Winter is Coming Valerie Estelle Frankel,2013 Winter Is Coming Valerie Estelle Frankel,2015-12-03 Game of Thrones fans watch in delight as the epic battle of Lannister and Stark entangles the Seven Kingdoms But only the sharpest notice how these houses echo Lancaster and York in the War of the Roses Druids Catholics and even Zoroastrians wander through Westeros reframing their religions for a new world of fantasy But how medieval is Westeros Did lady knights and pirates really battle across Europe The book **Winter is Coming Symbols and Hidden Meanings in A Game of Thrones** explores all this and more from the echoes of history to the symbols and omens our beloved characters Who is Jon Snow s mother and why is she a secret What is Daenerys s real power unknown even to her Will these two characters share a destiny Where is the red priestess s real Lightbringer and when will it arrive Through dreams and prophecies imagery and allegory the deepest secrets of the series unfold in an exploration friendly to watchers and readers alike **George R.R. Martin and the Fantasy Form** Joseph Young,2019-03-13 Using the frameworks of literary theory relevant to modern fantasy Dr Joseph Young undertakes a compelling examination of George R R Martin s A Song of Ice and Fire and his employment of the structural demands and thematic aptitudes of his chosen genre Examining Martin s approaches to his obligations and licenses as a fantasist Young persuasively argues that the power of A Song of Ice and Fire derives not from Martin s abandonment of genre convention as is sometimes asserted but from his ability to employ those conventions in ways that further rather than constrain his authorial program Written in clear and accessible prose **George R R Martin and the Fantasy Form** is a timely work which encourages a reassessment of Martin and his approach to his most famous novels This is an important work for both students and critics of Martin s work and argues for a reading of A Song of Ice and Fire as a wide ranging example of what modern fantasy can accomplish when employed with an eye to its capabilities and purpose Myth in the Modern World David Whitt,John Perlich,2014-04-04 Ubiquitous and enduring myths are an inherent part of culture These 10 essays explore the role of myth in the modern world delving not only into science fiction and fantasy but also into sport terrorist rhetoric and television Contributors contemplate the changing face of the hero in Breaking Bad Justified and the Japanese film trilogy 20th Century Boys explore ideology in George R R Martin s A Song of Fire and Ice novels and the HBO series Game of Thrones Showtime s The L Word and The Day the Earth Stood Still and examine Al Qaeda s use of myth to justify its violent actions Other essays consider the hero ideal in sport the wolf myth in Twilight and the comic persona of Hercules in the Travel Channel series Man v Food The power of myth this volume reveals extends beyond ancient stories of gods and heroes to express the hopes fears and reality of everyday life **Elsevier's Dictionary of Symbols and Imagery** Ad de Vries,Arthur de Vries,2021-10-25 This dictionary supplies associations which have been evoked by plants animals gems objects and concepts throughout the history of Western civilization from the hieroglyphs of ancient Egypt to the poetry of Dylan Thomas It supplies background information from fields which may not be everyone s speciality such as biology and

mythology It gives not one but several meanings which may apply simultaneously since indefiniteness is the mark of symbols No fine distinction is made between symbols allegories metaphors signs types or images since such subtle distinctions however sensible from a scientific point of view are useless to a person struggling with the deeper comprehension and thus appreciation of a particular symbol Important general entries are listed such as archetypes ass binary bull calendar eagle elements Great Goddess Sacred King sun etc which it is advisable to read first Information was gathered from primary sources both famous and obscure classical authors the Bible the medieval scholar and musician Hildegard von Bingen but also Donne Shakespeare and Eliot Lists of primary and secondary literature are included From the many notes left behind by the late Ad de Vries his son has gathered enough new material to enlarge the original 1974 edition more than 20 per cent Included are many new entries taken from herbals and lapidaries as well as ancient books on medicine architecture and dreams This dictionary is an invaluable source of reference for students of many disciplines as well as for writers and artists

television forever The Comedy Central Roast of Trump was the first major live broadcast to place a hashtag in the corner of the screen to encourage real time reactions on Twitter generating more than 25 000 tweets and making the broadcast the most watched Roast in Comedy Central history The trumproast initiative personified the media and tech industries utopian vision for a multi screen and communal live TV experience In *Social TV Multi Screen Content and Ephemeral Culture* author Cory Barker reveals how the US television industry promised but failed to deliver a social media revolution in the 2010s to combat the imminent threat of on demand streaming video Barker examines the rise and fall of Social TV across press coverage corporate documents and an array of digital ephemera He demonstrates that despite the talk of disruption the movement merely aimed to exploit social media to reinforce the value of live TV in the modern attention economy Case studies from broadcast networks to tech start ups uncover a persistent focus on community that aimed to monetize consumer behavior in a transitional industry period To trace these unfulfilled promises and flopped ideas Barker draws upon a unique mix of personal Social TV experiences and curated archives of material that were intentionally marginalized amid pivots to the next big thing Yet in placing this now forgotten material in recent historical context Social TV shows how the era altered how the industry pursues audiences Multi screen campaigns have shifted away from a focus on live TV and toward all day content streams The legacy of Social TV then is the further embedding of media and promotional material onto every screen and into every moment of life
