Wisdom Ways Introducing Feminist Biblical Interpretation:

Wisdom Ways Elisabeth Schussler Fiorenza, 2015-02-25 **Wisdom Ways** Elisabeth Schüssler Fiorenza, 2005 This leading feminist theologian offers an exciting introduction to a most creative field of biblical interpretation which the author says is best understood as the search for Divine Wisdom She offers a review of the art that is not merely informative but liberating Challenging mainstream hermeneutic strategies she empowers us to think critically and enter creatively into a life transforming journey Wisdom Ways Elisabeth Schüssler Fiorenza, 2014 This leading feminist theologian offers an exciting introduction to a most creative field of biblical interpretation which the author says is best understood as the search for Divine Wisdom She offers a review of the art that is not merely informative but liberating Challenging mainstream hermeneutic strategies she empowers us to think critically and enter creatively into a life transforming journey **The New Cambridge Companion to Biblical Interpretation** Ian Boxall, Bradley C. Gregory, 2022-12-22 This Cambridge Companion offers an up to date and accessible guide to the fast changing discipline of biblical studies Written by scholars from diverse backgrounds and religious commitments many of whom are pioneers in their respective fields the volume covers a range of contemporary scholarly methods and interpretive frameworks The volume reflects the diversity and globalized character of biblical interpretation in which neat boundaries between author focused text focused and reader focused approaches are blurred The significant space devoted to the reception of the Bible in art literature liturgy and religious practice also blurs the distinction between professional and popular biblical interpretation The volume provides an ideal introduction to the various ways that scholars are currently interpreting the Bible It offers both beginning and advanced students an understanding of the state of biblical interpretation and how to explore each topic in greater depth **An Introduction to Womanist Biblical Interpretation** Nyasha Junior, 2015-01-01 An Introduction to Womanist Biblical Interpretation provides a much needed introduction to womanist approaches to biblical interpretation It argues that womanist biblical interpretation is not simply a byproduct of feminist biblical interpretation but part of a distinctive tradition of African American women s engagement with biblical texts While womanist biblical interpretation is relatively new in the development of academic biblical studies African American women are not newcomers to biblical interpretation Written in an accessible style this volume highlights the importance of both the Bible and race in the development of feminism and the emergence of womanism It provides a history of feminist biblical interpretation and discusses the current state of womanist biblical interpretation as well as critical issues related to its development and future Although some African American women identify themselves as womanists the term its usage its features and its connection to feminism remain widely misunderstood This excellent textbook is perfect for helping to introduce readers to the development and applications of womanist biblical interpretation Philippians, Colossians, Philemon Elsa Tamez, Cynthia Briggs Kittredge, Claire Miller Colombo, Alicia J. Batten, 2017 This volume takes a closer look at three New Testament letters In the analysis of Philippians Elsa Tamez endeavors to utilize non

patriarchal inclusive language which helps us to see the contents of the letter with different eyes And finally taking into account historical structural and rhetorical dimensions of Philemon Inside cover *Slavery, Gender, Truth, and Power in Luke-Acts and Other Ancient Narratives* Christy Cobb,2019-04-25 This book examines slavery and gender through a feminist reading of narratives including female slaves in the Gospel of Luke the Acts of the Apostles and early Christian texts Through the literary theory of Mikhail Bakhtin the voices of three enslaved female characters the female slave who questions Peter in Luke 22 Rhoda in Acts 12 and the prophesying slave of Acts 16 are placed into dialogue with female slaves found in the Apocryphal Acts ancient novels classical texts and images of enslaved women on funerary monuments Although ancients typically distrusted the words of slaves Christy Cobb argues that female slaves in Luke Acts speak truth to power even though their gender and status suggest that they cannot In this Bakhtinian reading female slaves become truth tellers and their words confirm aspects of Lukan theology This exegetical theoretical and interdisciplinary book is a substantial contribution to conversations about women and slaves in Luke Acts and early Christian literature *Feminist Biblical Studies in the Twentieth Century* Elisabeth Schüssler Fiorenza,2014-06-26 Chart the development of feminist approaches and theories of interpretation during the period when women first joined the ranks of biblical scholars This collection of essays on feminist biblical studies in the twentieth century seeks to explore four areas of inquiry demanding further investigation In the first section articles chart the beginnings and developments of feminist biblical studies as a conversation among feminists around the world The second section introduces reviews and discusses the hermeneutic religious spaces created by feminist biblical studies The third segment discusses academic methods of reading and interpretation that dismantle androcentric language and kyriarchal authority The fourth section returns to the first with work that transgresses academic boundaries in order to exemplify the transforming inspiring and institutionalizing feminist work that has been and is being done to change religious mindsets of domination and to enable women to engage in critical readings of the Bible Features Essays examine the rupture or break in the mainstream reception history of the Bible Exploration of the term feminism in different social cultural and theoretical religious locations Authors from around the world present research and future directions for research challenging the next generation of feminist interpreters **Jesus and the Feminists?** Margaret Elizabeth Köstenberger,2008-10-17 This resource provides a detailed survey and critique of various feminist interpretations of Jesus and offers a biblical view of men and women in the church and home The feminist movement has affected every aspect of political and social America and Christians are becoming increasingly aware of how this movement has impacted the church The feminist movement has changed the way evangelicals view not only themselves but also the very Word of God Jesus and the Feminists begins by offering a brief survey of the feminist movement revealing the radical misunderstanding of Jesus that has resulted from this movement Köstenberger then critiques the relevant works of well known feminist scholars and the ways they interpret certain passages of Scripture related to Jesus and his approach to

