A Widow's Tale, and Other Stories Margaret Oliphant, 2017-12-13 A Widow's Tale and Other Stories By Margaret Oliphant A Widow's Tale Margaret O. W. Oliphant, Mrs. Oliphant, 2015-07-01 Excerpt from A Widow's Tale And Other Stories I remember well my first meeting with Mrs Oliphant a dozen years ago how she ordered me to Windsor where she was then living I like to think that it was an order and obeyed as such by her very loyal subject and that I was as proud to go and as nervous as those must be who make the same journey by command of another lady resident in the same place I have an odd recollection too of buying my first umbrella for this occasion for no reason apparently except that I wanted to impress her They say she was not tall but she seemed tremendous to me that day I find an old letter in which I dwelt on the height of her and her grand manner so that evidently the umbrella was of little avail In her presence I think those whose manner is of to day must always have felt suddenly boorish She belonged to a politer age you never knew it more surely than when she was putting you at your ease with a graciousness that had something of a command in it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Widow's Tale Bernard Barton, 1827 **A Widow's Tale, and Other Stories** Mrs Oliphant, 2018-08-27 Excerpt The Bampton's were expecting a visitor that very afternoon which made it all the more indiscreet that young Fitzroy should stay so long practising those duets with May It was a summer afternoon warm and bright and the drawing room was one of those pretty rooms which are as English as the landscape surrounding them carefully carpeted curtained and cushioned against all the eccentricities of an English winter yet with all the windows open all the curtains put back the soft air streaming in the sunshine not too carefully shut out the green lawn outside forming a sort of velvety extension of the mossy soft carpet in which the foot sank within This combination is not common in other countries where the sun is so hot that it has to be shut out in summer and coolness is procured by the partial dismantling of the house From the large open windows the trees on the lawn appeared like members of the party only a little withdrawn from those more mobile figures which were presently coming to seat themselves round the pretty table shining with silver and china which was arranged under the acacia Miss Bampton who had been watching its arrangement cast now and then an impatient glance at the piano where May sat with Mr Fitzroy standing over her He was not one of the county neighbours but a young man from town a visitor who had somehow fallen into habits of intimacy it could scarcely be told why The Widow's Tale Caroline Bowles Southey, 2016-06-24 Excerpt from The Widow's Tale And Other Poems And he looks like one returned from sea Whose sallow cheek and withered form

A Widow's Tale Bernard Barton,2015-07-12 Excerpt from A Widow s Tale And Other Poems Prefatory Sonnet The lamp will shed a feeble glimmering light Until the oil which fed its flame be spent The small stars twinkle in the firmament And the moon s pallid orb arise on night When day has waned the scath d tree in despite Of age look green with ivy wreaths besprent And faded roses still retain their scent When death shall make them loveless to the sight So linger on as seeming loth to die Light strength and sweetness thus unto the last The poet o er his lyre s lov d strings will cast A nerveless hand and his fond labours ply Not unrewarded if its parting sigh Seem like the lingering echo of the past About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
