Wisdom's Friends Community And Christology In The Fourth Gospel:

Wisdom's Friends Sharon H. Ringe, 1999-01-01 Sharon Ringe sheds new light on a heretofore neglected aspect of the Fourth Gospel friendship and through it links the concepts of community and Wisdom Christology This connection between Johannine ecclesiology and Christology she writes is critical to an in depth understanding the Fourth Gospel *Dwelling in the Household of God* Mary L. Coloe, 2007 *Dwelling in the Household of God* moves us from seeing Gods dwelling place as the Temple to seeing Gods dwelling place within the community of believers **Johannine Writings and Apocalyptic** Stanley E. Porter, Andrew K. Gabriel, 2013-09-15 *Johannine Writings and Apocalyptic* provides a wide ranging and thorough annotated bibliography for John s Gospel the Johannine letters Revelation and apocalyptic writings pertinent to these books More inclusive than many other bibliographies this volume provides reference to over 1300 individual entries often including references to multiple works with a given description Annotations are designed to provide guidance to a wide range of readers from students wishing to gain entry to the subject to graduate students engaging in research to professors needing ready access to useful materials The volume is topically organized and indexed for easy access **Fortress Introduction to the Gospels, Second Edition** Mark Allan Powell, 2019-10-01 With clarity and verve Mark Allen Powell introduces the beginning student to the contents and structure of the Gospels their distinctive characteristics and their major themes An introductory chapter surveys the political religious and social world of the Gospels methods of approaching early Christian texts the genre of the Gospels and the religious character of these writings This second edition has been updated to take fuller account of different theories regarding the Gospels with new chapters on the historical Jesus and on gospel literature not included in our New Testament and with a pleasing new format Special features include illustrations and more than two dozen special topics *Dictionary of Jesus and the Gospels* Joel B. Green, Prof. Jeannine K. Brown, Nicholas Perrin, 2013-10-04 Nearly all of the 175 articles in the *Dictionary of Jesus and the Gospels* have been reconceived and rewritten to reflect developments in the field since the 1992 edition Showcasing the work of a new generation of scholars this volume surveys scholarship and method in historical Jesus studies New Testament textual criticism and more

Friendship: Exploring Its Implications for the Church in Postmodernity Steve Summers, 2010-01-30 *Jesus and the Gospels (2nd Edition)* Craig Blomberg, 2020-05-21 A clear and comprehensive introduction to the study of Jesus and the Gospels Craig Blomberg s award winning *Jesus and the Gospels* prepares readers for an intensive study of Matthew Mark Luke John and the events they narrate Blomberg considers the historical context of the Gospels and sheds light on the confusing interpretations brought forth over the last two centuries This updated edition incorporates new scholarship debate critical methods and the ongoing quest for the historical Jesus and ensures the work will remain a valuable tool for exploring the life of Christ through the first four books of the New Testament **Follow Me** Mark Zhakevich, 2020-12-14 The Gospel of John heralds a unique call to discipleship Unlike any other Gospel the Fourth Gospel offers a multitude of benefits for

