Christians in Active Politics Yokoniah Mvula, 2022-09-16 Some Christians may be uncomfortable to think of Jesus as being political since the word politics or political has evolved to have negative overtones and connotations in our world today particularly in Africa where this monograph from the Department of Theology and Religious Studies of the University of Malawi has originated Christians often argue that their commission or job description does not include the political process which is the way a society conducts its public affairs However Jesus beginning with his temptation as in the gospels of Matthew and Luke showed the people who would follow him what it means to do God's will The third temptation conceived of in this study as a political temptation for power is the rationale behind the arguments made in this study which begins by positing that the message of Jesus was not politically neutral and therefore Christianity as a super culture must be active in all sectors affecting social concerns if it is to truly be the change agent who Christ believes it to be It goes on to define and describe what it means to say that the message of Jesus was political and lays out the biblical theological ethical and experiential rationale for Christians active participation in the secular political arena

The Nature of Love Thomas Jay Oord, 2010-04-01 God is love Consequently shouldn't love exist at the center of Christian theology When love is at the center theology is understood differently than it has typically been understood Some theologians have placed faith at the center others God's sovereignty still others the Church but Dr Oord places the emphasis on love God's love for us revealed in Christ in the Church and in creation and our love for God and others as ourselves must be afforded its rightful place Beginning with the foundation of love is what differentiates the Christian faith from others a loving God Dr Oord defines love as To love is to act intentionally in sympathetic empathetic response to God and others to promote overall well being Is this not what has defined Christians throughout history

Square Peg Albert Truesdale,2012 In *Square Peg* well respected educators pastors and ministry leaders demonstrate the distinct differences between Wesleyan theology and Fundamentalism through historical biblical scientific and theological exposition **Wesleyan Foundations for Evangelism** Albert Truesdale,2020 *Wesleyan Foundations for Evangelism* mines the expertise of pastors scholars and other ministry leaders to offer guides and markers for preparing messengers of God's good news Written from a Wesleyan perspective contributors explore such topics as the Great Commission today what it means to be a messenger of the good news of God's kingdom and the relationship of Christian practices to evangelism and discipleship **If God Is God... Then Why?** *Al Truesdale*,2002-01 Do you remember what you were doing the morning of September 11 Probably so But what was God doing Was He watching but not caring Did He choose to just sit on His hands In this fictional work of letters to an Episcopal priest Truesdale addresses the unavoidable question What Kind of loving Father would allow such suffering If God Is God Then Why will help you come to terms with the fact that God has not revealed exactly why but that the life death and resurrection of Jesus is the solution **Global Wesleyan Dictionary of Theology** *Al Truesdale*,2013 Designed for clergy laypersons university students and church teachers this work is arranged for ease in cross referencing and to assist in further study **All Things Needed for Godliness** Albert Truesdale,2020 God's call to holy worship and living has echoed through the centuries By way of Christ's obedience even to his death all people may now fulfill this calling All members of Christ's body are summoned and empowered by the Holy Spirit to a life of holy conduct Though for now the whole vision is incomplete every Christian tradition contributes its own shade of meaning *All Things Needed for Godliness* offers a portrait of Christian holiness as proclaimed and practiced in a variety of faith traditions From the Orthodox Church to Pentecostalism representatives of these traditions sketch out the distinct way each group understands and expresses holiness By presenting this rich panorama of holiness this book seeks to promote worship affirm Christian unity witness to Christ's transforming power encourage conformity to Christ's will and thus serve the mission of God Lord of the Tragic *Al Truesdale*,2024 *Lord of the Tragic* offers a candid Christian look at tragedy that not only squarely faces it but also explores the hope love and strength of the incarnate God who suffers with us *God Reconsidered* Albert Truesdale,2010 Process theology means different things to different people For some process theology enriches the way Christians understand God and His relationship to the world It brings clarity to Christian doctrine for both believers and nonbelievers alike But for others process theology offers a dangerous alternative to traditional Christianity It borrows heavily

from process philosophy and severely detracts from the idea of an all powerful God God Reconsidered examines both of these views The contributors to this text are translators of process theology insightfully exploring the claims for and against this approach to Christian faith Each writer is a trained theologian who adds a unique touch to the discussion Together they seek to shed light on the question Is process theology a good fit for Christianity Written in clear and concise language this engaging conversation invites readers and scholars to reexamine their view on process theology and encourages them to continue the conversation on this powerful and important topic in theology

