Through the Fire Tasse Swanson, 2023-01-25 The title of this book has been hard won Having gone through the deaths of two husbands within the span of eight years all before the age of forty six created the need to either heavily lean into God or choose to walk away in unbelief Choosing to lean into God created many questions and did not allow denial or avoidance to rule the days This book became a reality as I walked through the valley of the shadow of death and came out with a deeper understanding of God's goodness in the valleys It is my prayer that when you as the reader wrestle with questions of pain and loss in this life you will be able to answer yes to the question asked in Luke 18

The McDonaldization of the Church John William Drane, 2002-02 A theology which comes pre packaged and in which there are no loose ends is not true to life nor can it adequately reflect the richness of the Gospel Why are churches struggling to maintain credibility in a culture in which there are more spiritual seekers than at any time in living memory John Drane believes that churches have become stereotyped structures offering uninventive formulaic worship to a dwindling minority But there are exciting opportunities for growth he argues if only churches will rediscover their own creativity and flexibility If only they will offer something more nourishing for post modern spiritual appetites than the equivalent of fast food

Gather Tony Merida, 2023-01-01 How to make the most of and give the most to your church's Sunday gatherings Why do we meet on Sundays Now that technology allows us to access services remotely many see little need to meet face to face every week Others think that because we have a personal relationship with Jesus as Christians church is an optional add on For some they know deep down that there is a reason why gathering on Sundays is important but they are weary and don't feel excited about it So what is the purpose of corporate worship and what is our role in it In this book Tony Merida highlights how in person Sunday gatherings are central to God's plans and to our faith and joy He reminds believers of their privileges as citizens of heaven members of God's family and stones in God's temple Readers will see how each part of a church service preaching praying singing baptism Lord's Supper and building each other up in conversations are ways to enjoy and share God's grace and are therefore essential for spiritual endurance You'll also be reminded that your presence in corporate worship matters because you have a part to play in encouraging your brothers and sisters and spurring them to love and good deeds And let us consider how to stir up one another to love and good works not neglecting to meet together as is the habit of some but encouraging one another and all the more as you see the Day drawing near Hebrews 10:24-25 Read this book to renew your understanding and enjoyment of going to church and to be excited by the ways in which your presence can encourage others