women This practical resource points the way to a better understanding of the biblical message regarding Jesus stance toward women and offers both men and women a biblical view of their roles in the church and the home **Seeking** Janet Claussen, Julia Ann Keller, 2003 Seeking Doing Theology with Girls is an introduction to theological methods and reflection with an emphasis on actively engaging girls in making connections between their experience and the wisdom of the Scriptures and Tradition The overriding theme of this manual is that the life experience of women brings richness and balance to the academic discipline of theology Topics covered include images of God gospel feminism women theologians morality sexual integrity ecofeminism and personal and global justice grounded in a theology of life Latino/a Theology and the Bible Francisco Lozada Jr., Fernando F. Segovia, 2021-05-11 This book explores the use of the Bible among Latino a theologians today Latino a Theology emerged in the 1980s alongside a broad variety of contextual theological movements and discourses following the Latino a movement and the formation of Latino a Studies in the 1960s and 1970s While much work has been done on biblical interpretation in Latino a biblical criticism little can be found regarding interpretation in Latino a theological reflection To address this gap in the literature the contributors from various ecclesial affiliations and religious traditions examine the status and role of the Bible in Latino a Theology *A Concise Dictionary of Bible Origins and Interpretation* Alec Gilmore, 2006-12-28 Concise convenient and comprehensive this handy dictionary will inform and enlighten all who want to understand how the Bible came together the history of the various texts behind it the versions in which it has appeared the process of editing and compilation and the different methods of interpretation that have developed over the centuries Much of this material can be found in larger reference works and commentaries but most students and lay people find that most of these books are written by scholars for scholars which means the reader can feel bogged down in too much technical detail Informed by the latest advances in biblical scholarship this handy dictionary provides the reader with concise manageable information on all the key issues and topics It will be especially helpful to students of religion and related subjects as well as to religious educators in schools colleges and churches of all denominations Romans Christian A. Eberhart, 2025-04-05 Can a feminist interpretation of Romans discover anything new In this volume Christian Eberhart pays special attention to the fact that Paul entrusted Phoebe a gentile woman with the task of delivering the letter to Rome There she would have been the person who recited it aloud and by heart in front of various audiences Yet as the leader of a congregation in Corinth Phoebe had likely also been involved in the process of composing the letter as some passages reveal This multifaceted engagement of a woman gives new meaning to the vision of human society in Romans that celebrates the full participation of women and men Jews and gentiles weak and strong and free and slave *Mark* Warren Carter, 2019-10-31 The Academy of Parish Clergy 2020 Reference Book of the Year 2020 Association of Catholic Publishers first place award in Scripture 2020 Catholic Press Association third place award for best new religious book series This reading of Mark s Gospel engages this ancient text from the perspective of contemporary feminist concerns to expose and

resist all forms of domination that prevent the full flourishing of all humans and all creation Accordingly it foregrounds the Gospel's constructions of gender in intersectionality with the visions structures practices and personnel of Roman imperial power This reading embraces a rich tradition of feminist scholarship on the Gospel as well as masculinity studies particularly pervasive hegemonic masculinity Its politically engaged discussion of Mark's Gospel provides a resource for clergy students and laity concerned with contemporary constructions of gender power and a world in which all might experience fullness of life

Ephesians Elisabeth Schüssler Fiorenza, 2017-09-28 Ephesians is a mystery text that seeks to make known the multifarious Wisdom of God At its heart is the question of power In this commentary Elisabeth Schüssler Fiorenza examines the political understandings of ecclesial and household in Ephesians as well as the roles that such understandings have played in the formation of early Christian communities and that still shape such communities today By paying close attention to the function of androcentric biblical language within Ephesians Schüssler Fiorenza engages in a critical feminist emancipatory approach to biblical interpretation that calls for conscientization and change that is for the sake of women's salvation or wellbeing

