 1900 and the late 1950s Mexican border towns came of age both as tourist destinations in some cases by luring Americans who wanted to escape Prohibition and as emerging cities Commercial photographers produced thousands of images of their streets plazas historic architecture and tourist attractions which were reproduced as photo postcards Daniel Arreola has amassed one of the largest collections of these border town postcards and in this book he uses this amazing visual archive to offer a new way of understanding how the border towns grew and transformed themselves in the first half of the twentieth century as well as how they were pictured to attract American tourists Postcards from the Río Bravo Border presents nearly two hundred images of five towns on the lower Río Bravo Matamoros Reynosa Nuevo Laredo Piedras Negras and Villa Acuña Using multiple images of sites within each city Arreola tracks changes both within the cities as places and in the ways in which they've been pictured for tourist consumption He also shows how postcard images when systematically and chronologically arranged can tell us a great deal about how Mexican border towns have been viewed over time This innovative visual approach demonstrates that historical imagery no less than text or maps can be assembled to tell a fascinating geographical

story This is masterful cultural geography with rich visual materials delivered in a unique and compelling fashion *Journal of Latin American Geography* *Warman's Antiques and Collectibles Price Guide* Ellen Tischbein Schroy,2002-04 America's longest running antiques price guide is updated to include up to date pricing more photos and expanded coverage with more than 500 000 listings as well as the addition of new tables educational notes and comparisons 1 500 photos 8 page color insert *The Strange History of Bonnie and Clyde* John Treherne,2000-08-22 Here is the true story of Bonnie Parker 1910 1934 and Clyde Barrow 1909 1934 a young sociopathic Southern couple gunned down by authorities after a two year crime spree that left twelve people dead This history cuts through hype and mythology and examines the outlaws liberal and dysfunctional sex life their astonishing ability to elude a 1000 man posse the contradictory accounts of the mythic ambush that resulted in their deaths and the extraordinary growth of Bonnie and Clyde legend *Maloney's Antiques and Collectibles Resource Directory* David J. Maloney, Jr.,1995-08 The singular resource that contains contact information for more than 23 250 antiques and collectibles resources in nearly 3 200 specialty categories is better than ever Includes listings for collector clubs specialty periodicals dealers collectors experts buyers appraisers parts suppliers reproduction sources Internet resources repair restoration conservation specialists auction services manufacturers distributors of contemporary collectibles and more *Kansas History* ,2016 *Ulrich's International Periodicals Directory* Carolyn Farquhar Ulrich,1999 *History of Soybeans and Soyfoods in Illinois (1851-1954)* William Shurtleff; Akiko Aoyagi,2022-02-23 The world's most comprehensive well documented and well illustrated book on this subject With extensive subject and geographic index 368 photographs and illustrations many in color Free of charge in digital PDF format **Guthrie and Logan County** Glen V. McIntyre,2011 Guthrie and Logan County lie at the geographical center of Oklahoma just north of Oklahoma City The bulk of Logan County was opened by the Land Run of April 22 1889 with the eastern portion opened by the run of September 6 1891 that opened the Iowa Sac and Fox and Potawatomi reservations The town of Guthrie was the political and cultural center of first the territory of Oklahoma from 1890 to 1907 then the state of Oklahoma until 1910 Guthrie attracted architects who built impressive buildings businessmen and farmers who hoped to make a new life and a variety of other characters wanting to make a new home While Guthrie was the most important town others thrived as well Marshall home of Angie Debo an important Oklahoma historian Langston home of Oklahoma's first black university Mullhall Orlando Crescent Meridian and Coyle as well as many towns that did not survive **TRIUMPH OF RACISM: The History of White Supremacy in Africa and How Shithole Entered the U.S Presidential Lexicon** Emmanuel Neba-Fuh,2021-04-05 Emmanuel Neba Fuh in this comprehensive chronological compilation and thorough narrative of the history of white supremacy in Africa provide an unflinching fresh case that African poverty a central tenet of the shithole demonization is not a natural feature of geography or a consequence of culture but a direct product of imperial extraction from the continent a practice that continues into the present A brutal and nefarious tale of slave trade genocides massacres dictators supported progressive leaders murdered

weapon smuggling cloak and dagger secret services corruption international conspiracy and spectacular military operations he raised the most basic and fundamental question how was Africa the world s richest continent raped and reduced to what Donald J Trump called shithole V Mbanwie **The Teaching of State History in the Public Schools of the United States** Lawrence Elmer Giles,1950 **Oil-industry History** ,2005

While this might not be the Wichita Postcard History full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Wichita Postcard History eBooks, including some popular titles.

FAQs About Wichita Postcard History Books

What is a Wichita Postcard History PDF? A PDF (Portable Document Format) is a file format developed by Adobe that

preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Wichita Postcard History PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Wichita Postcard History PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Wichita Postcard History PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Wichita Postcard History PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
