Wiped Out Jerome Wilson Story:

Wiped Out? Jerome Wilson, 2015-09-16 Wiped Out tells the story of welterweight prospect Jerome Wipeout Wilson and shines a light on boxing's ultimate taboo. On 12 September 2014 in his 11th professional fight Jerome was knocked out in the sixth round. He never got up. Wilson was rushed to hospital and spent ten days comatose. He had suffered a subdural haematoma, a large bleed on the brain. When he finally came to his sense of reality, he had unravelled. He was unable to speak or move. Eventually he was discharged with a quarter of his skull missing. As soon as he was able, Jerome recorded his innermost thoughts in a unique diary which traces his gradual reconnection with the world. Published on the first anniversary of his injury, Wiped Out is the most personal reaction to massive brain trauma ever put on paper. Jerome's future is uncertain but he knows he is lucky to be alive. *A Social History of Sheffield Boxing, Volume II* Matthew Bell, Gary Armstrong, 2021-01-04. A Social History of Sheffield Boxing combines urban ethnography and anthropology, sociological theory and place and life histories to explore the global phenomenon of boxing. Raising many issues pertinent to the social sciences such as contestations around state regulation of violence, commerce and broadcasting, pedagogy and elite sport, and how sport is delivered and narrated to the masses, the book studies the history of boxing in Sheffield and the sport's impact on the cultural, political and economic development of the city since the 18th century. Interweaving urban anthropology with sports studies and historical research, the text expertly examines a variety of published sources ranging from academic papers to biographies and from newspaper reports to case studies and contemporary interviews. In Volume II Bell and Armstrong examine the revival of Sheffield boxing after the decline of the 1950s and 1960s outlined in Volume I. Instigated by two men from outside the city, Brendan Ingle and Herol Graham, this renaissance became known as the Ingle style, which between 1995 and 2014 produced four world champions: Naseem Hamed, Johnny Nelson, Junior Witter, and Kell Brook. These successes inspired others and raised Sheffield's profile as a boxing city, which in the 1990s and 2000s produced two more world champions in Paul Silky Jones and Clinton Woods. In this second volume Bell and Armstrong track the resurgence of boxing to the present day and consider how the game and its players have changed over time. **A Hard World** Thomas Hauser, 2016-09-01. In 2015 Booklist observed the arrival of Hauser's annual boxing review is akin to Christmas morning for fight fans. Nobody knows a sport any better than Hauser; boxing. Each year readers, writers, and critics alike look forward to Thomas Hauser's annual collection of articles about the contemporary boxing scene. He's one of the last real champions of boxing and one of the very best who has ever written about the sport. A Hard World continues this tradition of excellence with dressing room reports from big fights like Canelo Alvarez vs Miguel Cotto, a behind-the-scenes look at Floyd Mayweather vs Manny Pacquiao, and a foray into the world of mixed martial arts for a compelling portrait of Ronda Rousey. Most importantly, this new collection contains Hauser's groundbreaking two-part investigative report on the relationship between the United States Anti-Doping Agency and boxing, a report that shook the industry and raised fundamental questions.
