Winning It All Men Of The Ice 3:

The Complete Olympic Games Quiz Book Martin Greensill,2012-08-20 Containing 1700 questions on many aspects of both the Summer and Winter Olympics The Complete Olympic Games Quiz Book provides a comprehensive resource that can be used in various ways such as testing family and friends or forming the basis of a more formal quiz The book covers the entire history of the modern Olympics from Athens 1896 to London 2012 and includes questions on all the sports that have featured at these Games There are also two multiple choice sections on numbers and two chapters of mixed bag questions which among other things bring out the quirky side of the Olympics through a variety of trivia teasers Including over 150 questions on London 2012 the book builds into a challenging but stimulating test of sporting knowledge and should provide hours of entertainment for fans of quizzes and the Olympics

Between History and Myth Bruce Lincoln,2024-05-31 All groups tell stories about their beginnings Such tales are oft repeated finely wrought and usually much beloved Among those institutions most in need of an impressive creation account is the state it s one of the primary ways states attempt to legitimate themselves But such founding narratives invite revisionist retellings that modify details of the story in ways that undercut ironize and even ridicule the state s ideal self representation Medieval accounts of how Norway was unified by its first king provide a lively revealing and wonderfully entertaining example of this process Taking the story of how Harald Fairhair unified Norway in the ninth century as its central example Bruce Lincoln illuminates the way a state s foundation story blurs the distinction between history and myth and how variant tellings of origin stories provide opportunities for dissidence and subversion as subtle or not so subtle modifications are introduced through details of character incident and plot structure Lincoln reveals a pattern whereby texts written in Iceland were more critical and infinitely more subtle than those produced in Norway reflecting the fact that the former had a dual audience not just the Norwegian court but also Icelanders of the twelfth and thirteenth centuries whose ancestors had fled from Harald and founded the only non monarchic indeed anti monarchic state in medieval Europe *Between History and Myth* will appeal not only to specialists in Scandinavian literature and history but also to anyone interested in memory and narrative *Congressional Record* United States.