John 1?10 Mary L. Coloe, 2021-07-29 2022 Catholic Media Association honorable mention in scripture academic studies Teaching and researching the Gospel of John for thirty years has led author Mary L Coloe to an awareness of the importance of the wisdom literature to make sense of Johannine theology language and symbolism in the prologue with Nicodemus in the Bread of Life discourse with Mary and Lazarus and in the culminating Hour She also shows how the late Second Temple theology expressed in the books of Sirach and Wisdom considered deuterocanonical and omitted from some Bible editions are essential intertexts Only the book of Wisdom speaks of the reign of God Wis 10 10 eternity life Wis 5 15 and the ambrosia maintaining angelic life Wis 19 21 all concepts found in John's Gospel While the Gospel explicitly states the Logos was enfleshed in Jesus this is also true of Sophia Coloe makes the case that Jesus's words and deeds embody Sophia throughout the narrative At the beginning of each chapter Coloe provides text from the later wisdom books that resonate with the Gospel passage drawing Sophia out of the shadows

Revelation Lynn R. Huber, Gail R. O'Day, 2023-11-23 While feminist interpretations of the Book of Revelation often focus on the book's use of feminine archetypes mother bride and prostitute this commentary explores how gender sexuality and other feminist concerns permeate the book in its entirety By calling audience members to become victors Revelation's author John commends to them an identity that flows between masculine and feminine and challenges ancient gender norms This identity befits an audience who follow the Lamb a genderqueer savior wherever he goes In this commentary Lynn R Huber situates Revelation and its earliest audiences in the overlapping worlds of ancient Asia Minor modern Turkey and first century Judaism She also examines how interpreters from different generations living within other worlds have found meaning in this image rich and meaning full book

1-2 Timothy, Titus Annette Bourland Huizenga, 2016 Feminist biblical interpretation has reached a level of maturity that now makes possible a commentary series on every book of the Bible It is our hope that Wisdom Commentary by making the best

of current feminist biblical scholarship available in an accessible format will aid readers in their advancement toward God's vision of dignity equality and justice for all Book jacket 2 Corinthians Antoinette Clark Wire, 2019-07-19 2020 Catholic Press Association honorable mention award for gender issues inclusion in the church When 2 Corinthians is read as a whole in the early manuscripts we hear a distraught and defensive Paul struggling to recover the respect of the Corinthians that he assumed in 1 Corinthians Scholars have supplied a recent visit gone awry to explain this but Wire argues that the Corinthians have not kept the restrictions Paul laid down in his earlier letter It is Paul who has changed No longer able to demand that they imitate his weakness as he embodies Jesus death he concedes and even celebrates that they embody Jesus power and life and thereby demonstrate the effectiveness of his work among them With special attention to the women in Corinth who pray and prophesy Wire looks at each part of 2 Corinthians through three feminist lenses a broad focus on all bodies within the tensions of the ecosystem as Paul sees it a mid range focus on the social political and economic setting and a precise focus on his argument as evidence of an interaction between Paul and the Corinthians When Paul ends with The grace of the Lord Jesus Christ the love of God and the partnership of the Holy Spirit the Corinthians have pressed him to reshape his message from yes but and no to yes from a tenacity of qualifiers and subordinations to an overflow of encouragements

1?2 Peter and Jude Pheme Perkins, Patricia McDonald, Eloise Rosenblatt, 2022-07-02 2023 Catholic Media Association Second Place Award Scripture Academic Studies Reading 1 Peter through the lens of feminist and diaspora studies keeps front and center the bodily psychological and social suffering experienced by those without stable support of family or homeland whether they were economic migrants or descendants of those enslaved by Roman armies In the new household of God believers are encouraged to exhibit a moral superiority to the society that engulfs them But adoption of elite values cannot erase the undertones of randomized verbal abuse general scorn and physical violence that women immigrants slaves and freedmen faced as the facts of life First Peter offers the honor of identifying with the Crucified by his bruises you are healed 2:24 A Christian liberation ethic would challenge 1 Peter's approach Pliny the Younger governor of Bithynia Pontus in north western Asia Minor is a contemporary of 2 Peter's writer The polemical accusatory genre of 2 Peter like Jude originates in Roman judicial rhetoric The pastor in the persona of a prosecuting attorney condemns immoral defendants including influential women Their crimes encode community tensions over women's leadership Gentile members sexual ethics their syncretistic deviations from Jewish doctrine on creation and the certainty of divine judgment and punishment Citations to Elizabeth Cady Stanton's *A Woman's Bible* enliven the commentary The doctrinal disorder prompts the male pastor to sustain loyalists in their commitment to Our Lord and Savior Jesus Christ Second Peter dramatizes an ecclesial crisis whose solution was the eventual imposition of a magisterium to silence dissent Brief combative and assuming a familiarity with a literary culture that most twenty first century readers do not have the Letter of Jude would be an obvious candidate for being the most neglected book of the New Testament As a model for a pastoral strategy it can be recommended only with great

reservations almost everyone will find in it something problematic if not offensive Yet in addition to giving a window on a Greek speaking Jewish Christian milieu Jude s energetic prose testifies to the author s visceral concern for those attempting to live by the gospel in difficult circumstances Furthermore to the extent that over familiarity with parts of the New Testament can blunt their challenge this letter provides a salutary reminder that the entire canon originated in a world that is radically unfamiliar to us
