With God In Russia By Walter J Cizek I Summary Study Guide:

Summary of Walter J. Cizek & Daniel L. Flaherty's With God in Russia Everest Media, 2022-07-25T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I was a bully the leader of a gang and a street fighter I had no use for school except insofar as it had a playground where I could fight or wrestle I refused to admit that there was anything I couldn't do as well as or better than anyone else 2 I inherited my toughness from my father and my religious training from my mother I was openly scornful of those who were pious and I took great pains not to be thought of as such 3 I wanted to be a Jesuit and I wrote a letter to the Polish Jesuits in Warsaw telling them I wanted to enter the Society over there I hadn't told anyone at the seminary or at home and I went to New York to see the Jesuit Provincial 4 I was finally accepted into the Society of Jesus and I was happy and excited But I was also very stubborn and when Father Kelly the provincial told me I would have to go back to the seminary I refused I was forced to leave the Society The American Jesuits Raymond A Schroth, 2007-10-01 Choice Outstanding Academic Title for 2008 A broad and compelling look at the impact of the largest Catholic order of men on American culture With infectious energy and a genuine gift for storytelling Raymond A Schroth recounts the history of Jesuits in the United States The American Jesuits isn't simply a book for Catholics it's for anyone who loves a well-told historical tale For more than 450 years Jesuit priests have traveled the globe out of a religious commitment to serve others Their order the Society of Jesus is the largest religious order of men in the Catholic Church with more than 20 000 members around the world and almost 3 000 in the United States It is one of the more liberal orders in the Church taking very public stands in the U S on behalf of social justice causes such as the promotion of immigrants rights and humanitarian aid including assistance to Africa's poor and against American involvement in unjust wars Jesuits have played an important part in Americanizing the Catholic Church and in preparing Catholic immigrants for inclusion into American society Starting off with the first Jesuit to reach the New World he was promptly murdered on the Florida coast Schroth focuses on the key periods of the Jesuit experience in the Americas beginning with the era of European explorers many of whom were accompanied by Jesuits and some of whom were Jesuits themselves Suppressed around the time of the American Revolution the Society experienced resurgence in the nineteenth century arriving in the U S along with waves of Catholic immigrants and establishing a network of high schools and universities In the mid twentieth century the Society transformed itself to serve an urbanizing nation Schroth is not blind to the Society's shortcomings and not all of his story reflects well on the Jesuits However as he reminds readers Jesuits are not gods and they don't dwell in mountaintop monasteries Rather they are imperfect men who work in a messy world to find God in all things and to help their fellow men and women do the same A quintessential American tale of men willing to take risks for Indians blacks immigrants and the poor and to promote a loving picture of God The American Jesuits offers a broad and compelling look at the impact of this 400 year old international order on American culture and the culture's impact on the Jesuits **Books and Pamphlets,**
