The Wonderful Saskia Sarginson, 2019-12-10 A sweeping and turbulent drama about the anxieties of postwar Britain where one strong and inspirational young woman looks to find her place no matter the cost Sometimes the truth lies in fiction It s hard to be an American girl in 1957 Especially when your dad s job means you have to move four thousand miles from home Especially if you d rather play baseball than wear a dress Especially if you see your mom fraying a little more from anxiety each day And especially if being five minutes older means you have to protect your fragile twin brother Still Hedy Delaney loves her family and she s trying to make the best of her new life on a U S airbase in England After all her dad s a war hero her mother s a beauty and her brother s a brainiac who writes moving stories about space travel Then one tragic day the unforeseen occurs and all three are ripped away leaving Hedy alone with countless questions What really happened on the airbase What went on behind military closed doors What were the secrets that could never be told And how could any of it have led to her family s destruction In her search for the truth Hedy turns to a story her brother began months before he died Deciding to finish what her brother started Hedy begins to piece together what happened to her family But whether she s ready for what she ll discover is another matter entirely A sweeping and turbulent family drama The Wonderful asks whether writing fiction can uncover fact and if it s ever better to let the truth remain hidden Sometimes it s safer not to finish what you ve started

Wolf Winter Cecilia Ekbäck, 2024-09-24 In this historical thriller a young mother fears for her family when her neighbors act suspicious following a mysterious death in their Swedish village Swedish Lapland 1717 Maija her husband Paavo and her daughters Frederika and Dorotea arrive from their native Finland hoping to forget the traumas of their past and put down new roots in this harsh but beautiful land Above them looms Blackasen a mountain whose foreboding presence looms over the valley and whose dark history seems to haunt the lives of those who live in its shadow While herding the family s goats on the mountain Frederika happens upon the mutilated body of one of their neighbors Eriksson The death is dismissed as a wolf attack but Maija feels certain that the wounds could only have been inflicted by another man Compelled to investigate despite her neighbors strange disinterest in the death and the fate of Eriksson s widow Maija is drawn into the dark history of tragedies and betrayals that have taken place on Blackasen Young Frederika finds herself pulled towards the mountain as well feeling something none of the adults around her seem to notice As the seasons change and the wolf winter the harshest winter in memory descends upon the settlers Paavo travels to find work and Maija finds herself struggling for her family s survival in this land of winter long darkness As the snow gathers the settlers secrets are increasingly laid bare Scarce resources and the never ending darkness force them to come together but Maija not knowing who to trust and who may betray her is