following Jesus John promises that discipleship is rewarded with adoption by the Father royal friendship with the Son and abiding with the Father and the Son through the Spirit Nearly two dozen additional benefits fall under these three main categories as John persuades his readers to continuous belief in Jesus Follow Me The Benefits of Discipleship in the Gospel of John traces these rewards as incentives for disciples to remain loyal to Jesus in the context of hostility and opposition in all times and all places no matter the cost Reading Texts, Seeking Wisdom David F. Ford, Graham Stanton, 2003 Wisdom is both a theme in scripture and desirable in biblical interpretation and theology It should prove a fruitful focus for this volume which engages with key issues and texts dealing with scripture and theology The contributors look at how the Bible and theology have come together in the past in Judaism the early Church the Middle Ages early modernity and the 20th century They question how current biblical scholarship is to be related to past insights and modern methods and debate how wisdom is to be related to faith and reason They also discuss Jesus as the wisdom of God **AAR/SBL Annual Meeting Program** American Academy of Religion. Meeting, 1999 Journal of Hispanic/Latino Theology ,2002 The Imagery of Love in the Gospel of John Johns Varghese, 2009 Slightly revised version of the author s thesis doctoral Pontificia Universitate Gregoriana 2007 A Feminist Companion to John Amy-Jill Levine, Marianne Blickenstaff, 2003 the first of 2 volumes that deal with the Fourth Gospel The contents include an introduction Jesus Women and conversation in the Fourth Gospel The Divine Trickster A tale of two weddings in John Cultural Stereotypes of Women and Public and Private Space from back cover *Current Contents* Institute for Scientific Information (Philadelphia), 2002 **Stewards, Prophets, Keepers of the Word** Ritva H. Williams, 2006 Stewards prophets keepers of the word these roles reflect the hierarchical social structures religious experiences and faithfulness to tradition found in ancient Mediterranean cultures and as Ritva Williams argues influenced the development of early Christianity The linear progression of leadership apostles to bishops or apostles to presbyters or charismatics to office holders etc commonly thought to have emerged in the early church does not appear in early Christian texts from the mid first to early second centuries Instead what these texts reveal is a variety diversity and plurality of ways that Christ followers adopted and adapted these dynamic roles from antiquity as they struggled to organize and live in their local situations Book jacket **Christ in Practice** Clive Marsh, 2006 In 1944 Dietrich Bonhoeffer asked Who is Christ for us today In this theologically informed and very practical exploration of what it means to live in Christ Clive Marsh seeks to answer Bonhoeffer s question in a way that is appropriate for the 21st Century Christ in Practice refuses to locate Christ solely in the Church but finds him in the midst of contemporary life especially in the complex ethical challenges of daily living Clive Marsh considers how Christ is present today and invites us to reflect on how communal human interaction can be informed and transformed through attempting to understand this question In the process he considers how Christ and the Church relate today highlighting the decisive role to be played by the Church in society and the humility with which it needs to fulfil its task Clive Marsh argues that the point of Christology and of Christianity itself is not to interpret Christ but to live

within Christ and to do so without being consumed by Church It is a passionate plea for Christians to remain faithful to a commitment to Christ as present and active in the world

New Testament, History of Interpretation John Haralson Hayes, 2004 A collection of scholarly articles originally published in the Dictionary of Biblical Interpretation about the interpretation of the individual New Testament books Also included as an appendix are the articles from the Dictionary of Biblical Interpretation about the Biblical Apocrypha and pseudepigrapha The articles have been lightly edited and the bibliographies updated Each article concisely covers the history of interpretation of each New Testament book Stands on the shoulders of previous interpreters of the Scriptures Useful for term papers classroom study Useful in the research and understanding of historical trends in Biblical interpretation The articles on the Apocrypha and pseudepigraph are included in two appendices

Transcending Boundaries Francis J. Moloney, 2005

Flesh and Glory Dorothy A. Lee, 2002 This beautifully written book shows that the Gospel of John is not a collection of dry fragments but a rich unified text that continues to inspire believers

Beyond Fear and Silence Joan Mitchell, 2001-11 The Gospel of Mark ends in a curious way Three women disciples go to the tomb and find it empty save for a young man in a white robe who tells them that Jesus has been raised and they should tell his disciples and Peter He is going before you to Galilee there you will see him as he told you The gospel concludes with the statement Then they went out and fled from the tomb seized with trembling and bewilderment They said nothing to anyone for they were afraid This downbeat ending was so unsatisfying to some early gospel editors that they added two other conclusions the longer one drawn from Matthew and Luke including post resurrection appearances the commissioning of the eleven apostles and the ascension of Jesus Focusing on the fear and silence of the women in the last verse Joan Mitchell offers a brilliant interpretation and a powerful encouragement to Christian women She uses the feminist hermeneutic developed by Elisabeth Schüssler Fiorenza to deal with the absence or presence of women in the text but she also employs literary methods to provide a convincing and aesthetically satisfying interpretation of the gospel as a whole Although the women in Mark may be few and mostly nameless they play a powerful role in the narrative as indeed they are called upon to do in every generation of the preaching of the gospel