Five Means of Grace Elaine A. Heath,2017-09-19 John Wesley gave the Methodist movement and all Christians in general a discipleship pathway to follow Wesley began with Three Simple Rules or General Rules and followed this instruction a year later with the Five Marks of a Methodist or Character of a Methodist Wesley observed the need for continuous renewal of relationships with God and others so he established a recurring annual process for God s people to make One Faithful Promise The Wesleyan Covenant for Renewal The study by Heath turns to the practices at the center of Wesley s understanding of spiritual growth the means of grace This book study guides readers through the five means of grace that John Wesley called instituted meaning these are spiritual practices in which Jesus

himself participated and which he encouraged his followers to do One of the beautiful aspects of Wesley's theology is that spiritual practices are seamlessly integrated with practices of loving our neighbors well This is why Wesley said there is no holiness but social holiness A life of genuine prayer inevitably leads to a life of hospitality mercy and justice Through this book study participants will consider how each of the five means of grace help us as communities of faith to pray more deeply and live more missionally as followers of Jesus Christ These means are the ordinary channels that God uses to draw us into a fruitful relationship These five means or channels are 1 Prayer 2 Searching Scripture 3 Receiving the Lord's Supper 4 Fasting 5 Conferencing communion fellowship Surely John Wesley wanted his teachings to be presented in clear and understandable ways Elaine Heath's teaching on the Five Means of Grace are simple and engaging with deep truths Your group will love it Jennifer Cowart Executive pastor at Harvest Church a United Methodist congregation in Warner Robins GA near Macon She co preaches and directs Discipleship and Emerging Ministries at Harvest UMC Elaine Heath is one of the church's great teachers and prophets With engaging stories and clear understanding of Scripture she invites us to experience God's love through ancient practices that we desperately need I will be using Five Means of Grace with my congregation as an invitation for those seeking a deeper pathway into discipleship Rev Jacob Armstrong Providence United Methodist Church Mount Juliet TN Methodists are followers of Jesus who are guided by a rule of life a set of common spiritual practices that put us in a place where we are more likely to experience God's transforming grace This brief volume is deceptively filled with guidance for those who would allow the Holy Spirit to guide them I am grateful to Elaine Heath who continues to lead us again to the ordinary channels where the streams of mercy justice and righteousness flow Ken Carter Resident Bishop Florida Area The United Methodist Church and co author Fresh Expressions A New Kind of Methodist Church for People Not in Church **Responding to Religious Pluralism from a Wesleyan Perspective** Anthony Michael Sparrow, 2010 Embracing the Past--Forging the Future Wm. Andrew Schwartz, John M. Bechtold, 2015-09-17 The times they are a changin As such our theology needs to adapt to be responsive to the changing landscape The idea for Embracing the Past Forging the Future A New Generation of Wesleyan Theology came from our assessment that Wesleyan theology has yet to fully adapt to this changing landscape and that the future of Wesleyan theology requires the bringing together of old and new voices The difficult task of balancing between continuity and change keeping up with the developments of our culture and staying true to the roots of our tradition requires the dual focus of looking forward and backward simultaneously In this volume we have brought together contributions by young Wesleyan scholars graduate students and junior faculty as a way of illustrating and articulating a new generation of Wesleyan theology These younger voices demonstrate the desire to push Wesleyan theology in new directions Additionally we have included contributions from senior scholars who have been doing important work and who have already made significant contributions to Wesleyan theology This is not simply the old guard but the voices of scholars who continue to make a profound impact on Wesleyan theology
