What's in a name Very often there is more in it than the profane is prepared to understand or the learned mystic to explain It is an invisible secret but very potential influence that every name carries about with it and leaveth wherever it goeth Carlyle thought that there is much nay almost all in names Could I unfold the influence of names which are the most important of all clothings I were a second great Trismegistus he writes The name or title of a magazine started with a definite object is therefore all important for it is indeed the invisible seedgrain which will either grow to be an all over shadowing tree on the fruits of which must depend the nature of the results brought about by the said object or the tree will wither and die These considerations show that the name of the present magazine rather equivocal to orthodox Christian ears is due to no careless selection but arose in consequence of much thinking over its fitness and was adopted as the best symbol to express that object and the results in view Now the first and most important if not the sole object of the magazine is expressed in the line from the 1st Epistle to the Corinthians on its title page It is to bring light to the hidden things of darkness iv 5 to show in their true aspect and their original real meaning things and names men and their doings and customs it is finally to fight prejudice hypocrisy and shams in every nation in every class of Society as in every department of life The task is a laborious one but it is neither impracticable nor useless if even as an experiment

Hierophantic Landscapes Richard Leviton, 2011-09-26 The Earth is poised to make a great disclosure Its a hierophant But what's a hierophant A person who reveals the holy light But it can also be a landscape or a planet And what's the holy light It is the structure of reality and consciousness a map of the heavenly realms the engineering blueprint of Creation Some people call this imminent disclosure the Apocalypse and run for cover But that is mistaken Apocalypse means the revelation of the

divine revelation It means the end of our picture of the world as we know it The world itself will be fine even better than fine Splendid Illumined The Architect of reality lays down His cards face up and you see the whole deck Here is the truth of yourself and the Earth How will this disclosure work What we call sacred sites and holy landscapes will start revealing themselves in full to us in all their geomantic and visionary richness Thats the inner patterning of their design their arrays of Light temples and subtle palaces primed for our visionary adventures and edification The Earth needs us to have these adventures and visions because thats how we keep the planet healthy Hierophantic Landscapes visits five landscapes from Norway and England to California and Mexico providing firsthand reports on the visions and adventures of a small band of geomancers as they seek to unravel the mysteries of the Earth Maybe not such a small band because along the way we encounter angels landscape devas Nature Spirits and otherworldly mentors and revel in vistas of the ancient past of the Earth when that revelation was as fresh as a sunrise as it will soon be again *The Poems of Hesiod* Hesiod,1983 Hesiod is the first Greek and therefore the first European we can know as a real person for unlike Homer he tells us about himself in his poems Hesiod seems to have been a successful farmer and a rather gloomy though not humorless man One suspects from his concern for the bachelor s lot and some rather unflattering remarks about women that he was never married A close study of both poems reveals the same personality that of a deeply religious man concerned with the problems of justice and fate Lucifer ,1888 H. P. Blavatsky and the Secret Doctrine Virginia Hanson,1988-05-25 An anthology of Blavatsky s contributions to world thought **The Secret Texts of Hellenic Polytheism** John Opsopaus,2025-08-05 A Complete Translation of the Surviving Contents of Plethon s Renaissance Era Book of Laws George Gemistos c 1355 1452 who called himself Plethon helped trigger the Renaissance by reawakening an interest in Platonism but his secret book on its Neopagan theology was burned after his death Only sixteen chapters of Plethon s Book of Laws escaped the flames and for the first time ever they have been translated into English in their entirety Through translations and commentary by John Opsopaus PhD you can immerse yourself in Plethon s complete system of theology and religious practice focused on the Hellenic pantheon and deeply rooted in ancient Greek Paganism This impressive guide features rituals prayers invocations and hymns for daily and holiday use along with Plethon s complete sacred calendar Featuring instructions from the Book of Laws on conducting ceremonies rites and more The Secret Texts of Hellenic Polytheism enhances your spiritual practice and understanding of Neoplatonic philosophy , **The Book Called Job. Yahweh and the Gods and Goddesses of Canaan John Day,2002-12-01 This masterly book is the climax of over twenty five years of study of the impact of Canaanite religion and mythology on ancient Israel and the Old Testament It is John Day s magnum opus in which he sets forth all his main arguments and conclusions on the subject The work considers in detail the relationship between Yahweh and the various gods and goddesses of Canaan including the leading gods El and Baal the great goddesses Asherah Astarte and Anat astral deities Sun Moon and Lucifer and underworld deities Mot Resheph Molech and

the Rephaim Day assesses both what Yahwism assimilated from these deities and what it came to reject More generally he discusses the impact of Canaanite polytheism on ancient Israel and how monotheism was eventually achieved *The Rainbow, a magazine of Christian literature* ,1874 Lucifer (Unabridged) Various,2024-07-03 They call me Lucifer Devil The Fallen Angel But the truth It s a little more complicated For millennia I sang praises at the right hand of God Until one day the melody changed This audiobook isn t about damnation and fire It s about rebellion about questioning authority and maybe just maybe finding a different kind of paradise Put on your headphones mortals It s time to hear the story from the other side Buckle up for Lucifer an audiobook experience unlike any other
